The Hating Game Georgetown University Press

A mysterious football accident sends a high school reeling in this award-winning multimedia-format novel from Tommy Greenwald Thirteen-year-old Teddy Youngblood is in a coma, fighting for his life after an unspecified football injury at training camp. His family and friends flock to his bedside to support his recovery—and to discuss the events leading up to the tragic accident. Was this the inevitable result of playing a violent sport, or did something more sinister happen on the field that day? Told in an innovative multimedia format combining dialogue, texts, newspaper articles, interview transcripts, an online forum, and Teddy's inner thoughts, *Game Changer* explores the joyous thrills and terrifying risks of America's most popular sport.

In Search of Respect Agency

Explains the theory of political survival, particularly in cases of dictators and despotic governments, arguing that political leaders seek to stay in power using any means necessary, most commonly by attending to the interests of certain coalitions.

Powerhouse Princeton University Press

Like Swans of Fifth Avenue and Truman Capote's *Answered Prayers*, Richard Kirshenbaum's *Rouge* gives readers a rare front row seat into the world of high society and business through the rivalry of two beauty industry icons (think Helena Rubenstein and Elizabeth Arden), by the master marketer and chronicler of the over-moneyed. *Rouge* is a sexy, glamorous journey into the rivalry of the pioneers of powder, mascara and rouge. This fast-paced novel examines the lives, loves, and sacrifices of the visionaries who invented the modern cosmetics industry: Josiah Herzenstein, born in a Polish Jewish Shtetl, the entrepreneur who transforms herself into a global style icon and the richest woman in the world, Josephine Herz; Constance Gardiner, her rival, the ultimate society woman who invents the door-to-door business and its female workforce but whose deepest secret threatens everything; CeeCee Lopez, the bi-racial beauty and founder of the first African American woman's hair relaxer business, who overcomes prejudice and heartbreak to become her community's first female millionaire. The cast of characters is rounded out by Mickey Heron, a dashing, sexy ladies' man whose cosmetics business is founded in a Hollywood brothel. All are bound in a struggle to be number one, doing anything to get there...including murder.

Romance's Rival Penguin

Aspiring Powers, Regional Rivals examines relations between Turkey, Egypt, and Saudi Arabia, three key aspiring regional powers that have sought to take on a growing role in the Middle East in recent years at a time of declining U.S. influence and involvement. The rise of the Justice and Development Party (AKP) in Turkey in the early 2000s under now-President Recep Tayyip Erdogan ushered in a new era in Ankara's Middle East policy - one that was dramatically reshaped by the Arab uprisings of 2010-12 and their aftermath. Early hopes for a positive transformation gave way to violence, civil wars, and failed states. The uprisings not only transformed the internal dynamics of regional states, but they also led to a new regional order, with powers such as Turkey, Iran, and Saudi Arabia playing a greater role. As late as 2015, Turkey, Egypt, and Saudi Arabia were hailed as the "Sunni vanguard" against an increasingly resurgent Iran, but these three states have conflicting visions for the region and are willing to pursue aggressive policies to realize them. This book explores the dynamic between these three key actors in detail and examines whether they can reconcile those visions to play a constructive role in addressing regional problems. Meet You in the Middle Simon and Schuster

In a powerful debut novel that moves between the crowded streets of London and the desolate mountains of Iran, Yasmin Crowther paints a stirring portrait of a family shaken by events from decades ago and worlds away. On a rainy day in London the dark secrets and troubled past of Maryam Mazar surface violently, with tragic consequences for her daughter, Sara, and her newly orphaned nephew. Maryam leaves her English husband and family and returns to the remote Iranian village where her story began. In a quest to piece their life back together, Sara

follows her mother and finally learns the terrible price Maryam once had to pay for her freedom, and of the love she left behind. Set against the breathtaking beauty of two very different places, this stunning family drama transcends culture and is, at its core, a rich and haunting narrative about mothers and daughters.

Mistletoe and Murder Candlewick Press

Against the backdrop of China's mounting influence and North Korea's growing nuclear capability and expanding missile arsenal, South Korea faces a set of strategic choices that will shape its economic prospects and national security. In *South Korea at the Crossroads*, Scott A. Snyder examines the trajectory of fifty years of South Korean foreign policy and offers predictions—and a prescription—for the future. Pairing a historical perspective with a shrewd understanding of today's political landscape, Snyder contends that South Korea's best strategy remains investing in a robust alliance with the United States. Snyder begins with South Korea's effort in the 1960s to offset the risk of abandonment by the United States during the Vietnam War and the subsequent crisis in the alliance during the 1970s. A series of shifts in South Korean foreign relations followed: the "Nordpolitik" engagement with the Soviet Union and China at the end of the Cold War; Kim Dae Jung's "Sunshine Policy," designed to bring North Korea into the international community; "trustpolitik," which sought to foster diplomacy with North Korea and Japan; and changes in South Korea's relationship with the United States. Despite its rise as a leader in international financial, development, and climate-change forums, South Korea will likely still require the commitment of the United States to guarantee its security. Although China is a tempting option, Snyder argues that only the United States is both credible and capable in this role. South Korea remains vulnerable relative to other regional powers in northeast Asia despite its rising profile as a middle power, and it must balance the contradiction of desirable autonomy and necessary alliance.

