Pfiffel ' s Pet Preview is a useful tool that simulates various aspects of pets. Pets are allies which follow the player throughout the realm. They have no HP and do not absorb enemy projectiles, but they have abilities which benefit the

player in battle, such as healing the player or attacking enemies. Pets do not disappear when a character dies.

Items may be fed to pets in the Pet Yard to increase the levels of their abilities. Almost all items have a feed power value, which is displayed in the item description. The amount of feed power required to increase the level of an ability varies depending on the current level of the ability (see Pet Abilities).. Feed power generally increases with the tier of the item, and many untiered items ...
