I downloaded this because I loved Robert Swindells many moons ago when I was a teenager. I was a bit worried because I didn't want to spoil my childhood memories by finding out that he was a terrible writer. Luckily I was not disappointed. Room 13 is a spooky little book that fills the reader with tension.

Heavy on plot - which is as much about a school trip as it is about whatever's going on in the titular room - Room 13 is a useful introduction to genre for young students. With a small cast of characters and just enough spookiness to keep the pages turning, it's an appropriate overture for horror before bringing on the big guns.
