## Mogul Simon and Schuster

Savannah has been groomed since birth to take the reins of her father's manufacturing empire. Her emotional armor is as tough as the steel used in her factories, and no man is allowed past it. Business partner Matt Kensington realizes that the key to entry is not to ask permission, but to command her submission. Calling on the unique sensual talents of his four-man management team, he engineers an aggressive takeover, determined to rescue the woman he's always loved from the steel cage she's manufactured around her heart. Publishers Note: Originally published as part of the "Behind the Mask" Anthology by Ellora's Cave Publishing, Inc.

Abel Gunner, the lead singer of the band Lethal Abel, is what beautiful nightmares are made of. His gritty, melodic rasp threatens to rip your heart out of your chest and leave you gasping for the very breath he robbed you of. His kisses, detonating on impact, leave you ruined. Abel is also a Dom, and his appetite for seduction is legendary and intense. After a chance encounter with Gia, his need to dominate this woman increases tenfold. He wants to consume her, merge with her, and never leave her body. Abel's emerald eyes touch the deepest part of Gia's soul in a way that terrifies her. She fears he can see her secret. Lies, guilt, and betrayal lay beneath her skin, and she's terrified of being exposed.

---

How will Gia ever begin to explain? She doesn't believe she's worthy of him, and her greatest fear is that her carefully guarded heart will be shattered. However, she finds herself unable to deny this rogue tattooed rocker whose kisses just might ruin her.

#1 NEW YORK TIMES BESTSELLER •  
For the first time, rock music's most famous muse tells her incredible story "A charming, lively and seductive book . . . The appeal of Wonderful Tonight is as self-evident as the seemingly simple but brash opening chord of 'A Hard Day's Night.'"—The New

York Times Book Review Pattie Boyd, former wife of both George Harrison and Eric Clapton, finally breaks a forty-year silence and tells the story of how she found herself bound to two of the most addictive, promiscuous musical geniuses of the twentieth century and became the most legendary muse in the history of rock and roll. The woman who inspired Harrison's song "Something" and Clapton's anthem "Layla," Pattie Boyd has written a book that is rich and raw, funny and heartbreaking—and totally honest.

From the bestselling author of *The Psychopath Test* comes a characteristically humorous story of a musician on the margins. In *Frank: The True Story that Inspired the Movie*, Jon Ronson reflects on his days playing keyboard for the Frank Sidebottom Oh

---

Blimey Big Band. Frank Sidebottom, best known for performing with a big fake head with a cartoon face painted on it, was a cult favorite in the United Kingdom and is the subject of the new movie *Frank*, co-written by Ronson and starring Michael Fassbender, Maggie Gyllenhaal, and Domhnall Gleeson.

### Thesaurus of American Slang Gina Whitney

Into any girl's life a star could fall, but there's a thin line between love and obsession. Andy Foster never expected lightning to strike when she met the enigmatic frontman of an up-and-coming rock band, but Giovanni Carnevale left her thunderstruck. At first it is easy to use her freelance writing career as an excuse to indulge the steamy flirtation from city to city. As she gets ever closer to making her lascivious fantasies a reality, however, she finds herself entangled in the fake and sometimes dangerous world of celebrity where nothing is as it seems, including the

celebrities themselves. She hangs on to find something real amidst the illusion, while Giovanni balances what he wants against what he fears most. Over three years they come together and blow apart with the same kind of combustible passion. This keeps them orbiting in the others' stratosphere despite new relationships and bitter betrayals. They are bound together by something they can't fight, something that draws the ire of another fan determined to claim Vanni all to herself. Unknowingly they all race toward a dramatic moment of truth that will leave two people injured, and one dead, with a twist of an ending you may never see coming. Author of *LOVE PLUS ONE* and *MY IMMORTAL*, Ginger Voight once again brings Rubenesque romance to life through a curvy heroine and the sexy rock god who wants her. It is the ultimate fantasy for anyone who has ever indulged a

---

celebrity crush, and wondered "what if" you ever got that one chance to be with your idol. More than a romance, GROUPIE is a sizzling contemporary read that throws back the curtain on the lives of celebrities and the fans who love them.

In the final book of Ginger Voight's Groupie Trilogy, Andy and Vanni have returned to Los Angeles to prepare for the birth of their child. A reformed Ladies' Man, Giovanni Carnevale now embarks on a life of monogamy with the woman he loves, but the ghosts of his past still continue to haunt their newfound happiness. The Wilke family wants to see him pay for the damage he has done to their precious Baylee, who still lies in a

vegetative state. For her brother, Donny, money will never be enough to make up for what Vanni has done, but that is where the Wilke family first seeks their revenge, demanding millions of dollars in restitution. To ensure he has enough money to make up for his mistakes as well as provide for his baby, Vanni takes on the job as judge for a new reality talent show called "Fierce," where he champions an unlikely contestant, proving him to be a man of substance more than anyone could have imagined. Graham tries to move on, but when he discovers that Andy is pregnant he cannot stop dreaming of what might have been. Maggie watches on helplessly, as hopelessly in love with him as he is with someone else. She considers moving on before he shatters what is left of her heart. The

---

biggest threat to Vanni and Andy's Happily Ever After is Holly Neal, who returns to Los Angeles claiming to carry Vanni's baby.

