100 Ways to Make the World Better! Macmillan
Archaeologist Sarah Baxter just broke one of the biggest rules of time travel: leaving a piece of 21st century equipment in 19th century

Regency England. Unfortunately, when she goes back to retrieve it, she makes an even bigger mess of things- resulting in the death of an English Earl. Now his brother is not only out for revenge, but he also has Sarah's device. Which means an entirely different approach is needed. It doesn't occur to the new Earl of Earnston that his charming acquaintance is responsible for his brother's death. He is merely swept away by a passion that threatens his very reputation. Yet he gets the distinct

impression that Miss Baxter is hiding something from him. Now Sarah must find a way to steal back her device, hide the truth about the earl's brother and-most importantly- not fall in love.. Backinprint.com Be sure to check out IRON AMBITION: My Life with Cus D ' Amato by Mike Tyson " Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life. " —Wall Street Journal Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of

conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “ to everything ” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and

husband. Brutal, honest, raw, and often hilarious, Undisputed Truth is the singular journey of an inspiring American original.

Dear Girls Macmillan

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to

be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health

research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

[Stop Dressing Your Six-Year-Old Like a Skank](#) St. Martin's Press

Her two memoirs were “hilarious.” * Her first novel, *Pretty Much Screwed*, was “brilliant.” ** Now, Jenna McCarthy returns with a novel of crazy last wishes and life-changing first steps... When their mother

dies, sisters Jules, Brooke, and Lexi breathe a collective sigh of relief. Their days of being hurt and controlled by Juliana Alexander are over. It turns out, Juliana isn't about to let a little detail like death stop her. The three estranged sisters—one control freak, one peacekeeper and one red hot mess—are shocked to discover that their mother was hiding a massive fortune, one that promises to completely transform all of their lives. But in classic Juliana fashion, there's a catch. Three of them, to be exact. Now Jules, Brooke, and Lexi find themselves forced to rely on one another in order to become the women their mother wanted them to be. With millions of dollars on the line and as many obstacles in

the way, the sisters embark on a hilarious journey of self-discovery, forgiveness, and the real meaning of wealth. READERS GUIDE INCLUDED *Jane Heller, New York Times bestselling author **Janet Evanovich, #1 New York Times bestselling author Explorers in Hell Simon and Schuster Addict Chick: Sex, Drugs & Rock 'N' Roll is brutally honest, sexually graphic, and completely real. At 34, Amanda Meredith had it all - A successful career, a home, a child, and everything that should have made her happy. She was also crazy in love; his name

was Cage, and their love would become her first addiction-but not her last. Some would say that love destroyed her, but what she let ravage her mind, body, and soul had nothing to do with love and everything to do with a deep-seated need to destroy herself. With the prick of a needle, and a shot of methamphetamine, she lost everything- her child, her career, and she lost Cage. Her story is not for the faint of heart. Addict Chick: Sex, Drugs & Rock 'N' Roll is her heartbreak, her sorrow, and the story of how she fought

like hell to save herself, with a little help from the Man above. In this memoir, one woman proves that no matter who you are, and no matter how far you have fallen, nobody is beyond redemption.

Working with Bitches D & M Publishers

Life in Marblehead has had a pleasant predictability, until Diesel arrives. Rumor has it that a collection of priceless ancient relics representing the Seven Deadly Sins have made their way to Boston's North Shore. Partnered with

pastry chef Lizzie Tucker, Diesel bullies and charms his way through historic Salem to track them down—and his criminal mastermind cousin Gerewulf Grimorie. The black-haired, black-hearted Wulf is on the hunt for the relic representing gluttony.

Caught in a race against time, Diesel and Lizzie soon find out that more isn't always better, as they battle Wulf and the first of the deadly sins. With delectable characters and non-stop thrills that have made Janet Evanovich a household

name, *Wicked Appetite* will leave you hungry for more. *Bless Your Heart, Tramp* HarperTorch

In this short e-original *The Height of Rudeness*, readers will get 5 essays - one never-before-

published and 4 "sneak peeks" at the kind of manners advice Celia Rivenbark will be dishing up in her upcoming etiquette book **RUDE BITCHES MAKE ME TIRED**. Have you been "wait-listed" for your friend's wedding? Or, worse, have you been told, via engraved stationery, that you should "Please don't save the date"? This odious and ill-mannered trend must stop! How did it start? How should we cope with such

an audacious display of assbattery? Leave it to Mama Celia to help in times like these. And a word of warning to brides-to-be? Quit showing off your engagement bling to your Facebook friends. They all expect to be invited and they're already shopping for Soda Streams.

