How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

Harvard Business School Bulletin Xulon Press

To craft informed sermons, pastors scour commentaries that often deal more with minutia than the main point. Or they turn to devotional commentaries, which may contain exegetical weaknesses. The Teach the Text Commentary Series bridges this gap by utilizing the best of biblical scholarship and providing the information a pastor needs to communicate the text effectively. By concentrating each carefully selected preaching unit into six pages of focused commentary, each volume in this series allows pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage; sections dedicated to understanding, teaching, and illustrating the text; and full-color illustrations, maps, and photos.

40 Days Through Daniel Vernal Point Publishing

This collection bundles two of bestselling author Susan Gregory's books together in one e-book, for a great value! The Daniel Fast What if you could grow closer to God and improve your health in just 21 days? Susan Gregory, "The Daniel Fast Blogger," has a plan to help you do just that. Widely recognized as the expert on this 21-day fast inspired by the book of Daniel, Susan has helped thousands of people discover a safe and healthy way to fast. The principles you learn from The Daniel Fast will change the way you view food, your body, and your relationship with the one who created you. Includes 21 days' worth of Daniel Fast recipes! This concise, carefully organized commentary for pastors presents biblical scholarship to inform authoritative expository preaching and teaching. Each chapter includes the big idea, key themes, and sermon illustrations.
A Year in the Life of an Inner-City Neighborhood Harvest House Publishers
He was one of the most popular lay preachers and Christian apologists of his day: Sir Robert Anderson devoutly believed that the Bible was the inerrant word of God, and in this popular 1881 book-a companion to his Daniel in the Critics' Den-he mounts a defense of the prophetic Old Testament Book of Daniel, an early example of apocalyptic philosophy in Christianity. Students of the Bible will appreciate this historically valuable attempt to set straight the many controversies surrounding Daniel regarding its authorship and even the date of its writing. And anyone interested in the apocalyptic fervor of modern-day fundamentalist Christianity will find this an instructive and enlightening read. While at Scotland Yard, Irish police official and religious scholar SIR ROBERT ANDERSON (1841-1918) helped investigate the Jack the Ripper murders, but he is best remembered for his works of Bible study, including Forgotten Truths and The Silence of God.

1977: July-December Galaxy Press LLC

I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

Decoding Bible Prophecy Createspace Independent Publishing Platform

The crime-infested intersection of West Fayette and Monroe Streets is well-known--and cautiously avoided--by most of Baltimore. But this notorious corner's 24-hour open-air drug market provides the economic fuel for a dying neighborhood. David Simon, an award-winning author and crime reporter, and Edward Burns, a 20-year veteran of the urban drug war, tell the chilling story of this desolate crossroad. Through the eyes of one broken family--two drug-addicted adults and their smart, vulnerable 15-year-old son, DeAndre McCollough, Simon and Burns examine the sinister realities of inner cities across the country and unflinchingly assess why law enforcement policies, moral crusades, and the welfare system have

accomplished so little. This extraordinary book is a crucial look at the price of the drug culture and the poignant scenes of hope, caring, and love that astonishingly rise in the midst of a place America has abandoned.

Synopsis Rest Stop is a 250 page realistic novel based on real characters I knew while I served my time in prison. It is about the convicts I lived with on a daily basis. The book starts off in prison and gives insight of the living conditions. It tells of the games that are needed in order to survive. It explains the brotherhood that forms between cell mates and the cliques you become part of, not by choice but out of necessity. Following a fight and a stabbing, the four inmates who are held responsible are being transported from a minimum security location to the main prison when they escape. The escape convicts come up with a plan to take over a rest-area on Interstate 15. It was just a few miles from Las Vegas. They figured that the people going to Vegas would have lots of cash on them. Their plan was to rob them and use the money to get out of the country. It is a long way from Oregon State Penitentiary to Las Vegas. A big part of the story takes place on the trip to get to the rest stop, with robbery, murder and rape along the way. The driving force behind the story is the dialog and vivid thought process, not only from the convicts but from the victims. Each chapter gives insight to the mind set and words of the escaped convicts, along with the Warden, the State Police and the Federal agent who is always just one step behind the inmates. The novel begins with a thrilling, fast paced opening. It holds the excited pace up to an unforgettably tense conclusion. Each chapter ends in a poem I wrote while in prison and coincides with the story. The epilogue leaves room for a sequel for a second book. Using recovery and Christian faith-based themes, neurologist and author Daniel C. Potts writes poetry about gratitude and spiritual transformation.

