With more than 200 photographs, videos, letters, and speeches, this Deluxe eBook edition of Decision Points brings to life the critical decisions of George W. Bush's presidency. George W. Bush served as president of the United States during eight of the most consequential years in American history. The decisions that reached his desk impacted people around the world and defined the times in which we live. Decision Points takes readers inside the

Texas governor's mansion on the night of the 2000 election, aboard Air Force One during the harrowing hours after the attacks of September 11, 2001, into the Situation Room moments before the start of the war in Iraq, and behind the scenes at the White House for many other historic presidential decisions on the financial crisis, Hurricane Katrina, Afghanistan, and Iran. In addition, it offers intimate new details on his quitting drinking, his discovery of faith, and his relationship with his family. The Deluxe eBook edition also includes:

- Videos from the defining moments of the presidency, including Bush's inspiring Ground Zero speech to the 9/11 rescue workers, intimate family home movies, and a special introduction to the edition from the president himself
- Full texts of his most important speeches, including his addresses to the nation about 9/11, Afghanistan and Iraq, and his second Inaugural
- Handwritten letters from the president's personal correspondence
- And more than 50 new photos not contained in the

print version of Decision Points A groundbreaking first in bringing multimedia to presidential memoir, the Deluxe eBook edition of Decision Points will captivate supporters, surprise critics, and change perspectives on eight remarkable years in American history—and on the man at the center of events.

The lives of the inhabitants of two towns, Truth and Bright Water, separated by a river running between Montana and an Ottawa Indian reservation, intertwine over the course of a summer as seen through the eyes of two young boys.

Roughing It in the Bush Bloomsbury Publishing
Susanna Moodie is, of course, best known for her books Roughing It in the Bush and Life in the Clearings, which are largely comprised of short sketches that she had previously published. What is not widely known, however, is that Moodie had a long and prolific literary career in which short sketches and tales were among her favoured genres. This book offers a selection of these narratives, most of which have been unavailable in print since the 19th century. This collection will give the reader a new understanding of Susanna Moodie's work. Published in French.

[Roughing it in the Bush](#) Franklin Classics
Trade Press

Written as a continuation of her sensational 1852 text, *Roughing it in the Bush*, Susanna Moodie's *Life in the Backwoods* continues the narrative of her experience as a settler in mid-nineteenth century Upper Canada. By relating her own experiences and those of the community of pioneers also living in the harsh environment of the Canadian backwoods, Moodie creates a faithful portrait of the harsh life faced by settlers to the British Colony.

Written primarily for British readers, *Life in the Backwoods*—together with *Roughing it in the Bush*—acted as a guide for newcomers to Canada on how to live and survive in the uncultivated wilds of Canada. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Roughing It on the Oregon Trail Harper Collins
A key work of Canadian literature, this unsentimental account of immigrant life remains a major influence on the country's writers.

[Days of Fire](#) CNIB, [197-?]

When Liz and Lenny's grandmother uses her magical hat to transport them all to the time of the pioneers in 1843, their grand adventure begins as they spend eight grueling months traveling across harsh terrain in an attempt to reach the other side

of the country at the end of the Oregon Trail.

Roughing it in the Bush Crown/Archetype

Roughing It in the Bush is an account of life as
a Canadian settler by Susanna Moodie.

Moodie immigrated to Upper Canada, near
modern-day Peterborough, Ontario during the
1830s. At the suggestion of her editor, she
wrote a "guide" to settler life for British
subjects considering coming to Canada.

Canada (Classic Reprint) Paw Prints

Excerpt from Roughing It in the Bush, or
Forest Life in Canada In the year 1832 I
landed with my husband, J.W. Dunbar
Moodie, in Canada. Mr. Moodie was the
youngest son of Major Moodie, of Mellsetter,
in the Orkney Islands; he was a lieutenant in
the 21st regiment of Fusileers, and had been

severely wounded in the nightattack upon
Bergen-op-Zoom, in Holland. Not being
overgifted with the good things of this world-
the younger sons of old British families seldom
are-he had, after mature deliberation,
determined to try his fortunes in Canada, and
settle upon the grant of 400 acres of land, ceded
by the Government to officers upon half-pay.
Emigration, in most cases-and ours was no
exception to the general rule-is a matter of
necessity, not of choice. It may, indeed,
generally be regarded as an act of duty
performed at the expense of personal
enjoyment, and at the sacrifice of all those local
attachments which stamp the scenes in which
our childhood grew in imperishable characters
upon the heart. Nor is it, until adversity has
pressed hard upon the wounded spirit of the
sons and daughters of old, but impoverished,
families, that they can subdue their proud and
rebellious feelings, and submit to make the trial.