[John Chancellor Makes Me Cry](#) Macmillan

An urgent and accessible handbook for peaceful protesters, activists, and community

organizers—anyone trying to defend their rights, hold their government accountable, or change the world Blueprint for Revolution will teach you how to

- make oppression backfire by playing your opponents' strongest card against them
- identify the "almighty pillars of power" in order to shift the balance of control
- dream big, but start small: learn how to pick battles you can win
- listen to what people actually care about in order to incorporate their needs into your revolutionary vision
- master the art of compromise to

bring together even the most disparate groups • recognize your allies and view your enemies as potential partners • use humor to make yourself heard, defuse potentially violent situations, and “laugh your way to victory” Praise for *Blueprint for Revolution* “The title is no exaggeration. Otpor’s methods . . . have been adopted by democracy movements around the world. The Egyptian opposition used them to topple Hosni Mubarak. In Lebanon, the Serbs helped the Cedar Revolution

extricate the country from Syrian control. In Maldives, their methods were the key to overthrowing a dictator who had held power for thirty years. In many other countries, people have used what *Canvas* teaches to accomplish other political goals, such as fighting corruption or protecting the environment.”—The New York Times “A clear, well-constructed, and easily applicable set of principles for any David facing any Goliath (sans slingshot, of course) . . . By the end of *Blueprint*, the idea that a

punch is no match for a punch line feels like anything but a joke.”—The Boston Globe “An entertaining primer on the theory and practice of peaceful protest.”—The Guardian “With this wonderful book, Srdja Popovic is inspiring ordinary people facing injustice and oppression to use this tool kit to challenge their oppressors and create something much better. When I was growing up, we dreamed that young people could bring down those who misused their power and create a more just and

democratic society. For Srdja not only a spirited guide to Popovic, living in Belgrade in 1998, this same dream was potentially a much more dangerous idea. But with an extraordinarily courageous group of students that formed Otpor!, Srdja used imagination, invention, cunning, and lots of humor to create a movement that not only succeeded in toppling the brutal dictator Slobodan Milošević but has become a blueprint for nonviolent revolution around the world. Srdja rules!”—Peter Gabriel
“Blueprint for Revolution is

breakthrough in the annals of advice for those who seek justice and democracy. It asks (and not heavy-handedly): As long as you want to change the world, why not do it joyfully? It’s not just funny. It’s seriously funny. No joke.”—Todd Gitlin, author of *The Sixties* and *Occupy Nation*
[You Don't Sweat Much for a Fat Girl](#) Random House
From the wickedly hilarious pen of Southern humorist Celia Rivenbark comes a collection of essays that brings to mind Dave Barry (in high

heels) or Jeff Foxworthy (in a prom dress). Step into the wacky world of "womanless wedding" fund-raisers, in which Bubbas wear boas. Meet two sisters who fight rural boredom by washing Budweiser cans and cutting them into pieces to make clothing. Learn why the word snow sends any right-thinking Southerner careening to the Food Lion for extra loaves of bread and little else. Humor columnist and slightly crazed belle-by-birth Celia Rivenbark tackles these and other lard-laden subjects in *Bless Your Heart*, *Tramp*, a hilarious look at Southern---and just plain human---foibles, up-close and

personal. So pour yourself a glass of sweet tea and curl up on the pie-azza with Bless Your Heart, Tramp.

Highly acclaimed, award-winning author of Act Like It Lucy Parker returns readers to the London stage with laugh-out-loud wit and plenty of drama The play's the fling It's not actress Lily Lamprey's fault that she's all curves and has the kind of voice that can fog up a camera lens. She wants to prove where her real talents

lie—and that's not on a casting couch, thank you. When she hears esteemed director Luc Savage is renovating a legendary West End theater for a lofty new production, she knows it could be her chance—only Luc wasn't so dictatorial, so bad-tempered and so incredibly sexy. Luc Savage has respect, integrity and experience. He also has it bad for Lily. He'd be willing to dismiss it as a midlife crisis, but this exasperating, irresistible woman is actually a very talented actress. Unfortunately, their romance is not only raising questions about Lily's suddenly rising career, it's threatening Luc's

professional reputation. The course of true love never did run smooth. But if they're not careful, it could bring down the curtain on both their careers...

This book is approximately 196,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise! *Why Men Love Bitches* Harper Collins

From the author of the bestselling classics *We're Just Like You, Only Prettier*, and *Bless Your Heart, Tramp*, comes a collection of essays so funny, you'll shoot co'cola out of your nose. Topics

include such gems as: • Why Miss North Carolina is too nice to hate • How Gwyneth Paltrow wants to improve your pathetic life • Strapped for cash? Try cat whispering • Sex every night for a year? How do you wrap that? • Get yer Wassail on: It's carolin' time • Airlines serving up one hot mess • Action figure Jesus • Why Clay Aiken ain't marrying your glandular daughter • And much more! Complete with a treasure trove of Celia's genuine southern recipes, *You Can't Drink All Day if You Don't Start in the Morning* is sure to appeal to anyone who lives south of something.

Rude Bitches Make Me Tired
St. Martin's Press

Readers have followed Heroes in Hell through the gates of Hell to fight a war in Hell. Now, this new book in the Hell series adds a Persian conqueror, Amelia Earhart, and John the Baptist, to form the explorers that dare the

dark dominion.

Addict Chick: Sex, Drugs & Rock 'N' Roll Random House
"The funniest, New York Times bestselling southern humorist delivers a book of etiquette for the modern age. Celia Rivenbark's seventh book, *Rude Bitches Make Me Tired*, is an always sensible and mildly profane etiquette manual for real-life manners quandaries ranging from how to deal with braggy playground moms to wondering if you can have sex in your aunt's bed on vacation to correctly grieving the dearly departed (hint: It doesn't include tattoos or truck decals). In this book, Celia Rivenbark: Navigates the

agonies of check splitting ("who you into her home and her had the gorgonzola crumbles and should we really care?") Explores the baffling aspects of airline travel ("Recline Monster" and other animals) Discusses the art of the visit (always leave them wanting more. much more) Expounds upon gym and locker etiquette ("no one wants to talk to you while you're buck naked") Examines the conundrums of office manners (Loud talkers, cake hawkers, and Britney Sue's unfortunate cyst) And much more! Good manners have never been more fun!"--**Everything's Relative** Carina Press
Anne Rivers Siddons invites

heart In this collection of heartfelt and involving vignettes, Anne Rivers Siddons--the beloved bestselling author of *Downtown*, *Hill Towns*, and *Colony*--offers a stirring and insightful look at our everyday world and how one woman has chosen to live in it. Moving from memories of her gentle grandfather to her uncanny ability to attract stray animals, Siddons' intimate stories of her family are graced with the same poetic lilt and vibrant detail that have so wonderfully served her novels. For all those who know and love her works of fiction, John

Chancellor Makes Me Cry is a glorious and thoroughly entertaining treat.
Chronicle of a Death Foretold St. Martin's Press
AVAILABLE FOR THE FIRST TIME IN eBook!
A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in

disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society--not just a pair of murderers—is put

trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including *One Hundred Years of Solitude*, *Love In The Time Cholera*, *The Autumn Of The Patriarch*, *The General In His Labyrinth*, and *News Of A Kidnapping*. He died in 2014. *Great Gals Da Capo Press* What do you do when the

queen bee demands to know why you haven't written the report she never asked for? Or when the colleague who you thought was your friend takes sole credit for the project you worked on together? It's hard to speak out about catty behavior, especially when it's insidious or goes on behind your back. But you can usually sense when something's "off"—particularly if you're completely stressed out and hate the job you used

to love. Let's face it, ladies: there are plenty of nasty, manipulative, and destructive women in the workplace who fly under the radar while ruthless alpha males get all the bad press. In *Working with Bitches*, psychologist Meredith Fuller offers practical advice on how to recognize and manage difficult women at work. Dr. Fuller combines actual cases with tips that women can use right away to defuse even the worst situations. Readers will

learn how to deal with the eight types of "mean girls" they might face in the office and find powerful reassurance that they are not alone.
