Robert H. Schuller ' s
ministry—including the
architectural wonder of
the Crystal Cathedral and
the polished television

broadcast of Hour of Power—cast a broad shadow over American Christianity. Pastors flocked to Southern California to learn Schuller ' s techniques. The President of United States invited him sit prominently next to the First Lady at the State of the Union Address. Muhammad Ali asked for the pastor ' s autograph. It seemed as if Schuller may have started a second Reformation. And then it all went away. As Schuller ' s ministry

wrestled with internal turmoil and bankruptcy, his emulators—including Rick Warren, Bill Hybels, and Joel Osteen—nurtured megachurches that seemed to sweep away the Crystal Cathedral as a relic of the twentieth century. How did it come to this? Certainly, all churches depend on a mix of constituents, charisma, and capital, yet the size and ambition of large churches like Schuller ' s Crystal Cathedral exert enormous organizational pressures to continue the

flow of people committed to the congregation, to reinforce the spark of charismatic excitement generated by high-profile pastors, and to develop fresh flows of capital funding for maintenance of old projects and launching new initiatives. The constant attention to expand constituencies, boost charisma, and stimulate capital among megachurches produces an especially burdensome strain on their leaders. By orienting an approach to the collapse of the

Crystal Cathedral on these three core elements—constituency, charisma, and capital—The Glass Church demonstrates how congregational fragility is greatly accentuated in larger churches, a notion we label megachurch strain, such that the threat of implosion is significantly accentuated by any failures to properly calibrate the inter-relationship among these elements.

**Dr. Robert Schuller's
Children's Daily Devotional**

Bible Hachette UK
One of the twentieth century's most extraordinary Americans, Pearl Buck was the first person to make China accessible to the West. She recreated the lives of ordinary Chinese people in "The Good Earth," an overnight worldwide bestseller in 1932, later a blockbuster movie. Buck went on to become the first American woman to win the Nobel Prize for Literature. Long before anyone else, she foresaw China's future as a superpower, and she recognized the crucial importance for both countries of China's building a

relationship with the United States. As a teenager she had witnessed the first stirrings of Chinese revolution, and as a young woman she narrowly escaped being killed in the deadly struggle between Chinese Nationalists and the newly formed Communist Party. Pearl grew up in an imperial China unchanged for thousands of years. She was the child of American missionaries, but she spoke Chinese before she learned English, and her friends were the children of Chinese farmers. She took it for granted that she was Chinese herself until she was eight years

old, when the terrorist uprising known as the Boxer Rebellion forced her family to flee for their lives. It was the first of many desperate flights. Flood, famine, drought, bandits, and war formed the background of Pearl's life in China. "Asia was the real, the actual world," she said, "and my own country became the dreamworld." Pearl wrote about the realities of the only world she knew in "The Good Earth. "It was one of the last things she did before being finally forced out of China to settle for the first time in the United States. She was unknown and penniless with a

failed marriage behind her, a disabled child to support, no prospects, and no way of telling that "The Good Earth "would sell tens of millions of copies. It transfixed a whole generation of readers just as Jung Chang's "Wild Swans "would do more than half a century later. No Westerner had ever written anything like this before, and no Chinese had either. Buck was the forerunner of a wave of Chinese Americans from Maxine Hong Kingston to Amy Tan. Until their books began coming out in the last few decades, her novels were unique in that they spoke for

ordinary Asian people--
"translating my parents to me," said Hong Kingston, "and giving me our ancestry and our habitation." As a phenomenally successful writer and civil-rights campaigner, Buck did more than anyone else in her lifetime to change Western perceptions of China. In a world with its eyes trained on China today, she has much to tell us about what lies behind its astonishing reawakening.
Robert Schuller
Testament
This full critical biography of the influential evangelist chronicles Schuller's

rise from Iowa farm beginnings to the popular success of his "Theology of Self-Esteem" and traces his ideological links to Mary Baker Eddy and Norman Vincent Peale
A Possibility Thinker's Guide to a Successful Church Jove Publications

Robert A. Schuller offers ten principles based on Psalm 23 to help break down the barriers to healing and help readers "get through" their difficult times. Whether you're facing divorce, illness, the death of someone you love, a financial setback, or any other seemingly insurmountable

problem, this book can be the answer to your prayers. Schuller's ten principles will take you verse-by-verse through the Twenty-third Psalm, while breaking down barriers to healing, including self-pity, guilt, fear, and the inability to forgive. Above all, *Getting Through What You're Going Through* proves the healing power of faith and prayer. "To get through what you're going through, you must be willing to be carried, and that takes trusting," explains Schuller. "Let go and let God support you, and your faith will lead you out of the valley into the Promised Land."

