From the Early Middle Ages to the Twenty-First Century Graphic Arts Books

A rogue knight vows to avenge the Welsh people and reclaim his birthright by seizing the lord of Rosecliffe’s castle—and his beautiful daughter When she refuses to accompany her family to London for the new king’s coronation—and to accept an unwelcome offer of marriage—Isolde FitzHugh knows she’s merely putting off the inevitable. But for now the eldest daughter of a Welsh patriot and an English nobleman revels in her temporary freedom. In the village, she spies a bearded, dark-haired stranger and feels an unexpected surge of desire. But the man who seduces her in the dead of night is no wandering minstrel. He is her family’s most treacherous foe. Banished from his homeland and forced to learn the hated English ways, Rhys ap Owain has waited twenty years to set foot on Welsh soil again. Taking the innocence of his enemy’s daughter will strike a mortal blow to the traitorous FitzHughs and be the first step toward avenging his murdered father. Isolde will be the instrument of his retribution, his hostage in the kingdom that was stolen from his people—but he never dreams that she will awaken within him a love more powerful than hate. The Mistress of Rosecliffe is the 3rd book in the Rosecliffe Trilogy, but you may enjoy reading the series in any order.

Rocking the Boat Lulu.com

A mythology collection of eighty Welsh Legends and Myths, gathered from across Wales. The Welsh, like other Celtic races, love a good story. From the time of the Mabinogion and the Black Book of Carmarthen welsh folk have passed dark winter nights in front of roaring fires and entertained with mythical stories. Welsh Legends and Myths is a compendium of traditional myths, Welsh fables, Welsh fairy tales and real stories. Like other Celtic Mythology many of the myths and legends told here are based on factual events. While some have mythical roots, all are entertaining.

Around the World in Seventy-Two Days Rowman & Littlefield

With voices including female Chartists, patriotic defenders of Wales, feminists working for women's equality within religious and educational institutions, early socialists and temperance campaigners, The Very Salt of Life introduces a diverse range of texts covering a century of Welsh women's political writings. Incorporating material in Welsh and English from a wide range of sources, the work displays the deep engagment of women in all aspects of the public life of the nation.

The National Geographic Magazine Routledge

"The writer of this book lived for many years in the Welsh Colony, Patagonia, where he was the pioneer of the Anglican Church. He published a book dealing with that part of the

world, which also contained a great deal of interesting matter regarding the little known Patagonian Indians, Ideas on Religion and Customs, etc. He returned to Wales in 1891; and after spending a few years in his native land, went out to a wild part of Western Australia, and was the pioneer Christian worker in a district called Colliefields, where he also built a church." -Preface

Chapters in Welsh Women's History, 1830-1939 Arcadia Publishing

The reign of Elizabeth I will always be remembered for the Armada. But it was the Irish, not the Spanish, who came closest to destroying the security of the Elizabethan state. Between 1560 and 1602, only superior military force -- allied with ruthless subjugation -- preserved England's throne against a succession of rebellions and uprisings throughout Ireland. This classic work by renowned military historian Cyril Falls is the crucial account of the half century that changed the course of Anglo-Irish history. The Elizabethan wars in Ireland involved the collision of two civilizations. Falls's critical work gives a vital perspective to the broad sweep of Anglo-Irish relations.

Folk-Lore of West and Mid-Wales Oxford University Press

In making this narrative, the authors have carried out extensive interviews with key figures in Welsh political life and have drawn on a wide range of published and unpublished materials on the making of the Welsh Assembly. Redesigning Democracy weaves together two important political stories, the long and often derisive campaign for a Welsh Assembly, and the previously untold story of the devolution battle inside the Labour Party, from the 1997 referendum through to the fall of Alum Michael. The book is also about twenty-first century British politics, as seen through the prism of Wales, showing the value of viewing the whole from the periphery. In the new era of democratic devolution, the UK needs to step beyond the metropolitan provincialism which infects Westminster's world view.

Strike for a Kingdom University of Wales Press

After the American Revolution, countless pioneers floated into the western frontier on the currents of the Ohio River. Inevitably, their journey brought them past Cave-in-Rock, where the region's outlaws waited in perfect and perpetual ambush. For almost half a century, notorious rogues such as the Alstons, the Harpes, the Sturdivants, Samuel Mason, James Ford, John Crenshaw, Logan Belt and Duff the Counterfeiter all operated out of the cave's dark interior. Todd Carr follows the folklore of the horse thieves, pirates and highwaymen clinging to the shadows of the legendary river bluff.

