of two young lovers from Verona, Italy who defy the wishes of their feuding families, get married then, and tragically end their own lives in the name of love. It is their deaths that ultimately help the rival families of the Capulets and the Montagues find reconciliation. Manga Classics brings an incredible new experience with this adaptation of Shakespeare's most popular and frequently performed plays: Romeo and Juliet.

Shakespeare's Romeo and Juliet Perfection Learning This popular and enduring comedy of society and romance, sees two couples fall in love despite the scheming of the embittered Don John and the comic incompetence of Dogberry. **Manga Classics: Macbeth (Modern English Edition)** Image Comics Over four hundred years after it was first published, Romeo and Juliet remains one of Shakespeare's most famous and most frequently performed plays. During the late 1500s many playwrights loved to base their plays off of Italian stories, and Shakespeare was no different; he

was heavily influenced by the Italian tale "The Goodly History of the True and Constant Love of Romeo and Juliet." Today Romeo and Juliet continues to spread its influence within literature and performing arts. It has been adapted into 24 operas, numerous films, a ballet, and has also been referenced in law. The play has entertained generations with its romance, deception, revenge, sword-fighting, creative verse, comedic relief, and tragic fate. The prologue lays before us the fate of our star-crossed lovers: two Italian households have a long, ongoing vendetta against each other, kept under control only by Prince Escalus, the ruler of Verona. Romeo meets with his

---

friends Benvolio and Mercutio after having his heart broken by Rosaline. Encouraged to find love elsewhere, Mercutio sneaks him into one of Capulet's masked parties, where he encounters Juliet, Capulet's daughter. This is the beginning of a love affair that is destined to end in tragedy. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Neo-Verona was once peacefully ruled by the Capulet family, but the rival house of Montague led a coup against the Capulets, wiping them out. Fourteen years later, Lord Montague rules Neo-Verona with an iron fist. But there is

---

hope for the suffering citizens: Juliet Capulet survived the massacre and now turns her sword against the wealthy Montagues in an effort to aid the poor. When she meets the son of Lord Montague at the Rose Ball, she discovers that he is similarly disturbed by his father's cruelty. As Juliet finds herself falling in love with her sworn enemy, she is conflicted... Is there any hope for a love that crosses enemy lines?

Manga Classics: Romeo and Juliet (Modern English Edition) Ember Two households, both alike in dignity, In fair Verona, where we raise our dead. Romeo - the only heir to the Montague name, a

socialite who dreams of making a name for himself as a playwright and the consummate lover; he seems just as famous for his kissing skills as he is infamous for his inability to do much of anything else. Juliet - Capulet heiress, born soldier; in most every way, the precise opposite of Romeo. She's spent her entire life trying to find some way out of her insufferable life as a noblewoman, and so far she's had precious little luck. When a black plague breaks out in the city of Verona, these two feuding families are met with far more trouble than a mere feud, no matter how longstanding and bloody that feud has been. In this grim reimagining of Shakespeare's most famous tragic romance, Romeo and

Juliet must form an unlikely alliance if they ever intend to survive being overrun by a horde of ravenous, flesh-seeking un-dead.

The Stratford Zoo looks like a normal zoo . . . until the gates shut at night. That's when the animals come out of their cages to stage elaborate performances of Shakespeare's greatest works. They might not be the most accomplished thespians, but they've got what counts: heart. Also fangs, feathers, scales, and tails. Ian Lendler's hilarious tale of after-hours animal stagecraft is perfectly paired with the adorable, accessible artwork of Zack Giallongo (Broxo, Ewoks) in this

side-splitting companion to their graphic novel *The Stratford Zoo*. Midnight Revue Presents *Macbeth*.
