Rosie Anderson was hoping to whisk her young son Danny away for a lovely Christmas with family, far from the hustle and bustle of her life in London. But then her boss at the head office – aka Susan the Sacker – suddenly

assigns her to go in incognito and save a tiny inn in Cornwall from being closed permanently. Rosie doesn't know why The Old Bell Inn is performing so badly but it's on her to sort it out! Hours in the car later, Rosie arrives at the inn to find she's been double booked – there are no rooms left. And she isn't there for more than a minute before she's butting heads with the manager, Irishman Mitchell Fitzpatrick. He seems to dislike her on sight, so it's confusing that he seems to get on so well with Danny... But if he's as terrible as his reputation, Rosie will have to be the one to fire him. This really isn't the Christmas Rosie

was dreaming of. But maybe, just maybe, it could be a whole lot more... A sweet and uplifting Christmas romance, *No Room at the Little Cornish Inn* is perfect for fans of Philippa Ashley, Holly Martin and Jenny Hale. *The Cranberry Inn: A Gorgeous and Feel Good Christmas Romance* Scholastic Inc. An unputdownable, feel-good Christmas romance about fresh starts, the importance of family and learning how to follow your heart. Perfect for fans of Mary Alice Monroe, Rachel Hanna and Carolyn Brown. As twinkling lights go up and snowflakes begin to fall, Laurel Hanover and her eight-year-old son are going home to the Cranberry Inn in the heart of the Adirondack Mountains. Laurel can't wait to leave New York behind to help her father run the family business, and make snow angels with her son, even if it's just for Christmas. But when she walks through the door, she's shocked to find the inn in disrepair, and a letter saying her father will be gone until Christmas Eve... No one in town knows where Laurel's father is, and she doesn't know whether to be worried or angry - but she won't let the inn go under, and nothing will get in the way of the perfect Christmas for her son. Seeing the worn-out wooden bannisters, bare of festive lights, she immediately recruits her childhood friend, brooding local carpenter Joel Hutcherson. They might disagree on whether any walls actually need to come down, but each rip in the carpet makes Laurel more concerned for her father, and Joel is a welcome distraction. And when he admits that Laurel was his first crush, she realises she's falling for him. But then Laurel uncovers a card with beautiful, ornate writing amongst her father's things and learns the real reason he

disappeared. And it changes everything. Worse still, she thinks Joel knew the truth all along. Laurel thought this was going to be the perfect Christmas - that maybe she had found her happy. But now there's nothing to stop her from running back to New York the moment the baubles come down... is there? What readers are saying about Barbara Josselsohn: "I devoured this beauty in a day! A Room in Dodge City follows a nameless drifter into an American heart of darkness. In this nightmarish version of the historic Dodge City, mythic beasts crawl out of the woodwork; bizarre rituals are enacted; and death is never the end. Equal parts humor and horror-show, David Leo Rice's novel combines the mundaneness of modern life-

motels, strip malls, temp jobs-with something stranger, darker, and more eternal. Told through linked vignettes that read like metaphoric fairytales gone wrong, Dodge City consumes the reader just as it slowly consumes the drifter, leaving all to wonder whether any of us can ever truly escape this world-or our own. Winner of the Electric Book Award Each chapter is fully illustrated by Christina Collins.

<p>"David Lynch meets Neil Gaiman meets Samuel Beckett and the Theater of the Absurd. Just as Dodge City is a place the narrator can never leave, Rice's book sucks you in and doesn't let you walk out of it intact, either."</p> <p>-Nick Antosca, author of The Girlfriend Game, Midnight Picnic, & Fires "With a draftsman's hand and a psychonaut's eye, Rice has mapped the alien precinct in which we already live. I've never</p>	<p>encountered a book so strange yet so familiar. Writers such as William Burroughs and Samuel Delany may have helped prepare the ground, but this high-speed, controlled drift across it is all Rice's own."</p> <p>-Joanna Ruocco, author of Dan & A Compendium of Domestic Incidents "A vivid, precisely described nightmare filled with jokes for people who think nothing is funny anymore. Rice imagines American pop</p>	<p>culture as a Hieronymus Bosch painting come to life, and he gives us a carnival barker's tour through a disturbing landscape of lost souls, vain ambitions, and distorted identities, ultimately finding a path to redemption through the spiritual wreckage." -Mark Beauregard, author of The Whale: A Love Story "Rice cares deeply about his characters and this comes out in every vignette. He doesn't follow</p>

the nihilistic postmodern structure by declaring that life is meaningless or hopeless. What we find is the presence of hope in all things, no matter how run-down they might appear on the surface." -Joe Halstead, author of West Virginia "Dodge City is a walk on the dark side of the contemporary imagination that reworks the post- realist storytellings of Donald Barthelme or Henri Michaux into a voice that	is unique. A picaresque novel for the age of the Darknet and Tor." -Simon Pummell, director of Bodysong & Identicals "In his mind-boggling debut novel, Rice conjures a series of seemingly unassuming vignettes that read like a revelatory prose poem written by the Zodiac Killer. A celebration of what it means to know that you know that you can never know everything." -Mike Kleine, author of Kanley Stubrick "Don't	enter into Rice's terrifying and hilarious fictional multiverse looking for causality, continuity, or logic, as we know them. A Room in Dodge City will plunge you into a nightmarish warren-maze where somewhere, amid the numberless trapdoors, inner chambers and branching halls on branching halls, a literary orgy is going down among the imaginative intellects of Blake Butler,
---	---	---

Kathryn Davis, Haruki Murakami, Livia Llewellyn, and Robert Coover, refereed by Cronenberg and Lynch." -Adrian Van Young, author of *Shadows in Summerland & The Man Who Noticed Everything* "A Room in Dodge City warps the serial format to its own uncanny ends. Briskly paced with elegantly streamlined prose, the book follows its own impeccably strange and addictive dream

logic." -Jeff Jackson, author of *Mira Corpora & Novi Sad* "Unsettling and unsettled, reading *A Room in Dodge City* is like reading Jakob von Gunten's dream journal the day after he'd stayed up late to watch *High Plains Drifter* and *Videodrome*." -Gabriel Blackwell, author of *Madeleine E.* Find out more about *Alternating* Current Press at alternatingcurrentarts.com. *Even the Score* Room for More Fans of Netflix's

Named the first

ironic. The

Charles Dickens influence is undeniable and Strindberg's writing has been rightfully compared to that of Henrik Ibsen as well. August Strindberg (1849-1912) was a world-famous Swedish playwright, who, in Sweden, was known for his novels, poems, essays and paintings as well. Along with Henrik Ibsen, Hans Christian Andersen, Søren Kierkegaard and Selma Lagerlöf he is one of the all-time most influential

authors of Scandinavia. **Worth the Fall** HarperCollins Lawrence Finkle, known simply to his die-hard Minnesota Wild fans as Viper, isn't used to hearing the word "no." He lives his whole life just a little on the reckless side. After all, life is just one big game, right? Wrong. When what was supposed to be an innocent bet goes horribly wrong, he's left to deal with the aftermath-and the guilt. In an effort to make

things right the best way he can, he ends up falling for the one person on the planet he never should have. The old saying goes that two wrongs don't make a right . . . or do they?
