Packed with bright images of familiar objects in Noddy's stunning new-look artwork, this is ABC learning at its best.

Beware of the Dog (A Roald Dahl Short Story) Crown

Find out where the bestselling author of *Charlie and the Chocolate Factory* and *The BFG* got all his wonderful story ideas in this autobiographical account of his childhood! From his own life, of course! As full of excitement and the unexpected as his world-famous, best-selling books, Roald Dahl's tales of his own childhood are completely fascinating and

fiendishly funny. Did you know that Roald Dahl nearly lost his nose in a car accident? Or that he was once a chocolate candy tester for Cadbury's? Have you heard about his involvement in the Great Mouse Plot of 1924? If not, you don't yet know all there is to know about Roald Dahl. Sure to captivate and delight you, the boyhood antics of this master storyteller are not to be missed!

The Never Hero

Harper Collins

Our fear of the world ending, like our fear of the dark, is ancient, deep-seated and perennial. It crosses boundaries of space and time, recurs in all human communities and finds expression in every aspect of cultural production - from pre-historic

cave paintings to high-tech computer games. This volume examines historical and imaginary scenarios of apocalypse, the depiction of its likely triggers, and imagined landscapes in the aftermath of global destruction. Its discussion moves effortlessly from classic novels including Aldous Huxley's *Brave New World*, George Orwell's *Nineteen Eighty-Four* and Margaret Atwood's *Oryx and Crake*, to blockbuster films such as *Blade Runner*, *Armageddon* and *Invasion of the Body Snatchers*.

Lisboa also takes into account religious doctrine, scientific research and the visual arts to create a penetrating, multi-disciplinary study that provides profound insight into one of Western culture's most fascinating and enduring preoccupations.

The Witches

HarperCollins UK
Essays discuss the history and development of fairy tales in cultures from all over the world and throughout history, including adaptation for film, art, opera, ballet, music, and commercial use.

What happens when
the hunter becomes
the hunted? To the

Gregg family, hunting
is just plain fun. To
the girl who lives
next door, it's just
plain horrible. She
tries to be polite.
She tries to talk
them out of it, but
the Greggs only laugh
at her. Then one day
the Greggs go too
far, and the little
girl turns her Magic
Finger on them. When
she's very, very
angry, the little
girl's Magic Finger
takes over. She
really can't control
it, and now it's
turned the Greggs
into birds! Before
they know it, the
Greggs are living in
a nest, and that's
just the beginning of
their problems...

Factory Penguin UK

From the internationally bestselling author and prizewinning economist--a highly original guide to the global economy. In his bestselling *23 Things They Don't Tell You About Capitalism*, Cambridge economist Ha-Joon Chang brilliantly debunked many of the predominant myths of neoclassical economics. Now, in an

entertaining and accessible primer, he explains how the global economy actually works--in real-world terms. Writing with irreverent wit, a deep knowledge of history, and a disregard for conventional economic pieties, Chang offers insights that will never be found in the textbooks. Unlike many economists, who present only one view of their discipline, Chang introduces a wide range of economic theories, from classical to Keynesian, revealing how each has its strengths and weaknesses, and why there is no one way to explain economic behavior. Instead, by ignoring the received wisdom and exposing the myriad forces that shape our financial

world, Chang gives us the tools we need to understand our increasingly global and interconnected world often driven by economics. From the future of the Euro, inequality in China, or the condition of the American manufacturing industry here in the United States—Economics: The User's Guide is a concise and expertly crafted guide to economic fundamentals that offers a clear and accurate picture of the global economy and how and why it affects our daily lives.

How Tom Beat Captain Najork and His Hired Sportsmen

Part of the classic Fudge series from Judy Blume, bestselling author of *Tales of a Fourth Grade Nothing!*

Farley Drexel Hatcher—otherwise known as Fudge—thinks he's a superhero, but his older brother, Peter, knows Fudge is nothing but a big pain! Dealing with Fudge is hard enough, but now Peter's parents have decided to move to New Jersey for an entire year! Even worse, Peter's mom is going to have a new baby. And if this baby is anything like Fudge—help! How will Peter ever survive? "As a kid, Judy Blume was my favorite author, and *Tales of a Fourth Grade Nothing* was my favorite book."—Jeff Kinney, author of the bestselling *Wimpy Kid* series *Love Fudge*, *Peter*, and *Sheila*? Read all these books featuring your favorite characters: *Tales of a Fourth*
