The Roaring Twenties is brought to you by Reading Through History. This is a collaborative effort of two Oklahoma classroom teachers with nearly thirty years of teaching experience at the secondary level. It includes 159 pages of student activities related to the significant events and major figures of the 1920s. The workbook is divided into ten complete units and includes answer keys for each activity. This is the go-to resource for any U.S. history teacher in need of information or student activities related to the 1920s. This resource manual is sure to be a perfect fit for any classroom,

middle school or above, in need of resources for the 1920s, Prohibition, or the Harlem Renaissance. There are 38 reading lessons in all, and each has several pages of student activities to accompany the reading, including multiple choice questions, guided reading activities, vocabulary exercises, and student response essay questions. Topics include Isolationism, the Red Scare, speakeasies, bootleggers, flappers, the Tea Pot Dome Scandal, the Scopes Trial, Langston Hughes, F. Scott Fitzgerald and much more!

Atlantic

In this Volume, the various measures taken by successive Administrations to fully utilize the new-found potential are examined critically. These include the Smoot-Hawley Tariff Act of 1930, the National Industrial Recovery Act of 1933 and the National Labor Relations Act of 1935. The readings in this case consist of my own published work on the topic over the course of the past decade. The articles in question set out to do two things, namely situate the relevant policy measure in the appropriate historical context,

namely the presence of output gaps, and second, evaluate the efficacy or wisdom of the proposed policy measures. For example, contrary to popular belief, the Smoot-Hawley Tariff Act was a response to growing excess-capacity-related stagnation in the form of unemployment. Evidence is presented which shows that the output gaps referred to above were clearly on the minds of Ranking Republicans at the Kansas City National Convention in June 1928.

Roaring Twenties? Europe in the interwar period Teacher Created Materials

It ' s the roaring twenties, and San Francisco is a hotbed of illegal boozing, raw lust, and black magic. The fog-covered Bay Area can be an intoxicating scene, particularly when you specialize in spirits... Aida Palmer performs a spirit medium show onstage at Chinatown ' s illustrious Gris-Gris speakeasy. However, her ability to summon (and expel) the dead is more than just an act. Winter Magnusson is a notorious bootlegger who ' s more comfortable with guns than ghosts—unfortunately for him, he ' s the recent target of a malevolent hex that renders him a magnet for hauntings. After Aida ' s supernatural assistance is enlisted to banish the ghosts, her spirit-chilled aura heats up as the charming bootlegger casts a different sort of spell on her... On the hunt for the curseworker responsible for the hex, Aida and Winter become drunk on passion. And the closer they become, the more they realize they have ghosts of their own to exorcise...

THE GREAT GATSBY Penguin

This is an exhilarating portrait of the era of invention, glamour and excess from one of the brightest young stars of mainstream history

writing. Bracketed by the catastrophes of the Great War and the Wall Street Crash, the 1920s was a time of fear and hedonism. The decade glittered with seduction: jazz, flappers, wild all-night parties, the birth of Hollywood, and a glamorous gangster-led crime scene forced to flourish under prohibition. It was punctuated by terrifying events - the political show trials of Sacco and Vanzetti; the huge march down Washington DC's Pennsylvania Avenue by the Ku Klux Klan - and produced a glittering array of artists, musicians and film stars, from F. Scott Fitzgerald to Bessie Smith to Charlie Chaplin. Here, Lucy Moore interweaves the most compelling stories of the people and events that characterized the decade to produce a gripping account of an often-overlooked period. In doing so, she demonstrates that the jazz age was far more than just 'between wars'; it was an epoch of passion and change - an age, she observes, that was not unlike our own. The world she evokes is one of effortless allure and terrifying drama: a world that was desperate to escape itself.

The Roaring Twenties Collection: All for a Song / All for a Story / All for a Sister Cosimo Classics

In Rumrunning and the Roaring Twenties, Philip P. Mason provides a fascinating look at the excesses and failures of Prohibition in the United States, and specifically in Michigan.

What Were the Roaring Twenties?

Random House Trade Paperbacks

From the acclaimed Nobel Prize winner: Two girls who grow up to become women. Two friends who become something worse than enemies. This brilliantly imagined novel brings us the story of Nel Wright and Sula Peace, who meet as children in the small town of Medallion, Ohio. Nel and Sula's devotion is fierce enough to withstand bullies and the burden of a dreadful secret. It endures even after Nel has grown up to be a pillar of the black

community and Sula has become a pariah. But their friendship ends in an unforgivable betrayal—or does it end? Terrifying, comic, ribald and tragic, Sula is a work that overflows with life.