Graham and Andy suspect she is up to her old tricks, but Vanni knows truly turning over a new leaf means he has to do right by all the people he has wronged - including a child he may have conceived with another woman. In the end, it is Andy and their baby who may pay the biggest price of all for his sins, when Baylee's death sends her psychotic brother over the edge. Everything blows literally to pieces, forcing Vanni - and Graham - to give it all for the sake of love.

I'm With the Band: Confessions of a Groupie Simon and Schuster

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource

for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Frank Createspace Independent Pub  
Carmine Appice has enjoyed a jaw-dropping rock-and-roll life—and now he is telling his scarcely believable story. Appice ran with teenage gangs in Brooklyn before becoming a global rock star in the Summer of Love, managed by the Mob. He hung with Hendrix, unwittingly paid for an unknown Led Zeppelin to support him on tour, taught John Bonham to play drums (and helped Fred Astaire too), and took part in Zeppelin's infamous deflowering of a groupie with a mud

---

shark. After enrolling in Rod Stewart's infamous Sex Police, he hung out with Kojak, accidentally shared a house with Prince, was blood brothers with Ozzy Osbourne and was fired by Sharon. He formed an all-blond hair-metal band, jammed with John McEnroe and Steven Seagal, got married five times, slept with 4,500 groupies—and, along the way, became a rock legend by single-handedly reinventing hard rock and heavy metal drumming. His memoir, *Stick It!*, is one of the most extraordinary and outrageous rock-and-roll books of the early twenty-first century.

New York CreateSpace

The best-selling autobiography of America's most controversial celebrity icon, Marilyn Manson (with a bonus chapter not in the hardcover). In his twenty-nine years, rock idol Manson has experienced more than most people have (or would want to) in a

lifetime. Now, in his shocking and candid memoir, he takes readers from backstage to gaol cells, from recording studios to emergency rooms, from the pit of despair to the top of the charts, and recounts his metamorphosis from a frightened Christian schoolboy into the most feared and revered music superstar in the country. Illustrated with dozens of exclusive photographs and featuring a behind-the-scenes account of his headline-grabbing *Dead to the World* tour.

The Long Hard Road Out of Hell Createspace Independent Publishing Platform

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

Unstoppable Chicago Review Press

Dubbed the 'man in black', it's time to look beyond the myth and the rumours of this

---

most charismatic but misunderstood of rock Guitarists. Ritchie Blackmore's early days saw him mixing with colourful characters like Screaming Lord Sutch, Joe Meek and Jerry Lee Lewis. Then he became a defining member of Seventies legends Deep Purple, creating the rock anthems 'Black Night' and 'Smoke On The Water'. Over the years Blackmore's moodiness and eccentric behaviour, his three marriages and his clashes with the law have earned him a reputation as one of rock's most abrasive figures. Yet there are many unexpected sides to this complex man. *Black Knight* has been written and researched by Jerry Bloom, a fan who first met Ritchie more than twenty years ago and has followed his varied career ever since. The result is a biography rich in detail and full of

surprising insights.

*Black Knight: Ritchie Blackmore* Penguin UK  
Introducing a new voice in vegetarian cooking. Packed with 1,000 recipes that are seductive, sexy, and utterly delicious, *Passionate Vegetarian* covers all the bases of meatless cooking, from east (Stir Fry of Asparagus with Black Bean-Ginger Sauce), west (Talk of the Town Barbecued Tofu), from the Mediterranean (Swiss Chard with Raisins, Onions & Olives) to the American South (Black-Eyed Pea Ragout). You'll find lush lasagnas; plump pierogies; bountiful burgers, beans, and breads; pleasing pasta and pies. You'll spoon up soups and stews, and delight in desserts from simple to swoonworthy. Written by longtime vegetarian Crescent Dragonwagon, author of *Dairy*

---

Hollow House Soup & Bread Cookbook, Passionate Vegetarian employs innovative methods (try "Ri-sort-ofs," in which risotto technique is used to create splendid, richly flavored grain dishes built around not just rice but also barley, buckwheat, spelt, and even toasted oats with an array of seasonings) and introduces lesser-known ingredients (get to know and love not just tofu and tempeh but a whole new generation of soyfoods, as well as "Quick Fixes" like instant bean flakes).

Opinionated, passionate, and deeply personal, Ms. Dragonwagon's tantalizing headnotes will have readers rushing to the kitchen to start cooking. (Can her over-the-top Garlic Spaghetti really be that good? It is.) Whether you're a committed vegetarian, a dedicated vegan (most recipes offer low-fat and vegan

options), or a food-loving omnivore in search of something new and wonderful, this is not just vegetarian cooking--but cooking, period--at its most creative, inspiring, and exuberant.

Macmillan

The first significant fresh reporting on the legendary band in twenty years, built on interviews with all surviving band members and revealing a never-before-seen side of the genius and debauchery that defined their heyday. Veteran rock journalist Mick Wall unflinchingly tells the story of the band that pushed the envelope on both creativity and excess, even by rock 'n' roll standards. Led Zeppelin was the last great band of the 1960s and the first great band of the 1970s—and When Giants Walked the Earth is the full, enthralling story of Zep from the inside, written by a former confidante of both Jimmy Page and Robert Plant. Rich and revealing, it bores into not only the disaster, addiction and death that haunted

---

the band but also into the real relationship between Page and Plant, including how it was influenced by Page's interest in the occult. Comprehensive and yet intimately detailed, *When Giants Walked the Earth* literally gets into the principals' heads to bring to life both an unforgettable band and an unrepeatably slice of rock history.
