Po and the Naughty Souls Santa Monica Press
Jonalyn Fincher wants to show that women can be both fully human and fully feminine. Traditionally, femininity has been a role women play, a role defined by culture and simplistic sermons. The author encourages women to look at the feminine roles or boxes that pinch their souls: mother, fashion devotee, working wife, intellectual. Does God treat femininity as a role, a judgement, or a gift? And when Jesus redeemed women, what was it exactly that he redeemed? Even after Eden, Fincher points out, God planned to redeem both men and women. But for centuries, women have been taught to devalue the very aspects of their souls that are unique and irreplaceable. Femininity itself runs deeper than aprons, frills, or romance. It begins with feminine souls who are living cameos of the triune God. In Ruby Slippers, Fincher takes a fresh, direct look at the challenges she faced on her search for the feminine soul. She goes step by step through what it means to be a woman and how to

cultivate her soul, choosing not to shy away from psychology, theology or personal transparency. In her journey she discovers an understanding of femininity that is timeless and groundbreaking. The roles melt away into something like Dorothy's ruby slippers, something women have always had—the souls to walk today with freedom and femininity.

Sometimes, the things that can change your life will cross your path in one instant—and then, in a fleeting moment, they're gone. But if you open your eyes, and watch carefully, you will believe.... Robert is a successful attorney who has everything in life—and nothing at all. Focused on professional achievement and material rewards, Robert is on the brink of losing his marriage. He has lost sight of his wife, Kate, their two daughters, and ultimately himself. Eight year old Nathan has a beloved mother, Maggie, whom he is losing to cancer. But Nathan and his family are building a simple yet full life, and struggling to hold onto every moment they have together. A chance meeting on Christmas Even brings Robert and Nathan together—he is shopping for a family he hardly knows

and Nathan is shopping for a mother he is soon to lose. In this one encounter, their lives are forever altered as Robert learns an important lesson: sometimes the smallest things can make all the difference. The Christmas Shoes is a universal story of the deeper meaning of serendipity, a tale of our shared humanity, and of how a power greater than ourselves can shape, and even save, our lives.

Health of the Human Spirit

Balboa Press

For nearly a century of being underestimated as a literary genre, the short story is currently experiencing a revival. The editors of this collection of articles have brought together the contributions of nine outstanding scholars in the field of the short story to

reveal some of the many directions in which the genre is expanding. This book is a reasoned and well-documented anthology which casts light on new aspects of the short story. It participates in the current trend of short story criticism, characterized by the gathering in one single volume of a diversity of approaches with the main aim of promoting discussion on this thriving area of literary studies. The editors of this volume believe that a fruitful tension may rise by putting side by side insights into a not so well known tradition, on the one hand, and fresh considerations on unexpected developments of the short story, on the other. All in all, the short story emerges as a dynamic and flexible form that reacts and adapts itself better than any other literary genre to the challenges of the sceptical times we live in.

Windows of the Soul Kimiko

Stallard

Ruby Slippers 11-11 chronicles a year in the life of author Deborah Ann Collins, as she embarks on a journey of spiritual self discovery and universal awareness. From early childhood, Debbie shared a psychic connection with the spiritual realm. Her intuition and openness allowed her the natural ability to tune-in to the spirits of those in her life who had already passed on to the other side. As a young girl, she didn't know that her talents were special or unique. To Debbie, they were just a part of her reality. Like many of us, Debbie began to

insulate herself from her psychic abilities as she grew older. Family and career goals took the center stage of Debbie's life. As a mother, wife and successful business woman, Debbie thrived financially as well as in her home life. And yet, something was missing. The year she turned 50, Debbie realized just what that something was. In the hub-bub of daily life, she had lost that connection with not only the spirit realm, but with herself.

Reconnecting with her authentic self became a necessity, which would lead her on this raw and empowering journey, and ultimately to the re-awakening of her soul. Inspirational and enlightening, Ruby Slippers 11-11 was originally written to document the synchronistic happenings that lead Debbie on this beautiful adventure. It now serves as a guide to self discovery for people of all ages, aiming to excite and remind the reader that it is never too late to connect with ones true self.

Dottie Meyers, 35, is a real-life Dorothy Gale living with her little black dog on a small farm in Kansas that's about to be hit by a tornado. Knocked unconscious by the storm, she awakes three months later at a recovery facility in California where her father, last seen when she was four, has left her a mysterious pair of ruby slippers. But unlike The Wizard of Oz, this isn't a dream, and the yellow brick

road journey that Dottie and three friends are about to take from Los Angeles to Seattle in search of her dad will show the realities of a broken childhood. More importantly, everything connected to those sparkling red shoes will prove to Dottie that there's only one true wonder worker behind the so-called curtain who can heal her wounds and prepare the heart for love.

The Ruby Slippers, Madonna's Bra, and Einstein's Brain Ruby Slippers

30th Anniversary edition. The Ruby Slippers of Oz exposes the clandestine and often treacherous underground of movie memorabilia, this Hollywood mystery may be the film industry's most bizarre account of ambition, greed, obsession, and deception. Something's afoot here as a colorful group of characters are spellbound by the charm and curse of the screen's most indelible and iconic image: The Ruby Slippers of Oz. Updated for the first time in 30 years, with many new revelations, this is a fascinating read for any Oz movie buff and those who love a good mystery.

