The Magic of Watches comes back to the origins of the measurement of time: how did we go from the water clock to the wristwatch? The Magic of Watches dares to speak about technique: how does a mechanical movement work? How does a quartz watch work? The Magic of Watches delves into details: what is a "complication" and when do we speak about "chronometer"? The Magic of Watches likes art: how do we enamel a dial? The Magic of Watches is unique: it focuses in detail on the basics in order to understand and love watches better.

We can read from an official Rolex document: « THE BIRTH OF THE "DATEJUST" AND THE "DAY-DATE" Not satisfied with having realized a selfwinding waterproof watch, we decided to dedicate ourselves to studying the calendar watch. This is how the "Datejust", which clearly indicates the date on the dial in a small aperture with a Cyclops lens which enlarges it so as to make it easier to read, was born. The next stage was the launch of the "Day-Date", a perfected model which also indicates, with letters, the

days of the week. The day and the date automatically change every evening at midnight. » These are the words of Roger Federer, a living tennis legend, about his Day-Date II: "The reason I like my Day-Date so much is because it is a legendary watch, elegant but with a certain spirit, with a touch of modernity added to its stylish black dial".

A survival manual for the adventure that is vintage Rolex Rizzoli Publications From 1949 to 2000, Moshe Dayan, Yitzhak Rabin, Ariel Sharon, and Ehud Barak conducted Israel's successful (and unsuccessful) talks with its Arab neighbors, from the armistice negotiations to Kissinger's shuttle diplomacy, to Camp David I and the Egyptian-Israeli peace treaty, and finally to the Oslo peace process. The four successful generals who became politicians are covered in four separate biographies, which discuss the early life and military career of each subject and his subsequent political career. Two other military politicians—Yigal Allon and Ezer Weizman—are covered within these four biographies. An overview of the phenomenon of military politicians in Israel is given and an appendix compares

it with similar experiences in South Africa and the United States.