A Canonical Approach to Daniel 9:24 – 27Friends of Israel Gospel

Daniel, more than any other book in the Bible, gives an overview of prophecy and the times of the Gentiles. At no time in history is its thrilling message more necessary than at the present hour. Dr. Showers' commentary is clear, concise, logical, nontechnical, and thoroughly biblical.The total exposition, from chapter one to chapter twelve, is consistently premillennial and sheds tremendous light on other portions of the prophetic Word. This clear and insightful exposition is one of the finest commentaries on the book of Daniel available today.

[The Shocking Return of the Chosen One](#) TEACH Services, Inc.

It was in the year of 1976 that the Lord sovereignly and miraculously spoke to me to begin studying and publishing Biblical teachings to be shared with a world-wide audience. For the encouragement of the readership, let me recount this event that began with the first teaching the Lord gave me. As I was sitting at my desk in the pastor's study of the church taking care of administrative duties, suddenly and unexpectedly, the Lord spoke clearly, not audibly but rather in my spirit, to "clear the desk, get out a blank sheet of paper and pen because I want to teach you." The only things I had on my desk were a picture of my wife and sons, praying hands with thorns, and a calendar. It was such a shocking experience, that I really didn't know what he meant by "clearing the desk." So at first I just moved them around on the desk. Then I heard the Lord say, "I didn't say move them around, I said clear the desk!" So, I took these three items from my desk and moved them to my book shelf. In obedience to Him, I got out a blank piece of paper and a pen and just sat still at my desk, not knowing what to do next. Then the Lord began to teach me the following specific truths about His Word, the Scripture as recorded in the Holy Bible: 1. There is a thread that runs through the Bible from Genesis to Revelation on any given subject that contains the whole counsel of God. 2. When researching any subject, read and record every Scripture passage pertaining to that topic. 3. For every word in Scripture there is a balanced word, i.e. faith and works, heaven and hell, angels and demons, etc. 4. My Word is perfectly balanced. 5. Do not teach anything before you have the balance to that subject. 6. Record the entire Scripture passages and references on each subject. 7. Print out My Word directly from the Bible passages. 8. The best commentary on the Bible is the Bible. 9. Do not make this a commentary of your teachings but rather of My Word. 10. The Holy Spirit is the primary Teacher. 11. Only use Hebrew and Greek definitions of words to clarify word meanings. 12. The Bible does not contradict itself, so keep reading until the answer is found. 13. My Word is the "plumb-line" of Truth. 14. On either side of the "plumb-line" of Truth there are two ditches: Legalism and License. 15. The Truth sets you free and you are free indeed. What began as one teaching has developed into hundreds of teachings. It is to these principles and directives that I have adhered and have recorded the teachings He has revealed to me over the past 40 years.

A Commentary on the Book of Daniel Baker Books

The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth's history. It is especially applicable to our day, pointing out the immediate future. In The Story of Daniel the Prophet, a few of the interesting facts in regard to God's dealings with His people have been gathered into a simple narrative.This book is the result of much prayerful study. It is sent forth with an earnest prayer, that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young and old; and that the teacher in the schoolroom may see precious rays of light flashing from its pages, pointing both teacher and pupil to the Great Divine Teacher.We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise, the most studious will find food for thought, and thus become better acquainted with the character of our Heavenly Father. Those who wish to enter into more comprehensive study, will find that the marginal references open up many veins of precious ore in the deep mines of God's Word.Throughout the entire book the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand. The truth is the same, whether in the history of nations or individuals.As The Story of Daniel the Prophet goes forth on its mission of love for the Great Master, may it prove a blessing to all classes, young and old, rich and poor, learned and unlearned.

Learn tools and techniques you can use in any Biblical study and then explore the History of Israel. Use what you learn to analyze Old Testament prophecies and apocalyptic writings - all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John. Round out your experience with in-depth studies of end-times players such as the Antichrist and the 144,000 'redeemed from the earth'. Finally, explore in great detail the major rapture positions and challenges presented by each.Ron Braley's book, Finding the End of the World, is a great resource for any serious student of God's Word. However, it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation, events of the End Times, and eschatological controversies. Instead, the author gives the reader and student the tools to delve into the Scriptures and discover the answers. Caution: This may lead the reader to question and even jettison some previously held views of the End of Times. While offering historical and theological background materials to consider, I believe the greatest value of this book is the study tools, guides and exercises it offers each student.

The result is creating students of the Bible who know how to read and study for themselves. Ron Almberg, Jr. (B.A., Th.B., M.Div.).Ron Braley lives in Texas with Joanne, his wife of 27 years. They have 4 grown children and 2 grandchildren. Passion for spreading the Gospel and helping others to build their faith has led to the development of this comprehensive guide and the creation of Finding Discipleship, Inc. Please visit www.findingrevelation.com for free instructor materials, discussion boards, and opportunities to contribute to the discipleship cause.
