### Remarkable Music Machines and Their Stories Springer Nature

In 1938 the US Chief of Infantry requested that the Ordnance Department develop a carbine to be used by service and support troops,

artillerymen, machine-gun crews, tankers, mortar crews and other troops not needing the power of the M1 Garand rifle. The development of this new weapon was given an added impetus by Germany's successful use of airborne and glider troops early on in World War II. This caused a fear amongst US officers that troops normally considered 'behind the lines' personnel might have to fight elite German troops and would therefore require a more effective weapon than their standard pistols. The resulting M1 Carbine was a not a shortened version of the standard service rifle but instead a brand-new design chambering a new cartridge. Eventually numerous manufacturers would combine to produce over six million M1 Carbines before the end of the war. This book charts the complete story of the weapon, from its design, to its operational

history and its impact upon warfare.

Memories of World War II British Air Cadets  
Amr Publishing Company

In 1971, a skyjacker with a briefcase bomb demanded a \$200,000 ransom and a parachute. Then he vanished out the jet's back door and became an instant legend.

Now a determined citizen sleuth has assembled a forty-member cold case team, spearheaded by former FBI agents, to solve the mystery of D. B. Cooper. And after a five-year quest, they believe they have succeeded--with a fugitive at trail's end. The team's relentless investigation and final confrontation with the mystery man serve as the bookends in *The Last Master Outlaw*.

The subject's astonishing life story as a daredevil fills the remaining chapters, the bulk of which comes from the heartwarming, gut-wrenching accounts of six of his women--two former wives; his only sister; a

befriended college coed; a "getaway gal" he met up with during two more FBI escapes, both again involving planes; and a Hollywood producer who was also his cocaine-trade partner. Buckle your seatbelts as this Jekyll-and-Hyde ladies' man travels through five countries, utilizing more than a dozen identities, wigs, and fake mustaches while engaging in a half-dozen careers and raising three families. Then be a witness as the cornered chameleon is forced to face the truth in front of the cameras of a dogged cold case team, which was armed and ready for any eventuality.

The hard-to-find information, sources, and addresses that collectors need for repairing, caring for, and finding buyers for antiques and collectibles are all in this book. To gather the information for this book, Ralph and Terry Kovel contacted more than 3,000 suppliers, clubs, auctions, services, and other industry sources around the country, making this the most up-to-date and complete reference of its kind.

Billboard Franklin, Beedle & Associates, Inc.  
Peggy Rowe is at it again—this time giving a hilarious inside look at growing up Rowe, both before and

after Mike 's rise to fame. Since the day they said, " I do," Peggy 's previous " doting " lifestyle met with her husband John 's minimalist ways and became the backdrop for years of adventure and a quirky sense of humor because of their differences. From thoughts of wearing headlamps in the house to save energy, to squeezing out the last drop of toothpaste with a workbench vise, Peggy learned to pick her battles and celebrate the hilarity in each situation. Once their boys were born, woodstove mishaps and garbage dumping tales were the seed for Mike 's obsession with doing dirty jobs and the comical presence he is known for today. As Mike rose to fame, Peggy was his biggest fan—who gave motherly advice and constructive criticism, of course. She baked cookies for Mike to take to Joan Rivers for a Christmas party hostess gift, and even wrote fan letters under faux names and mailed them from different cities to Mike 's producer. By the time Mike hits it big, Peggy and John retire to face more adventures, with a lightning strike in their condo, an elderly friend who ate marijuana leaves, and entering into celebrity status by making Viva paper towel and Lee jeans commercials, plus so much more. Peggy 's stories relive the details that intrigue and entertain old and new fans alike. So if you want a bigger, even funnier take on the Rowe family, *About Your Father and Other Celebrities I Have Known* delivers.

They fondly remember the times when they buzzed over the homes of their Florida "families" to let them know to expect them for Sunday dinner. More than fifty years later, their stories still resonate with universal emotions: fear of failure, love of country, camaraderie, romantic love, and the pain of tragic deaths. Their stories also remind the American reader of a unique time in our history, when, poised on the brink of war, the United States reached out to help a country in distress."--BOOK JACKET.

Ruminations and Revelations from a Desperate Mother to Her Dirty Son Harvard University Press

This book provides an in-depth analysis of the unique structure of the Nigerian popular music industry. It explores the dissonance between copyright 's thematic support for creative autonomy and the practical ways in which the law allows singer-songwriters ' (performing authors') creative autonomy to be subverted in their contractual relationships with record labels. The book establishes the concept of creative autonomy for performing authors as a key criterion for sustainable economic development, and makes innovative legal and policy recommendations to help stakeholders preserve it.