Celtic Cycles Red Adept Publishing, LLC

Former beauty queen and gorgeous blonde Mandy and her life-battered friend, Diane, want nothing more than to reach the heights of success in show

business. Their journey to self-discovery and stardom during the turbulent 1960s and 1970s takes them from New York City to Las Vegas and Hollywood. During an era when unrest and free love take precedence, Mandy's small town upbringing has left her inexperienced, and she soon discovers that being a winner is not all it's cracked up to be. Once a movie starlet, nothing has gone right for forty-year-old Diane in years. A graduate of the School of Hard Knocks, her dreams have all but vanished as she looks for love in all the wrong places. Mandy is determined to become a star and begins auditioning for roles. She meets Diane, and together they soon realize that the path to stardom is lined with unscrupulous agents who want to take advantage of their beauty and naïveté. As these two blondes continue their journey to discovering who they really are deep inside, only time will tell which one will persevere through the challenges and realize that if she can survive her past, she can make it anywhere.

Flashes of Sunlight Barbour Publishing

This treasury is a tribute to life and humanity, with topics ranging the entire emotional and experiential gamut. The nature of the stories invites you to enjoy Chicken Soup in whatever way you find most comforting - by

the spoonful, by the bowl, or the whole pot in one sitting.

True Blondes Simon and Schuster
A collection of poems.

I almost died from an addiction to prescription drugs. This is the story of what happened to me and how God saved me from certain death. Millions of people worldwide are addicted to prescription medications. The US Department of Health and Human Services recently called prescription drug addiction an epidemic in America. I wrote this book to bring hope to people who find themselves in this hopeless situation. The "Wizard of Oz" is used as a metaphor to help readers relate to being lost in the strange world of addiction. That feeling of being trapped in another world with no way to get back home is the very essence of addiction. "Ruby Shoes" is a true story about a devastating prescription addiction tornado, being lost in a foreign world, chasing brooms for fake saviors like, Oz, and finally remembering the precious gift that takes us HOME. This book offers a personal account of the horrors of prescription drug addiction and a biblical, 12-Step, life application solution to the problem. "Ruby Shoes" takes the reader on a discovery journey that leads them to a much better place than where they began. My prayer is that those tormented by prescription drug

addiction would know that they do not have to suffer alone any longer. They don't have to die and become another sad statistic of prescription drug addiction. After reading "Ruby Shoes" they will know, if I can get better, anyone can.

B&H Publishing Group
Ancient Western and Eastern philosophy and mind/body/spiritual traditions endure because they empower and enlighten. Open these pages to find creative and probing meditations on Hope, Peace, Joy and Love, written without schmaltz or worn out words, to guide you through the four weeks of Advent. Be prepared to watch your heart open and have your mind strengthened as you read winsome apologetics and accessible spiritual formation centered on Jesus' birth.

Merriam-Webster's Dictionary of Allusions Springer

Fairy tales reimagined—in stories by “a distinguished company of writers” including Neil Gaiman, Joyce Carol Oates, and Tanith Lee (Kirkus Reviews). For many of us, the fairy tale was our first exposure to the written word and the power of storytelling. These wondrous works of magic and morality enthralled us, enchanted us, sometimes terrified us, and remain in our hearts and memories still. Once again, World Fantasy Award-winning editors Ellen Datlow and Terri Windling have compiled an extraordinary collection of reimagined tales conceived by some of today's most acclaimed contemporary purveyors of literary

fantasy, science fiction, and horror, including Neil Gaiman, Gahan Wilson, Joyce Carol Oates, Tanith Lee, Nancy Kress, Gene Wolfe, and others. Remarkable things lurk in these dark and magical woods. Here Beauty confronts a serial-killer Beast, Hansel and Gretel's witch resides not in a gingerbread house but in a luxurious resort, and Rumpelstiltskin is truly the devil demanding his due, rightfully or otherwise. The hilarious “Roach in Loafers” ingeniously combines the classic “Elves and the Shoemaker” tale with “Puss in Boots” and adds an insectile twist, while in a modern fable that blends The Wizard of Oz and Hans Christian Andersen, Dorothy is set adrift in Hollywoodland, ruby slippers and all. These are not the fairy stories you remember from childhood.

The Ruby Slippers Zondervan
This engaging book shows how to welcome chaos and cycles of change as transformational opportunities. It is jam-packed with helpful information from cutting-edge change theories, psychology and spirituality.

Night Trix Oxide AuthorHouse
“Night Trix Oxide's Midnight Musings and Mischief” is a collaboration of prose, and rambles as seen through the eyes of the persona Night Trix Oxide. Night Trix Oxide's words are raw, not glossed over to spare the feelings of others. She doesn't care if she comes across as harsh or if she is sometimes misunderstood. Night Trix Oxide stays up too late and writes what she thinks when it comes to mind. She has a

"take it or leave it attitude"
but inside the poetry the reader
will see that she truly does
care.... There may even be a
tearstain to be found. Stay up
the night with her and listen to
the willows whisper, watch the
full moon disappear...with the
ethereal Night Trix Oxide!

The Embittered Ruby Cypress
House

Anyone who has ever wondered
where Dorothy's ruby slippers,
the limo that JFK was riding in
when he was assassinated, or
Michael Jackson's sequined
glove are housed will have
their curiosity satisfied in
this journey to locate hundreds
of items from America's pop
culture past. From such major
institutions as the Smithsonian
and the Basketball Hall of Fame
to offbeat collections in the
Sing Sing Prison Museum and the
Museum of Pez Memorabilia,
these pop culture treasures
include the most famous—and
quirkiest—items from American
movies, crime, TV, sports, and
history. Among the included
artifacts are George
Washington's wooden teeth, the
Merry Prankster bus, the piano
from Casablanca, Bonnie and
Clyde's death car, Jack Ruby's
.38 Colt Cobra, and John Wilkes
Booth's thorax.