The Roaring Twenties Baker's Plays

"Gripping courtroom drama and social commentary . . . the story flows well . . . [the author is] masterful in building suspense."—Kirkus Reviews Set in 1920s New York, an addictively readable, thoroughly entertaining historical novel involving sex and secrets, race and redemption, and power and privilege—based on a sensational real-life case that made international headlines—in which the marriage between a working-class black woman and the scion of one of America's most powerful white families ends in a scandalous annulment lawsuit. When Alice Jones, a blue-color woman with at least one Black parent marries Leonard "Kip" Rhineland, the son of one of New York's most prominent society families, the scandal rocks high society—and eventually sets the city afire when Kip later sues for an annulment, accusing Alice of having hidden her "Negro blood" and intentionally deceiving him that she was white. While New York society in the Roaring Twenties witnessed more than a few scandals, the real-life Rhineland case set tongues wagging and became perhaps the most examined interracial relationship in American history. In *Defending Alice*, Richard Stratton reimagines this remarkable story, from the couple's courtship through their controversial marriage to their shocking divorce trial and its aftermath. Chronicled by Alice's attorney, brilliant trial lawyer Lee Parsons Davis, and told in flashbacks and entries from Alice and Kip's fictional personal diaries, this epic page-turner vividly brings to life the New York of a century ago—a world seemingly far removed yet tragically familiar to our own. Stratton brilliantly evokes this dazzling era in all its glamour and excess, and in retelling the Rhineland story, explores issues of sex, race, class, prejudice, and justice that are as relevant today as they were a century ago when this headline-making trial

took place.

The Shock of America Penguin

Discover what everyday life was like for ordinary Americans during the decades of development and depression in the 1920s and 1930s.

THE MAN NOBODY KNOWS Greenwood Publishing Group

This Collection combines three of Allison Pittman's historical novels into one volume for a great value! All for a Song Dorothy Lynn Dunbar has everything she ever wanted: her family, her church, her community, and plans to marry the young pastor who took over her late father's pulpit. Time spent in the woods, lifting her heart and voice in worship accompanied by her brother's old guitar, makes her life complete . . . and yet she longs for something more. Spending a few days in St. Louis with her sister's family, Dorothy Lynn discovers a whole new way of life—movies, music, dancing; daring fashions and fancy cars. And a dynamic charismatic evangelist . . . who just happens to be a woman. When Dorothy Lynn is offered a chance to join Aimee Semple McPherson's crusade team, she finds herself confronted with temptations she never dreamed of. Can Dorothy Lynn embrace all the Roaring Twenties has to offer without losing herself in the process? All for a Story Monica Bisbaine loves being a modern girl in the Roaring Twenties. Her job writing a gossip column allows her access to all the local speakeasys in Washington, D.C., where she can dance the night away—and find fodder for her next article. But when the owner of the Capitol Chatter newspaper passes away, Monica wonders what will happen to her job, and the lifestyle she loves. Max Moore may hold the title of editor-in-chief for evangelist Aimee Semple McPherson's paper, *The Bridal Call*, but Aimee calls all the shots.

So when Max learns that his great-uncle has passed away, leaving him all his earthly possessions, Max resigns and heads to D.C. Determined to take over the Capitol Chatter, infuse it with his values, and turn it into a respectable paper, Max is soon bumping up against the equally determined Monica Bisbane. Under Max's direction, Monica embarks on her most challenging assignment yet: infiltrating and reporting on the Anti-Flirt Society. Though reluctant at first, as Monica meets and mingles with the young women of the club, she begins to question the innocence of her flirtatious lifestyle. And when romance begins to blossom between Max and Monica, she must choose where her loyalties lie: with the young women of the society or the alluring pull of the speakeasy and its inhabitants. All for a Sister In Hollywood during the Roaring Twenties, Celeste DuFrane has it all. Her father's work with color movie film opens doors that lead to the stardom she's always aspired to. But after losing her mother, she discovers that half the estate has been left to a woman accused of killing Celeste's baby sister before Celeste was even born. Dana Lundgren arrives on the steps of the DuFrane mansion having spent most of her life imprisoned for a crime that never happened. After accusing her of murder so many years ago, why did Marguerite DuFrane leave her a sizeable inheritance? As Celeste and Dana learn each other's stories, they come up with more questions than answers. Then a surprising discovery begins to fill in the missing pieces: Marguerite DuFrane's written confession, penned shortly before her death. Uncovering the treachery and deceit that changed the course of countless lives—most of all, their own—the two women find more than they ever dreamed of.

