Some 40 years ago, Leyland Australia ceased manufacturing passenger vehicles in Australia. These days, many of the cars produced by Nuffield (Australia), the Austin Motor Company (Australia) the British Motor Corporation (Australia), British Leyland Motor Corporation of Australia and Leyland Australia from 1950 to 1982 remain popular and have become classics. Of particular interest to present day owners, registration authorities, car club officials, as well as motoring and engineering historians, is a record of what BMC/Leyland passenger vehicles were produced and the means by which they were identified. Our aim in this book is to provide an authoritative reference to this end.
