Gabriel Carter is the biggest, cockiest asshole I've ever met. He's six-foot-three inches of ex-baseball player--sexy muscles and smoldering looks that turn my body into a traitorous mess. Did I mention he's also the reason business at my family's hotel is quickly going down the drain? I shouldn't want him, but try explaining that to my body. Especially after he proposes a business deal to me that will be mutually rewarding--both financially and sexually. Sleep with the enemy? Nah, I'll just marry the bastard instead.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on

a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

Wicked Reunion Rock the Heart

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming

back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen

few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Rebellious and Reckless Michael Grant Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true

identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian

cliches that minimize a womans true position in Christ!