1920's Dba NavPress

Flappers, flag-pole sitting, and the Ford Model T--these are just a few of the things that instantly conjure up a unique era--the Roaring Twenties. It was the bees' knees, the cat's meow. If you're not familiar with 1920s slang, all the more reason to read this fascinating look at that wild, exciting decade. It began on the heels of one tragedy--the flu pandemic of 1918--and ended with another: the start of the Great Depression. But in between there were plenty of good times--the Model T cars that Henry Ford made were cheap enough for the masses, the new sound of jazz heated up speakeasies and nightclubs during the time of Prohibition. Women, recently given the right to vote, cut their long hair into bobs, wore short skirts and makeup, and danced the Charleston (sometimes in marathons that lasted days). Michele Mortlock hits all the highlights of this heady age that still feels modern even a hundred years later.

The Confident Years London : A. Lane
What is love? How, and why, does it last? Through the decades of the twentieth century, advancements were made in almost every field of human endeavor, including medicine, science, and technology. However, despite continual progress, couples seem to know less than ever how to stay together. Times change, as does clothing; slang comes and goes; music mutates and annoys every generation's parents; yet people still meet, fall in love and begin lives together, no matter what goes on around them. As a decade, a century, and a millennium simultaneously ended, news stories, books, documentaries, and prime-time features were produced on the advancements we have seen as a nation and as a planet. Yet despite new knowledge and vast changes in our culture, through wars that have been fought and every eventual peace that has ever been established, strangers still meet under the most unimaginable circumstances, and suddenly are strangers

no longer. Despite answers that have been found to every imaginable mystery, writers, poets, artists, filmmakers, as well as ordinary men and women, still encounter the most basic human mystery in the simple question: What is love? This book is an attempt to find an answer. But it wasn't my original intent. Is it possible that there might be a secret, some elusive grail, to making a relationship work? Are there common truths that span generations? How do people create a life together that lasts, that defies statistics, and keep from becoming boring, or simply somnambulant? People love telling the story of how they met. And everyone loves hearing these tales of early beginnings. That is where the original idea for this book came from. A collection of "how we met" stories. But as I began asking people to share, I realized that I was recording tales that also reflected the times in which they happened. I soon envisioned a collection that spanned the decades of the century, and that mirrored the cultural changes of the times. Starting with the twenties, included here are tales told with the background of immigrants flooding the streets, of economic depression, of war, of the birth of rock and roll, of the turbulence of the sixties, the confusion of the seventies, the increasing security of the eighties, and the technological nineties. Here are fun, silly, romantic, serious, exciting, and loving tales of people I have grown to know. In these pages you will read of couples who met in the excitement of the roaring twenties (New York, 1927), during the depth of the depression (Kansas, 1939), amidst the chaos and ruins of World War II (France, 1948), in the giddy post-war recovery (San Jose, 1954), the tumultuousness of the sixties (Boulder, 1968), the wildness of the seventies (Ann Arbor, 1974). You will read of couples who met in line waiting for a table at a restaurant (1940), on blind dates (1946, 1955, 1992), at a singles group (1975), a summer teen retreat (1977), on a massage table (1980), during a blizzard on a volcano (1982), on the Great Peace March (1986), on an Indian Reservation (1989), and those who met via the personal ads (1986) and cyberspace (1999). During my interviews, I asked all the couples two questions. First, was it love at first sight? Asking this question opened up the conversation and released an innocence, a playfulness, a deep connection, that was a joy to behold. These people have found a way to keep the early magic from fading, to keep a flame alive. I witnessed this flame time and again. As I listened to stories unfold, I became party to an excitement that was, in some cases, over 70 years old. I then asked couples to share any advice or tips they may have learned to staying together, and here is where the lessons of time became evident. I expected th

