Even the least sensible woman knew, upon meeting his gaze, that here was a man who was more than he might at first appear, who might steal the heart of even the most resistant woman. But oh, what a lovely theft! Adventurer Nathaniel Harrington would never steal another man's discovery. And he'd never be so dishonorable as to tempt an untouched woman into his bed . . . even one as stunningly beautiful as Gabriella Montini. Yet she intrigues him. What is her secret? Nate would do anything to find out. Nathaniel is an earl's son—but Gabriella knows he's not to be trusted! He's more than just a mere thief of hearts, he's also stolen

her brother's good name.

Determined to restore his reputation, she'd even masquerade as a destitute orphan and be taken into his family's home. But how can she continue her ruse when she finds herself succumbing to Nathaniel's passionate charms?

Brian and his friends are not part of the cool crowd. They ' re the misfits and the troublemakers—the ones who jump their high school ' s fence to skip class regularly. So when a deadly virus breaks out, they ' re the only ones with a chance of surviving. The virus turns Brian ' s classmates and teachers into bloodthirsty attackers who don ' t die easily. The whole school goes on lockdown, but Brian and his best friend, Chad, are safe (and stuck) in the theater department—far from Brian ' s sister, Kenzie, and his ex-girlfriend with a panic attack problem, Laura. Brian and Chad, along with some of the theater kids Brian had never given the time of day before, decide to find the girls and bring them to the safety of the theater. But it won ' t be easy, and it will test everything they thought they knew about themselves and

their classmates.
