He died in 1901, and three years later Rover began to make cars. Sales were small, and the company struggled to turn a profit. Rover built aero engine and airframes during the Second World War, after which the company focused on gas-turbine power. The Land Rover of 1948 was a huge success, and Rover began to make some iconic machines, such as ...

handbook is divided into sections, each dealing with a **Rover User Manuals Download - ManualsLib**

This is seen perhaps as much as anything in the quality of the cars made until recently by the currently dormant Rover brand. At the present time there are no Rover vehicles being produced, but with the marque having been bought by the Indian producer Tata there may well be more produced in the future.