These Violent Delights HarperCollins

The final book in the bestselling *Books of Beginning* trilogy that began with *The Emerald Atlas*, which the *New York Times* called "a new Narnia for the tween set." The adventures of siblings Kate, Michael, and Emma come to a stunning conclusion when they must find the last *Book of Beginning*—the *Book of Death*—before the Dire Magnus does, for when all three books are united, their combined power will be unstoppable. Soon Emma is on a journey to places both worldly and otherworldly, confronting terrifying monsters and ghosts, and what is darkest within herself. As the fabric of time begins to fray, she becomes the final piece of an extraordinary puzzle. Only if she can master the powers of this most dangerous book will she, Kate, and Michael be able to save the world from the dramatic, deadly final confrontation between magical and ordinary people that the *Dire Magnus* has in store.

"Queen Victoria has a problem: there's a petty thief at work in Buckingham Palace. The Agency, the all-female detective unit, assigns quick-witted Mary Quinn to the case. Posing as a palace maid and fending off the attentions of the Prince of Wales are challenging enough, but when the prince witnesses a murder, Mary's case becomes anything but petty. Engineer and former flame James Easton has an assignment in the sewers, where someone is making illicit use of the tunnels. Mary will need James's help if she's going to catch a thief, solve a murder and avert disaster--Page [4] of cover.

Rivals in the City Wednesday Books

Gossip Girl meets *Get Out* in *Ace of Spades*, a YA contemporary thriller by debut author Faridah Àbíké-Íyímídé about two students, Devon & Chiamaka, and their struggles against an anonymous bully. All you need to know is... I'm here to divide and conquer. Like all great tyrants do. —Aces When two Niveus Private Academy students, Devon Richards and Chiamaka Adebayo, are selected to be part of the elite school's senior class prefects, it looks like their year is off to an amazing start. After all, not only does it look great on college applications, but it officially puts each of them in the running for valedictorian, too. Shortly after the announcement is made, though, someone who goes by Aces begins using anonymous text messages to reveal secrets about the two of them that turn their lives upside down and threaten every aspect of their carefully planned futures. As Aces shows no sign of stopping, what seemed like a sick prank quickly turns into a dangerous game, with all the cards stacked against them. Can Devon and Chiamaka stop Aces before things become incredibly deadly? With heart-pounding suspense and relevant social commentary comes a high-octane thriller from debut author Faridah Àbíké-Íyímídé.

Monster Abrams

Encounters with Strangers gives new meaning to the saying, "Never talk to strangers." Experience city living and traveling abroad in this humorous compilation of real-life interactions that happened between strangers and Nubia DuVall Wilson over the span of eight years. Starting as an obsession with compiling comical episodes on the New York City subway, Wilson's collection of stories expanded over time to include situations while traveling and when she lived abroad in Taipei, Taiwan. From subway catfights and disgruntled panhandlers to bumping into celebrities, this book of outrageous shorts will keep readers entertained.

Ace of Spades HarperCollins

"Academic study about marriage and courtship in the Victorian novel. It discusses works by Jane Austen, George Eliot, Charlotte Yonge, and Margaret Oliphant, among others" --

Game Changer Simon and Schuster

Hesitating to accept James' marriage proposal out of fear of losing her independence, Mary watches over a dying prisoner whose wife holds a grudge against James, at the same time a familiar Chinese prizefighter arrives in London.

The Agency: Rivals in the City Riverbank Publishing

The revolutionary literary vision that sowed the seeds of Objectivism, Ayn Rand's groundbreaking philosophy, and brought her immediate worldwide acclaim. This modern classic is the story of intransigent young architect Howard Roark, whose integrity was as unyielding as granite...of Dominique Francon, the exquisitely beautiful woman who loved Roark passionately, but married his worst enemy...and of the fanatic denunciation unleashed by an enraged society against a great creator. As fresh today as it was then, Rand's provocative novel presents one of the most challenging ideas in all of fiction—that man's ego is the fountainhead of human progress... "A writer of great power. She has a subtle and ingenious mind and the capacity of writing brilliantly, beautifully, bitterly...This is the only novel of ideas written by an American woman that I can recall." —The *New York Times*

The Traitor in the Tunnel Feiwel & Friends

Forty years ago the Watergate scandal deeply wounded Americans' faith in government. Since then, good-government reformers and big-government opponents have been on a shared mission to make everything transparent. The problem is that too much light is scaring Congressmen away from making the tough choices necessary to govern in the national interest. It's no secret that the backrooms are where things get done and where politicians can collaborate without reprisal. In *City of Rivals*, Grumet boldly argues that the answer lies in harnessing partisanship, not spinning in its mud. America is once again gripped by fear that we are falling behind and fast. Unlike the Soviet threat that shook our nation a half century ago, the menace today is homegrown. On issues of national importance, the two parties in Congress appear incapable of working together. Whether the threat is competition from China, crumbling infrastructure, or rising debt, Washington's legitimacy to govern and capacity to solve problems are in doubt. The Bipartisan Policy Center's president, Jason Grumet, tackles this issue head-on by challenging the conventional diagnosis of the current gridlock. Rather than lamenting our differences, Grumet offers practical steps to govern a polarized nation, and he explores the unintended consequences of past reform movements. It's a must-read for all who care about our country's future.

