Questions for Rebel Girls sparks lively discussions with more than 500 kid-friendly questions inspired by real rebel women from the best-selling Good Night Stories for Rebel Girls series. Jane Goodall devoted her life to studying chimpanzees. If you dedicated your life to one type of animal, what would it be? When cyclist Alfonsina Strada began racing, she was so unstoppable that newspapers nicknamed her “the devil in a dress.” What would your cycling nickname be? Celia Cruz is the Queen of Salsa music. Beyoncé is a pop superstar. Roxanne Shante is an amazing rapper. And Joan Jett is all about rock and roll. If you could be a singing sensation, what type of music would you sing? If you could perform a duet with anyone in the world, who would you pick? If you could meet

any woman from any country and any time in history, who would it be? What would you ask her? Would you rather ask questions or answer them? Luckily, with Questions for Rebel Girls, you can do both! Girls love to explore their feelings, uncover their personality, and decode the world around them. One way to do that is to explore their answers to provocative questions about anything and everything. Questions for Rebel Girls introduces readers to extraordinary women throughout history and asks them to imagine themselves in similar scenarios. Designed to ignite exciting discussions between little rebels and their siblings, friends, and grown-ups, Questions for Rebel Girls is packed with more than 500 entertaining and thought-provoking questions—including some questions submitted by young fans of Good Night Stories for Rebel Girls.

A STAND ALONE story in the bestselling SIX PACK RANCH series by New York Times Bestselling Author Vivian Arend? ----- Nothing comes easy. You've gotta work for it. Matt Coleman always figured at this point in his life, he'd be settled down with a family. Since his ex split for the big city, though, no way will he give anyone else the chance to drop-kick his heart. Physical pleasure? Hell, yeah, he'll take—and give—with gusto, but nothing more. Hope Meridan is working long hours to hold on to her new quilt shop,

going it alone since her sister/business partner ran off. Sex? Right, like she's got the time. Not that she doesn't have the occasional dirty fantasy about Matt. Fat chance he'd dream of knocking boots with her—the younger sister of the woman who dumped him. Nope, she'll just have to settle for friendship. Friends would be far easier if there wasn't something combustible going on between them. And when casual interest starts to grow into something more, their tenuous bond strengthens in the heat of desire. But it may not survive the hurricane-force arrival of the last person either of them ever wanted to see again... Warning: Small-town rivals, men in pursuit and family meddling—in good and bad ways. Krakauer ' s page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-

do family hitchhiked to Alaska and walked alone into wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naïveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.