Roughing It in the Bush (Full title: Roughing It in
The Bush: or, Forest Life in Canada) is an account
of life as a Canadian settler by Susanna Moodie.
Moodie immigrated to Upper Canada (soon to
become Canada West), near modern-day
Peterborough, Ontario during the 1830s. At the
suggestion of her editor, she wrote a "guide" to
settler life for British subjects considering coming
to Canada. Roughing It in the Bush was first
published in London in 1852 (then Toronto in
1871). It was Moodie's most successful literary
work. The work is part memoir, part novelization
of her experiences, and is structured as a
chronological series of sketches. Publisher Richard
Bentley's foreword to the third edition published in
London in 1854 describes the "Canadian mania"
that "pervaded the middle ranks of British society"
in the 1830s. Immigrants paid a hefty fee to ship's
agents who took them across the Atlantic, and
these agents did their best to drum up business by
marketing Canada as a British emigrant's utopia:
Canada became the great land-mark for the rich in
hope and poor in purse. Public newspapers and

private letters teemed with the unheard-of advantages to be derived from a settlement in this highly-favoured region.

A New York Times Top 10 Best Book of the Year
A Washington Post Notable Book
Theirs was the most captivating American political partnership since Richard Nixon and Henry Kissinger: a bold and untested president and his seasoned, relentless vice president. Confronted by one crisis after another, they struggled to protect the country, remake the world, and define their own relationship along the way. The real story of George W. Bush and Dick Cheney is far more fascinating than the familiar suspicion that Cheney was the power behind the throne. Drawing on hundreds of interviews with key players, and thousands of pages of private notes, memos, and other internal documents, Baker paints a riveting portrait of a partnership that evolved dramatically over time, during an era marked by devastating terror attacks, the Iraq War, Hurricane Katrina, and financial collapse. Peter Baker has produced a monumental and definitive work that ranks with the best of presidential histories.

Noopiming McClelland & Stewart

The new novel from the author of *As We Have Always Done*, a poetic world-building journey into the power of Anishinaabe life and traditions amid colonialism. In fierce prose and poetic fragments, Leanne Betasamosake

Simpson's Noopiming braids together humor, Grove Press

piercing detail, and a deep, abiding commitment to Anishinaabe life to tell stories of resistance, love, and joy. Mashkawaji (they/them) lies frozen in the ice, remembering the sharpness of unmuted feeling from long ago, finding freedom and solace in isolated suspension. They introduce the seven characters: Akiwenzii, the old man who represents the narrator's will; Ninaatig, the maple tree who represents their lungs; Mindimooyenh, the old woman, their conscience; Sabe, a gentle giant, their marrow; Adik, the caribou, their nervous system; and Asin and Lucy, the humans who represent their eyes, ears, and brain. Simpson's book *As We Have Always Done* argued for the central place of storytelling in imagining radical futures. Noopiming (Anishinaabemowin for "in the bush") enacts these ideas. The novel's characters emerge from deep within Abinshinaabeg thought to commune beyond an unnatural urban-settler world littered with SpongeBob Band-Aids, Ziploc baggies, and Fjällräven Kånken backpacks. A bold literary act of decolonization and resistance, Noopiming offers a breaking open of the self to a world alive with people, animals, ancestors, and spirits—and the daily work of healing. *Roughing it in the Bush, Or, Life in Canada*

Margaret Atwood's *The Journals of Susanna Moodie* (1970), regarded by many as her most fully realized volume of poetry, is one of the great Canadian and feminist epics. In 1980, Margaret Atwood's longtime friend, the distinguished Canadian artist Charles Pachter, illustrated, designed, and published a handmade boxed portfolio edition of 120 copies of the poem with silkscreen prints, created as an act of homage to the poet. Atwood herself has said of Pachter's work, *His is a sophisticated art which draws upon many techniques and evokes many echoes. The poem and the prints inspire one another. This is the first facsimile edition of the original, as well as the first one-volume American edition of the poem, with an introduction by Charles Pachter and a foreword by David Staines. **Roughing It in the Bush ; Or, Life in
Canada Franklin Classics**

Told with wit, spontaneity, and candour, Susanna Moodie's account of life on a backwoods farm captures an important part of Canadian history, now available as a Penguin Modern Classic. *Roughing It in the Bush* chronicles Susanna Moodie's harsh and often humorous experiences homesteading in the woods of Upper Canada. She describes a life of backbreaking labour, poverty, and hardship on a pioneer farm in the colonial wilderness. Her sharp observations, satirical character sketches, and moments of despair and terror were a startling contrast to the widely circulated optimistic portrayals of life in British North America, written to

entice readers across the Atlantic. A frank and fascinating account of how one woman coped, not only with a new world, but with a new self, this unabridged text continues to justify the international sensation it caused when it was first published in 1852.