Only Yesterday Call to Freedom Anything Goes Emmie Talbot is a quintessential good girl. Smart, Southern, Kind Church Goer Small Town Seamstress Aspiring Teacher And A Misguided Moonshiner Emmie's sole purpose in life was taking care of her moonshine loving step-father. When he is killed in a fiery crash on their farm, she is left alone and frustrated with a mountain of debt. Working as a seamstress for a crazy-old-coot shopkeeper is not the kind of life she had imagined for herself. The curious events that surround her step-father's death send Emmie on a quest for answers. Answers that lead to a dangerous secret tucked away on her property. Stumbling on a moonshine still was an unfortunate event for most folks in the hills of Kentucky. She was lucky not to have been shot on the spot. Emmie saw hope in the steam escaping the curved copper pipe of "Ole Maizy." However, a series of mishaps put her front and center in a local moonshine war. In the midst of chaos, Emmie is befriended by an attorney recently transported from Chicago. Silas McDowell is a

man seeking some answers of his own. In an attempt to find a little roaring twenties glamour in the small town, he introduces Emmie to the underground world of Speakeasies and Blind Pigs. Loyalty, lies, and murder conspire to push Silas and Emmie together or rip them apart. Cloaked in secrets and unsure whom to trust, Emmie must decide to drown in darkness or find a way to Shine On.

For the Lost Time Infobase Publishing
New York Times bestselling
psychologist Dr. Meg Jay uses real stories from real lives to provide smart, compassionate, and constructive advice about the crucial (and difficult) years we cannot afford to miss. Our "thirty-is-the-new-twenty" culture tells us the twentysomething years don't matter. Some say they are a second adolescence. Others call them an emerging adulthood. Dr. Meg Jay, a clinical psychologist, argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most defining decade of adulthood. Drawing from almost two decades of work with hundreds of clients and students, *The Defining Decade* weaves the latest science of the twentysomething years with the behind-closed-doors stories from twentysomethings, themselves. The result is a provocative read that provides the tools necessary to make the most of your twenties, and shows us how work, relationships, personality, social networks, identity, and even the brain can change more during this decade than at any other time in adulthood—if we use the time wisely. *The Defining Decade* is a smart, compassionate and constructive book

about the years we cannot afford to miss.

Quarterlife Crisis Mark Twain Media Incorporated Pub

While the midlife crisis has been thoroughly explored by experts, there is another landmine period in our adult development, called the quarterlife crisis, which can be just as devastating. When young adults emerge at graduation from almost two decades of schooling, during which each step to take is clearly marked, they encounter an overwhelming number of choices regarding their careers, finances, homes, and social networks. Confronted by an often shattering whirlwind of new responsibilities, new liberties, and new options, they feel helpless, panicked, indecisive, and apprehensive. *Quarterlife Crisis* is the first book to document this phenomenon and offer insightful advice on smoothly navigating the challenging transition from childhood to adulthood, from school to the world beyond. It includes the personal stories of more than one hundred twentysomethings who describe their struggles to carve out personal identities; to cope with their fears of failure; to face making choices rather than avoiding them; and to balance all the demanding aspects of personal and professional life. From "What do all my doubts mean?" to "How do I know if the decisions I'm making are right?" this book compellingly addresses the hardest questions facing young adults today.

A CENTURY OF LOVE BEYOND BOOKS HUB

Last year I researched, wrote and published a trilogy dealing with each of the 20th century's final three decades. My chief advantages for covering that period: real-life experiences and memories associated with events. That privilege does not apply to the Jazz Age. Even my late father's recollections (he had been

