As the last descendant of the werewolf clan, Gerardo O'Bound was guided by the werewolf book that he had to sex with as many as 50 virgins. Moreover, he had to kill the last virgin to obtain immortal blood. For Gerardo, it was not difficult to get a virgin. After all, he was a rich and powerful businessman in the modern era. But the more virgins Gerardo had sex with, the weaker he became, and he had been addicted to violent sex when he met the fourth virgin Livanna Maria Thompson. Livanna initially felt a lot of pain, but by the end of Gerardo's sex game, she began to enjoy every movement and lashing delivered by Gerardo. On the other hand, Gerardo was cold and only treated her as a bed slave. What is the truth behind the scene? What if Livanna's sexual relation severed for a secret purpose? Read to figure out.

"Strip for me" the beastly alpha called, his voice echoed from his dark cell, causing a shiver to go down her body. She couldn't fight the way her body reacts to him. Her n*****s harden from his touch. "I can smell your wetness omega" he mutters, his hands tracing under her skirt till he feels up her wet jeweled folds, causing a hiss from her lips as his fingers push in. He whispers to her ears, a voice filled the dangerous promise "you are mine" Elise Aldermen is the daughter of the Silvernight Pack's chief alpha. She has waited her whole life for her marriage ceremony, hoping it would be the best day of her life. However, she gets the shock of a lifetime when her betrothed coldly rejects her and makes her a slave after finding out her true origins, even though they were already bound. Not only is she claimed to be a bastard on her mating day, but she is also disowned and rejected by her pack and mate. Elise's life turns into a nightmare as she is thrown into the dungeons as the cruel alpha's slave, only to be handed off to his greatest beastly champion, who dwells in the dark cells. Elise soon discovers

that the beast she is now forced to be marked and bound to is more than a monster; this beastly alpha could also be her fated mate.

To many, an association between Jews and sports seems almost oxymoronic--yet Jews have been prominent in boxing, basketball, and fencing, and some would argue that hurler Sandy Koufax is America's greatest athlete ever. In *Jews, Sports, and the Rites of Citizenship*, Jack Kugelmass shows that sports--significant in constructing nations and in determining their degree of exclusivity--also figures prominently in the Jewish imaginary. This interdisciplinary collection brings together the perspectives of anthropologists and historians to provide both methodological and regional comparative frameworks for exploring the meaning of sports for a minority population.

WARNING! MATURE CONTENT! "Isabella Cross, I will marry you to fulfill the alliance agreement, going back on it will deem my position in the clan. And before you get your hopes high, let me make something clear to you. You'll never be my Luna, you'll never be my mate and you'll never share my bed. You mean absolutely nothing to me. His voice was cruel and there was a snarl on his lips." "Reject me and set me free Arden, You can't keep what you don't want in your possession." His eyes became stony and his soft lips which were the color of blood, curled up amusingly. He moved closer to me, so close that our nose was almost touching. I felt his hot breath fan my face, and my

breathing became hitched and my legs became so feeble. The attraction between us was too strong to ignore. Couldn't he feel it too? "Nope! I won't reject you but you will stay in this pack and suffer for your dad's treachery. I won't kill you but you will beg for death yourself." Isabella Cross, a silver-eyed girl, was hated by her Dad from birth and was given out as a gift to the most ruthless and cruel Alpha in exchange for an alliance. What happens when she finds out that she feels a mate bond with her husband and brother-in-law? One was her doom while the other was her one true love. Would she be able to fight and conquer her storms to be with him? Read to find out.

Ao never believed in monsters—not after being branded one since childhood. Exiled, he lives with his adoptive guardian, Kaisei Aizawa, amidst verdant valleys surrounded by desolation. Humanity only had themselves to blame for the wretched landscape. Their war poisoned the seas. Their greed coveted the fertile and the green. Their ambition set it ablaze. One hundred years had passed since the war banished Talus to the skies. Doomed to chase the sun, the once proud nation survives as a floating city. But the fallen always hunger for more. When the Talarians descend to claim the earth as their own, Ao escapes capture—but nothing is without its price. The only man he ever saw as family, Kaisei, is imprisoned instead. Ao vows to rescue him, no matter the cost—even if it means taking a stand against the most powerful nation left on earth. He knows of the risks. He knows of the dangers. But never would he know that someday, somehow, he would finally believe in monsters.