The Body at the Tower Rowman & Littlefield

One of *Cosmo's* Best YA of 2022 A bighearted novel about falling in love, making a mess, and learning to let go, from Emma Lord, the *New York Times* bestselling author of the Reese Witherspoon YA Book Club pick *You Have a Match*. **An Indie Next Pick** Nothing will get in the way of Millie Price's dream of becoming a Broadway star. Not her lovable but super introverted dad, who raised Millie alone since she was a baby. Not her drama club rival, Oliver, who is the very definition of *Simmering Romantic Tension*. And not her "Millie Moods," the feelings of intense emotion that threaten to overwhelm. Millie needs an ally. And when an accidentally left-open browser brings Millie to her dad's embarrassingly moody *LiveJournal* from 2003, Millie knows just what to do—find her mom. But how can you find a new part of your life and expect it to fit into your old one without leaving any marks? And why is it that when you go looking for the past, it somehow keeps bringing you back to what you've had all along? PRAISE FOR EMMA LORD: "Brimming with energy, rapid-fire banter, and affectionate theater references, this memorable *Mamma Mia!* retelling...thoughtfully pays homage while skillfully modernizing it for today's readers." -Publishers Weekly (starred review) "Chock-full of musical theater references and humor, the novel includes high-stakes emotional drama that is balanced by supportive friendships and strong, deep family connections...An entertaining personal journey with plot twists galore." - Kirkus Reviews

Encounters with Strangers Wednesday Books

The Amazon is not what it seems. As Hugh Raffles shows us in this captivating and innovative book, the world's last great wilderness has been transformed again and again by human activity. In *Amazonia* brings to life an Amazon whose allure and reality lie as much, or more, in what people have made of it as in what nature has wrought. It casts new light on centuries of encounter while describing the dramatic remaking of a sweeping landscape by residents of one small community in the Brazilian Amazon. Combining richly textured ethnographic research and lively historical analysis, Raffles weaves a fascinating story that changes our understanding of this region and challenges us to rethink what we mean by "nature." Raffles draws from a wide range of material to demonstrate--in contrast to the tendency to downplay human agency in the Amazon--that the region is an outcome of the intimately intertwined histories of humans and nonhumans. He moves between a detailed narrative that analyzes the production of scientific knowledge about Amazonia over the centuries and an absorbing account of the extraordinary transformations to the fluvial landscape carried out over the past forty years by the inhabitants of Igarapé Guariba, four hours downstream from the nearest city. Engagingly written, theoretically inventive, and vividly illustrated, the book introduces a diverse range of characters--from sixteenth-century explorers and their native rivals to nineteenth-century naturalists and contemporary ecologists, logging company executives, and river-traders. A natural history of a different kind, *In Amazonia* shows how

humans, animals, rivers, and forests all participate in the making of a region that remains today at the center of debates in environmental politics.

Enola Holmes and the Boy in Buttons HarperCollins

"On a Christmas holiday to Cambridge, Daisy and Hazel get caught up in another murder investigation, and a competition with rival detectives"--

The National Security Enterprise Candlewick Press (MA)

Cooperstown! Josh is thrilled when all his hard training pays off in a big way and his team, the Titans, makes it to a national tournament in Cooperstown, home of the National Baseball Hall of Fame. More is on the line for Josh than just a trophy. Winning would mean everything to his dad—now Josh's coach. Winning could mean a major endorsement deal for the Titans and the attention of big league scouts! After a dirty play and a brutal injury threaten to sideline Josh, he spies suspicious activity at the tournament. He tries to tell his good friend Jaden about what he's seen, but she's too busy spending time with the L.A. Comets' star player, Mickey Mullen Jr., to want to get involved. Jaden says she's doing research for the newspaper . . . but is she? Now Josh has a rival—both on the field and off—as he swings for the fences in a game that quickly becomes more dangerous. New York Times bestselling author Tim Green delivers a hard-hitting look at what some teams will do to win in this gripping companion to *Baseball Great*.

South Korea at the Crossroads Oxford University Press

This new edition brings this study of inner-city life up to date.

The Dictator's Handbook Penguin

Enola Holmes is on the case, when a young porter - the boy in buttons - disappears without a trace. Enola Holmes, the much younger sister of Sherlock and Mycroft, owns a building in the heart of 19th century London, a place she uses under pseudonyms to front for her investigative work. Employed there is a porter - Joddy, a young boy in a uniform festooned with buttons - whose even younger brother substitutes for him when he's sick. But Paddy disappears after one day at the job and Enola Holmes is alerted to this by the still ill Joddy. Determined to find the missing porter, Enola travels to the rough part of London where the boys live and starts searching Aldgate Pump area for the missing boy. When she finds the missing buttons - but not the boy - she decides that drastic action is essential if she's to save the missing boy.
