Dear Lucy Simon and Schuster

This anthology of Mississippi crime fiction "has produced a unique, delicious flavor of noir" with stories by Ace Atkins, Megan Abbott and more (New York Daily News). From poverty to state corruption, Mississippi has a well-deserved reputation for trouble. Could there be a connection between its many misfortunes and its rich literary legacy? Mississippians from Tennessee Williams and Eudora Welty to Richard Ford and John Grisham certainly know how to tell a good story. Now Mississippi Noir offers "a devilishly wrought introduction" to a new generation of "writers with a feel for Mississippi who are pursuing lonely, haunting paths of the imagination" (Associated Press). Mississippi Noir includes brand-new stories by Ace Atkins, William Boyle, Megan Abbott, Jack Pendarvis, Dominiqua Dickey, Michael Kardos, Jamie Paige, Jimmy Cajoleas, Chris Offutt, Michael Farris Smith, Andrew Paul, Lee Durkee, Robert Busby, John M. Floyd, RaShell R. Smith-Spears, and Mary Miller.

Desperation Road Ember

It's 1952, and E.F. Bloodworth is finally coming home to Ackerman's Field, Tennessee. Itinerant banjo picker and volatile vagrant, he's been gone ever since he gunned down a deputy thirty years before. Two of his sons won't be home to greet him: Warren lives a life of alcoholic philandering down in Alabama, and Boyd has gone to Detroit in vengeful pursuit of his wife and the peddler she ran off with. His third son, Brady, is still home, but he's an addled soothsayer given to voodoo and bent on doing whatever it takes to keep E.F. from seeing the wife he abandoned. Only Fleming, E.F.'s grandson, is pleased with the old man's homecoming, but Fleming's life is soon to careen down an unpredictable path hewn by the beautiful Raven Lee Halfacre. In the great Southern tradition of Faulkner, Styron, and Cormac McCarthy, William Gay wields a prose as evocative and lush as the haunted and humid world it depicts. *Provinces of Night* is a tale redolent of violence and redemption—a whiskey-scented, knife-scarred novel whose indelible finale is not an ending nearly so much as it is an apotheosis.

For young Mark, the world has turned as bleak and gray as the Brighton winter. Separated from his real father and home in London, he's come to live with his mother and her new husband in an old house near the sea. He spends his days alone, trying to master the skateboard, while other boys his age are in school. He hates the unwanted stepfather who barged into Mark's life to rob him of joy. Worst of all,

his once-vibrant mother has grown listless and weary, no longer interested in anything beyond her sitting room. But on a damp and chilly evening, an accident carries Mark into the basement flat of the old woman who lives at the bottom of his stepfather's house. She offers tea, cakes, and sympathy . . . and the key to a secret, bygone world. Mark becomes caught up in the frenetic bustle of the human machinery that once ran a home, and drawn ever deeper into a lost realm of spirits and memory. The Servants St. Martin's Press

A critically acclaimed novelist pulls Nick Carraway out of the shadows and into the spotlight in this "masterful" look into his life before *Gatsby* (Richard Russo, Pulitzer Prize-winning author of *Empire Falls* and *Chances Are*). Before Nick Carraway moved to West Egg and into *Gatsby's* periphery, he was at the center of a very different story—one taking place along the trenches and deep within the tunnels of World War I. Floundering in the wake of the destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance—doomed from the very beginning—to the dizzying frenzy of New Orleans, rife with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel breathes new life into a character that many know but few have pondered deeply. Charged with enough alcohol, heartbreak, and profound yearning to paralyze even the heartiest of golden age scribes, Nick reveals the man behind the narrator who has captivated readers for decades.