Wrecks on Welsh Beaches Conran Octopus

Mackinnon recounts his own fascinating journey from north Wales to the Black Sea in a small Mirror dinghy. A

marvelous madcap adventure, told with verve and humor by the indefatigable 'captain.'

The Cambridge Companion to Modern British Women Playwrights Routledge

This book argues for a new Welsh Way, one that is truly radical and transformational. A call for a political engagement that will create real opportunity for change. Neoliberalism has firmly taken hold in Wales. The 'clear red water' is darkening. The wounds of poverty, inequality, and disengagement, far from being healed, have worsened. Child poverty has reached epidemic levels: the worst in the UK. Educational attainment remains stubbornly low, particularly in deprived communities. Prison population rates are among the highest in Europe. Unemployment remains stubbornly high. House prices are rising, with the private rented sector lining the pockets of an ever-increasing number of private landlords. Minority groups are consistently marginalised. All this is not to mention the devastatingly disproportionate impact of the coronavirus pandemic on working class communities. The Welsh Way interrogates neoliberalism's grasp on Welsh life. It challenges the lazy claims about the 'successes' of devolution, fabricated by Welsh politicians and regurgitated within a tepid, attenuated public sphere. These wide-ranging essays examine the manifold ways in which neoliberalism now permeates all areas of Welsh culture, politics and society. They also look to a wider world, to the global trends and tendencies that have given shape to Welsh life today. Together, they encourage us to imagine, and demand, another Welsh future.

The Mistress of Rosecliffe University of Pittsburgh Press
She's So Fine explores the music, reception and cultural significance of 1960s girl singers and girl groups in the US and the UK. Using approaches from the fields of musicology, women's studies, film and media studies, and cultural studies, this volume is the first interdisciplinary work to link close musical readings with rigorous cultural analysis in the treatment of artists such as Martha and the Vandellas, The Crystals, The Blossoms, Brenda Lee, Dusty Springfield, Lulu, Tina Turner, and Marianne Faithfull. Currently available studies of 1960s girl groups/girl singers fall into one of three categories: industry-generated accounts of the music's production and sales, sociological commentaries, or omnibus chronologies/discographies. She's So Fine, by contrast, focuses on clearly defined themes via case studies of selected artists. Within this analytical rather than historically comprehensive framework, this book presents new research and original observations on the 60s girl group/girl singer phenomenon.

Welsh Women Who Championed Equality 1840-1990 Cambridge University Press

This is the first book to tell the story of one of the most contentious figures in Victorian and Edwardian politics: that of the independent-minded and exceptionally able Conservative politician, Sir John Eldon Gorst.

Women in Britain Seren Books/Poetry Wales Press Ltd

At Low Tide, especially after winter storms, historic shipwrecks are to be seen on many UK beaches. All can be visited on foot, most seen without getting your feet wet. This book describes the stories and details of some 35 that can be seen around the Welsh coast. Two of them have not been positively identified, but the author, using his expertise as a wreck detective

has suggested a name for the shipwreck. All these shipwrecks are part of our cultural heritage. Please respect them as historical monuments to our bygone maritime heritage. They are like museum pieces that can be visited freely for us to ponder and learn from. Some of these wrecks have lain in the sand for more than 200 years and if respected now, should still be there in another 200 years.

She's So Fine: Reflections on Whiteness, Femininity, Adolescence and Class in 1960s Music Parthian Books

Writing Welsh History is the first book to explore how the history of Wales and the Welsh has been written over the past fifteen hundred years. By analysing and contextualizing a wide range of historical writing, from Gildas in the sixth century to recent global approaches, it opens new perspectives both on the history of Wales and on understandings of Wales and the Welsh - and thus on the use of the past to articulate national and other identities. The study's broad chronological scope serves to highlight important continuities in interpretations of Welsh history. One enduring preoccupation is Wales's place in Britain. Down to the twentieth century it was widely held that the Welsh were an ancient people descended from the original inhabitants of Britain whose history in its fullest sense ended with Edward I's conquest of Wales in 1282-4, their history thereafter being regarded as an attenuated appendix. However, Huw Pryce shows that such master narratives, based on medieval sources and focused primarily on the period down to 1282, were part of a much larger and more varied historiographical landscape. Over the past century the thematic and chronological range of Welsh history writing has expanded significantly, notably in the unprecedented attention given to the modern period, reflecting broader trends in an increasingly internationalized historical profession as well as the influence of social, economic, and political developments in Wales and elsewhere.

