Rock My World Simon and Schuster For the last four years, good girl Lane has regretted breaking up with Noel Falcon. She thought she was sensible when she told him his dreams of being a rock star would get him nowhere, but now that he's a rock god and her career is stagnant, she realizes just how wrong she was.

When Noel hires the marketing company where Lane is an intern, she 's forced to see him again. If she wants to land her dream job as executive within the company, she has to win him over and secure his account. Too bad Noel is still pissed at her for breaking his heart. When Lane 's company flies her to a Black Falcon concert to gain Noel 's attention, emotions run high the moment she sees him and realizes she 's far from over him. But Noel 's countless trysts with groupies and his cocky attitude make Lane believe he isn 't the same guy she once

loved—now he seems to only want her body. Then after Lane discloses she needs him to procure a job, Noel proves he 's a changed man by forcing her to go on the road with him in order to get it. After Lane reluctantly takes Noel up on his offer, she becomes willing to do whatever it takes to keep him satisfied, even if it means succumbing to his seductive ways. Lane soon finds deception is a dangerous game and she 's not the only one playing.

best-selling Black Falcon series* After Aubrey Jensen is wrongly dismissed from her job at Center Stage Marketing, she seeks legal advice from her father, The Judge, to see what grounds she has to get her position reinstated. Her surprise visit to her family doesn't go as smoothly as she hopes when she brings home her new boyfriend, Zach, Black Falcon's lead guitarist. She soon discovers that father doesn't always know best when it comes to matters of the

heart. When Zach meets Aubrey's family, he's immediately faced with his deepest fear: The love he so desperately wants, he doesn't deserve. The Judge makes no attempt to hide his disdain for Zach, and will stop at nothing to keep him away from his daughter. But an unexpected twist turns everyone's plans upside down and no one's world will ever be the same. Outside forces attempting to pull them apart are strong and it's going to take every bit of Zach and Aubrey's love for

one another to withstand the fall-out. Soon, they discover making love last is harder than finding it to begin with and sometimes you pay the ultimate price for true love.

Note from author: This 28,000 word novella follows Riff and Aubrey's story from ROCK MY BED.

And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing
