Back in my first year of college, I used to live in a residence on campus with 3 other dudes. Two of them were cool (shout out

to Bdawg and AI) but the third named David had a nasty habit of taking things that weren't his and mysteriously forgetting that the objects had fallen into his possession.

Side Effects of Vaping
AlexGulko/Shutterstock.

Recent scientific research is uncovering some more serious side effects of vaping. For example, research conducted at the UNC Center for Environmental Medicine, Asthma, and Lung Biology, shows vaping has the same effect as smoking when it comes to suppressing immune genes. all i Got to say is that homo sapiens are a sophisticated species, the wording she used and the references to ruining herself and giving birth to decay and filth show portray how we as a species are

degenerating, and when i this fact is brought to my attention, i cant help but crack a smile. humans are the only animals that fuck the dead, do things like auto erotic asphyxiation, etc. human ...

The Dead by James Joyce -
online-literature.com

There is a difference between feeling threatened and feeling intimidated. The difference is fear. When a woman feels threatened, she is afraid that you will take (or try to take) something she has (including her man, her confidence, her best friend, the role she has established in her group, etc.) or something she wants (like a promotion, a future boyfriend,

etc.).