Happiness According to Jesus

Jove Publications

Discover the path to lasting change Are you stressed out, exhausted, or in a rut? Do you feel troubled by negative emotions and feelings and not in control of your thoughts? In Change Your Thoughts, Change Your World, Bobby Schuller shows you how to get out of the vicious cycle of defeat and start living the victorious life God intended. You can recalibrate your mind and develop positive habits for

permanent change by meditating on twelve key thoughts, among them: God wants me to succeed. I can break through overthinking by taking action now. My body is a gift, even though it ' s imperfect. Every loss and challenge can be a doorway to a better version of me. I can relax and let go. In clear, specific steps, Schuller shows us how to train our minds through spiritual disciplines and prayer. By learning to focus on whatever is true, noble, right, pure, lovely, admirable, excellent, or praiseworthy (Phil 4:8), we can change not only

our own lives but also impact the world.

The Be Happy Attitudes
Thomas Nelson

Robert Schuller, the Inside

Story Thomas Nelson

You're not what you do.

You're not what you have. You are not what others say about you. You are God's beloved.

Are you ever concerned that you don't deserve to love and be loved because you are continually having to prove yourself? In You Are Beloved, Bobby Schuller shows you how to let go of these fears and put your trust in the One who sees you for who you really are.

Here is an easy to follow, proven path to personal dignity for all those who think they are not good enough no matter how much they achieve. This

path is illuminated by the truths that it is not about what you accomplish, but what has already been accomplished for you; not about what you have, but what has already been provided; and not about who others say you are, but who God says you are. Know that you are valued, cared for, and embraced. *You Are Beloved* will help you rebuild your life as a response to that assurance. *Tough-Minded Faith for Tender-Hearted People* Orient Paperbacks
The senior pastor and founder of the Crystal Cathedral explains how to create a positive self-image, develop powers of self-

actualization, and maintain faith in times of trouble
Tough Times Never Last, But Tough People Do!
Bantam
The television preacher shows readers how to turn disappointments into stepping-stones to success, unlock the healing powers of prayer, and restore a positive outlook on life. Reprint.
Robert Schuller's Life Changers Regal Books
This is Robert Schuller like you've never heard before. Though it echoes the extraordinary insightfulness

and encouragement you have come to count on from Dr. Schuller, never before has he written a book so personal, so moving. This book is about adversity, tragedy, despair. But it's also about hope, joy, and eternal victory in Jesus. For the first time, he discusses many of the difficult events of his life. He provides positive examples to show readers how he got through them and how they can emerge victoriously also. *The Peak to Peek Principle*
New York : HarperCollins

inspirational television broadcasts in America, reaching millions each week, Bobby Schuller is a new generation communicator who speaks with enormous depth from family and personal trials about what is vital - what really matters in this life. Bobby has 300,000 active email subscribers to his national TV show, The Hour of Power.

Turning Hurts Into Halos

Arrowood Press

Latino Protestantism is growing rapidly in the United States. Researchers

estimate that by 2030 half of all Latinos in America will be Protestant. This remarkable growth is not just about numbers. The rise of Latino Protestants will impact the changing nature of American politics, economics, and religion. Latino Protestants in America takes readers inside the numbers to highlight the many reasons Latino Protestants are growing as well as the diversity of this group. The book brings together the best existing scholarship on this group with original research to offer

a nuanced picture of Latino Protestants in America, from worship practices to political engagement. The narrative helps readers move beyond misconceptions about Latino religion and offers a window into the diverse ways that religion plays out in real life. Latino Protestants in America is an essential resource for anyone interested in the beliefs and practices of this group, as well as the implications for its growth and areas for further study.
