Does anyone know the pinout of the composite video/audio plug on the Roku 2 XS? I've got tons of cables around here and hate to buy something I already have laying around or that I could modify. I also don't want to just start plugging them in and trying them because I'm worried I could hurt the unit. Roku 2 Xs User Guide - aurorawinterfestival.com I'm have slight buyer's remorse over my Roku 2 XS, so I'm fishing for thoughts on the model down: XD. Besides the obvious differences, I am

wondering about some of the finer details. For instance, According to RokuTom on this official post, all Roku 2 devices support Dolby Roku – Streaming players, smart TVs, wireless speakers ... I have a Roku 2 xs I disconnected it a few years ago and now I want to use it again, it starts up lets me go through the choosing language , select time zone, connect to wireless which it says it ' s connected but it will not give me an access code, seems to get stuck at the access code screen, I have tries many things including unplugging it, resetting it, resetting to factory reset. nothing ...
