This second of the fine five-volume unit history of the King's Royal Rifle Corps begins with the development of the unit's characteristic weapon - the rifle - and of its equally ubiquitous uniform, the green jacket, under its Colonel, Baron Francis de Rothenburg. It details the unit's role in crushing the Irish rebellion of 1798, and in repelling the French invasion of Ireland in the same year. The Rifle Battalions then saw service in their old battlegrounds of the Americas, in Martinique, Surinam and Halifax, Nova Scotia, before returning to Europe to take part in the Peninsula War against Napoleon. They came under the command of both Sir Arthur Wellesley (later Duke of Wellington) and Sir John Moore, repelling the French invasion of Portugal and fighting at Rolica and Vimiero. Under Wellesley, the Battalions pursued Marshal Victor, taking part in the Battle of Talavera. They manned Wellington's impregnable Lines of Torres Vedras, thwarting Marshal Massena's invasion of Portugal, relieved Almeida and took part in the battles of Fuentes de Onoro and Albuera. The Battalion fought Marshal Marmont at Arroyo Molinos, stormed Ciudad Roderigo and Badajoz, and took part in the Battle of Salamanca and the siege of Burgos. In 1813 the Battalion again advanced into Spain against Marshal Soult under Wellington, taking part in the Battle of Vitoria as he drove the French across their frontier. By 1814 the unit, now eight battalions strong, had crossed the Pyrenees and had reached Toulouse when Napoleon abdicated. The book concludes with the creation of the King's Royal Rifle Corps. With six appendices, 8 illustrations, and 12 maps.

A complete series featuring dragons, mages, and two worlds at risk. I wasn't the kind of girl to believe in magic. Not even with my odd skillset. I stayed that way until magic walked right into my life in the form of a hot, brooding dragon prince. The moment I met Prince Rone was... tense to say the least, but after a shocking street-side brawl we had a second chance to get to know one another. And learn we both possessed what the other needs. Now I'm on a wild hunt, trying to find a safe home for dragon eggs while being chased by murderous crazies who want all the dragons dead. The weird thing is that despite the danger, for the first time in my life I finally feel like I might fit in someplace and maybe with someone. I just need to live long enough to find out if my intuition regarding Rone and this strange new world are right. The Royal Quest Series is an upper YA/NA dragon shifter fantasy adventure series. This book is a great introduction into the history of the British Empire and women who helped to shape it. The book starts with the very first queen in the history of Great Britain, Matilda of Flanders, the wife of William the conqueror, and goes through all the history, mentioning Berengaria of Navarre, the queen of the legendary king Ricard I and all the wives of Henry VIII among the others. The book is aimed at young adults and is written in a simple, understandable, and somewhat naïve manner characteristic of the Victorian-era books for young ladies. Yet, the light and relaxing tone of the book will make it interesting for adults seeking for an entertaining read with educational value. It contains a lot of captivating moments too. For example, the very first story of the book, tells that to win heart of her future queen, William the Conqueror, rolled her in mud and beat her. \_x000D\_

The Royal Romeos Series

Finally, the continuation of the It ' s Reigning Men series, set amidst the opulence and splendor of the Tuscan wine country, with the first three books bundled together for the first time. Red Hot Romeo Love the wine you ' re with... Alessandro Romeo is burned out after finally extricating himself from a nearly year-long relationship with a hot-tempered Italian model who set fire to his Lamborghini when she suspected him of cheating. He ' s sworn off the fairer sex and instead spends his waking hours overseeing the expansion of his family ' s hugely successful winery in the magnificent hills of Chianti, where he is happy to never see a model again, let alone date one. American supermodel Taylor McFarland might be blond, but she sure isn ' t dumb. And she ' s smart enough to know to avoid the shallow men who seem to migrate toward her type, the ones who presume that models are the wild women of the fashion industry who happily discard men like used tissues. Only Taylor ' s not that type at all; instead, she ' s intent on using the influence her position affords her to help those less fortunate than she. But when her good deeds means clashing with the quintessential heartless Italian player who she ' d heard left model Gia Sandretti at the altar, well, she will happily give him a piece of her mind, and certainly not a piece of her heart. Black Sheep Romeo On cloud wine... Sometimes trouble seems to find Matteo Romeo whether he seeks it out or not. Long regarded as the black sheep of the famed Romeo winemaking family, he ' s hardly surprised when he finds himself in yet another predicament, this time harboring an unauthorized farmhand who he ' s discovered hiding in a tool shed just as the grape harvest gets underway. Freespirited Lizzie Moretti has long prized her independence. Lizzie ' s been wandering around the world, working odd jobs to earn just enough money to keep on the go. Forced to flee an aggressive host in the middle of a rainy night while working on a farm in Tuscany, she seeks the shelter of a tool shed until she can figure out a plan. Alas, it happens to be on the estate of the wealthy Romeo family on the eve of the coveted grape harvest, when strangers like Lizzie are most unwelcome. She ' s never put down roots. And he can ' t seem to escape the roots that sometimes feel like they ' re strangling him. They both walked away from family, but can they find salvation in the very family they ' ve tried to run from? Red Carpet Romeo Look who ' s grown up now... Valentina Romeo loved a romantic wedding, and couldn ' t wait to serve as an attendant in her favorite cousin Prince Luca of Monaforte ' s upcoming nuptials. She and Luca had reveled in childhood summers at the family estate on the Ligurian Sea. Many of her fondest memories were made there, along with one of her most humiliating, when Luca ' s college roommate Parker shunned her brave declaration of love. Investment banker Parker Hornsby hadn ' t been back to Monaforte since he was in college. Back then he ' d spent a glorious summer enjoying idyllic days at his best friend Luca ' s family beach home. The fun was marred only by Luca ' s obtrusive younger cousin Valentina, who could barely mask her crush on Parker, forcing him to flatly cut her off before she got her hopes up. The last thing Parker wanted was to be accused of going after his friend ' s jailbait cousin, even if she was about the sweetest fourteen-year old girl he ' d ever met. But when Parker shows up in Monaforte, paired in Luca ' s wedding with Valentina, all bets are off on whether he can restrain himself from the beautiful—and fully grown-up—heiress to the world-famous Romeo wine label, or whether he remains the nemesis she thinks he is.