A Little Gay History of Wales Modern Wales

This Companion, first published in 2000, addresses the work of women playwrights in Britain throughout the twentieth century.

Masculinity, Genre and Social Context in Six South Wales Novels Routledge

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Welsh Way G K Hall

After going to live in the country Jilly Cooper wrote regularly for the Mail on Sunday for several years and this is a selection of her best pieces written at that time. The topics she covers in her inimitable style range from the hunt balls and Henley to love and sex

in the ages of AIDS. She interviews Margaret Thatcher, Neil Kinnock, Lord Hailsham, the cast of Eastenders and the proprietress of a famous brothel in the Nevada desert and writes about her fellow human beings and their foibles provocatively, affectionately and sometimes outrageously. Her portraits of family life in the Cooper household remain the most ruthless and hilarious of all.

Contemporary Irish and Welsh Women's Fiction Lulu.com

This title is a comparative story of fiction by the late 20th and 21st century women writers from Ireland, Northern Ireland and Wales.

Writing Welsh History Prabhat Prakashan

The millennium has sharpened perspectives on the history of women in twentieth-century Britain. Many features of the contemporary gender order date only from the last decades of the century – the expectation of equal opportunities in education and the work-place, sexual autonomy for the individual and tolerance of a variety of family forms. The years dominated by the two World Wars saw real advances towards equal citizenship and legal rights, and a growing sense of the impact on women of 'modernity' in its various forms, including consumerism and the mass media. But values inherited from the Victorians were still reflected in the class hierarchy, the policing of sexuality and the male-breadwinner family. This anthology of original sources, accompanied by a state-of-the-art bibliography, illustrates patterns of continuity and change in women's experience and their place in national life. An introductory survey provides an accessible overview and analysis of controversial issues, such as the relationship between 'first', 'second' and 'third' wave feminism.

Research Across the Disciplines, 1980-1984 Random House

Since making his national debut in 1998, Stephen Jones has emerged from the shadows of the true greats of Welsh rugby, such as Barry John, Phil Bennett, Jonathan Davies and Neil Jenkins, to make the fly-half position his own. In this revealing autobiography, he provides a rare insight into the demands and pressures of wearing the almost mythical number 10 jersey that has such a pre-eminent status in the Welsh psyche. As well as playing an integral role in Wales's two Grand Slam victories, Jones has appeared in three Rugby World Cups and was part of the 2005 British and Irish Lions squad. He has witnessed at first hand how the Welsh rugby establishment has struggled with the transition to professionalism, and in this candid memoir he recounts the many highs he has experienced, as well as the challenges he has faced, throughout his career so far. Jones gives an intriguing account of how he became one of the few Welsh players to play in France, recalling the brutality of the game there and how he became a cult figure amongst fans of Clermont Auvergne, where he was twice voted fly-half of the season. In Stephen Jones - A Thinking Man's Game: My Story, the Welsh rugby star reveals how his steely resolve, utter determination and sheer passion for rugby have allowed him to bounce back from numerous setbacks to become one of the most popular and respected figures in the game today.

Relating to Wales and the Border Counties University of Wales Press

In a land plagued by bitterness and uncertainty, Fiere of the Black Blade, the daughter of a sea nymph, goes on a journey to find a place where she can belong. But on the way, she becomes entangled in the stories of other heroes: Danon, the inexperienced prince who must find a wife who will continue the royal line; Akitta, the vain nymph who is cursed that no man may ever touch her; Brunengang, the beardless dwarf who betrays his own people; Laduin, the child from another world who wants to find his way home; and Shaava, the reluctant druid who must fulfill a prophecy from an unknown God, whether she likes it or not...a prophecy which sends them to the end of the world and back to either save the mythical world of Faerphilly, or destroy it.
