A pet is your characters best friend, it helps you in battle by healing you or dealing damage to foes. A pet has 3 abilities (second ability is unlocked at uncommon and the third at legendary), there are 14 types of pets and 5 types of rarity. They do not disappear when you die. You must feed them in order for them to grow stronger and level up. Pfiffel's Pet Preview is a useful tool that simulates various aspects of pets. Pets are allies which follow the player throughout the realm. They have no HP and do not absorb enemy projectiles, but they have abilities which benefit the player in battle, such as healing the player or attacking enemies. Pets do not disappear when a character dies. *RotMG Pet Leveling Mathematical Analysis | GuideScroll*

Items may be fed to pets in the Pet Yard to increase the levels of their abilities. Almost all items have a feed power value, which is displayed in the item description. The amount of feed power required to increase the level of an ability varies depending on the current level of the ability (see Pet Abilities).. Feed power generally increases with the tier of the item, and many untiered items ... [Pet Fusing - the RotMG Wiki | RealmEye.com](#)