At the turn of the twentieth century, black fraternities and sororities, also
known as Black Greek-Letter Organizations (BGLOs), were an integral part of
what W.E.B. Du Bois called the " talented tenth. " This was the top ten percent
of the black community that would serve as a cadre of educated, upper-class,
motivated individuals who acquired the professional credentials, skills, and
capital to assist the race to attain socioeconomic parity. Today, however,
BGLOs struggle to find their place and direction in a world drastically different
from the one that witnessed their genesis. In recent years, there has been a
growing body of scholarship on BGLOs. This collection of essays seeks to push
those who think about BGLOs to engage in more critically and empirically
based analysis. This book also seeks to move BGLO members and those who
work with them beyond conclusions based on hunches, conventional wisdom,
intuition, and personal experience. In addition to a rich range of scholars, this
volume includes a kind of call and response feature between scholars and
prominent members of the BGLO community.

A new translation of the classic magical text from the original Latin • Learn how
medieval magicians conducted the rituals of angelic magic for quickly learning
scholastic knowledge by means of prayers and figures • Provides a complete
translation of Ars Notoria, both the short and long versions based on Julien
Veronese ' s critical Latin edition • Includes the first translation of The Work of
Works (Opus Operum), The Short Art (Ars Brevis), the abridged version attributed
to Thomas of Toledo, and The Pauline Art (Ars Paulina) • Presents all of the
original figures (notae), essential for inspection during ritual The magical treatise
Ars Notoria offers a secret account of how King Solomon gained his famed wisdom
and learning through sacred magic, revealed to him by the angel Pamphilius, thereby
expanding upon the biblical narrative of Solomon ' s vision from God. Solomon ' s

magical writings were transmitted to the first-century philosopher Apollonius of
Tyana, who provided a commentary titled Flores Aurei (Golden Flowers) that is
contained within Ars Notoria. Ars Notoria first appeared in the 13th century, when its
prayers and techniques for rapidly acquiring the seven liberal arts—grammar, logic,
rhetoric, arithmetic, music, geometry, and astronomy— made it the earliest
representation of European angel magic. The text presents a complete system of
magic consisting of prayers addressed to angels, using figures called notae, for the
purpose of gaining scholastic and heavenly knowledge. Due to its rising popularity
among university students, the magical ritual was reworked time and again, producing
five treatises dating from the 13th to 15th centuries—Opus Operum (Work of Works),
Liber Florum Celestis Doctrine (Book of Flowers of Heavenly Teaching) composed by
John of Morigny, Ars Brevis (Short Art), Ars Abbreviata (an abridged version
attributed to Thomas of Toledo), and Ars Paulina (Pauline Art [of the Seven
Figures])—thereby establishing an entire notorial art tradition. In this new and
complete translation of Ars Notoria, based on Julien V é ron è se ' s critical Latin
edition, translator Matthias Castle presents—for the first time in English—the complete
classic magical text, both short and long versions, including four of the later treatises.
Castle explains how these theurgic ritual practices were performed, giving special
attention to all the original pictorial figures (notae), and how the art of memory
relates to angelic magic. Providing practical instruction, extensive commentary, and in-
depth background research and annotations, Ars Notoria: The Notory Art of Solomon
is an essential sourcebook on angelic magic for scholars and magicians alike.

In his original CyberUnion, the author presented a bold plan for unions to develop a more
significant role in the 21st century by adopting four strategic aids - futuristics, innovations,
services, and traditions (F-I-S-T) - knit together by cutting-edge Info Tech resources.
CyberUnions in Action expands on the F-I-S-T model and looks at gains and setbacks in
pioneering efforts to create "CyberUnions". It highlights relevant websites, and features
interviews with key CyberUnion advocates (and some critics). Shostak reviews overseas
union efforts for transferable lessons, and pays special attention to the AFL-CIO campaign to
ensure Labor's advances in the use of computer networks, the Internet, wireless devices,
and more.