born in 1928) concentrated on the deprivations of the 1930s and the Second World War. My paternal grandfather, who had been in his twenties then and passed away in 1984, was a blue-collar man of few words. He seemed to enjoy listening to sailors' songs. My maternal grandfather, on the other hand, did jot down some recollections at my prompting during the 1980s (he died in 1994). In the 1920s he had been a farmer; he had found the agricultural property in Schopfheim near the Swiss border at his father's behest. Writing in 1984, Grandfather Moser mentioned that 1923 had been the worst year: "We became millionaires and billionaires, but were also the poorest. In the end, the authorities suspended the printing of banknotes; instead, they used a stamp with progressively longer digits. Cities and towns resorted to issuing their own currency." In addition to his recollections, grainy movies and analog recordings have served as reminders of a tumultuous time. The popular television series *Downton Abbey* recalls the period from the perspective of Britain's landed aristocracy and their servants. Most inspiring, however, turned out to be the German-language Netflix series, *Babylon Berlin*. It vividly recreates the deteriorating socioeconomic and political conditions of the Weimar Republic in 1929. The events of 2020 also recalled some of the experiences of a century earlier: a global pandemic, economic shutdowns and political polarization as well as agitation. Even though many volumes have been written about the decade, I concluded that something worthwhile might come out of taking a fresh look from a civil rights perspective detailing behind-the-scenes developments of an era famous for its vitality and gusto. As far as possible I incorporated the latest research and insights. In North America, the decade has frequently been referred to as the "Roaring Twenties" or the "Jazz Age", while Europeans occasionally label it the "Golden Age Twenties," due to the economic boom that lasted until 1929. French speakers call it "Les années folles" (the crazy years), emphasizing the era's social, artistic, and cultural dynamism. The folks eking out a meagre existence under the yoke of colonialism remained less enthusiastic. To them, the period remained part of the subjugation and humiliation that eventually would precipitate a wave of independence movements. One of the most blatant examples: the signs in British Hong Kong's public parks that read: "Dogs and Chinese not allowed." The decade began with much soul searching about what had culminated in the War to End all Wars. Military machinery, set in motion by decaying empires trying to keep progress at bay, had devoured many of Europe's young. Those ordering them to the fields and trenches had escaped punishment by abdicating (such as Kaiser Wilhelm II) or dying (Emperor Franz Joseph of Austria-Hungary and the Ottoman Sultan Mehmed V). The republican governments that took their place often included prominent members from the landed nobles who had commanded army units - even among Lenin's Bolshevik hard core. Hence, renewal of the political class remained slow and delayed. The book consists of four parts and an interlude: headliners, society, the interlude on Canada and recreation, movers and shakers, and seeds of destruction. A concluding section answers the question whether the decade represented "The Good Old Times."

The Roaring Twenties Scrapbook
Vintage

In this amazing and at times ribald story, Laton McCartney tells how Big Oil handpicked Warren G. Harding, an obscure Ohio senator, to serve as our twenty-third president. Harding and his "oil cabinet" made it possible for cronies to secure vast fuel reserves that had been set aside for use by the U.S. Navy. In exchange, the oilmen paid off senior government officials, bribed newspaper publishers, and covered the GOP campaign debt. When news of the scandal finally emerged, the consequences were disastrous. Drawing on contemporary records

newly made available to McCartney, The Teapot Dome Scandal reveals a shocking, revelatory picture of just how far-reaching the affair was, how high the stakes, and how powerful the conspirators—all told in a dazzling narrative style.

The Roaring Twenties - Turning Up the Volume The Open University

1927. The Roaring Twenties. Popular silent film actress Claire Burns needs a stunt flier for her new film and asks her childhood friend, the World War I ace pilot Jesse Kelly, if he would like the job. Jesse wants a change from flying the new airmail routes and on a whim, he flies his biplane to Hollywood. Jesse and Claire last saw each other at his "going away" party the day before he left for France. A lot changed in those ten intervening years. His actions during the war still haunt Jesse's dreams and screen acting no longer answers all of Claire's needs. What was supposed to be a quick two days turns into six weeks and forces a decision that would change their lives forever.

Defending Alice Rowman & Littlefield

A history of roaring prosperity—and economic cataclysm: “The one account of America in the 1920s against which all others must be measured” (The Washington Post). Beginning November 11, 1918, when President Woodrow Wilson declared the end of World War I in a letter to the American public, and continuing through his defeat, Prohibition, the Big Red Scare, the rise of women’s hemlines, and the stock market crash of 1929, *Only Yesterday*, published just two years after the crash, chronicles a decade like no other. Allen, who witnessed firsthand the events he describes, immerses you in the era of flappers, speakeasies, and early radio, making you feel like part of history as it unfolds. This bestselling, enduring account brings to life

towering historical figures including J. Pierpont Morgan, Henry Ford, Sigmund Freud, Albert Einstein, Al Capone, Babe Ruth, and Jack Dempsey. Allen provides insightful, in-depth analyses of President Warren G. Harding’s oil scandal, the growth of the auto industry, the decline of the family farm, and the long bull market of the late twenties. Peppering his narrative with actual stock quotes and breaking financial news, Allen tracks the major economic trends of the decade and explores the underlying causes of the crash. From the trial of Nicola Sacco and Bartolomeo Vanzetti to the inventions, crazes, and revolutions of the day, this timeless work will continue to be savored for generations to come.
