**Shooter's Bible, 107th Edition** Simon and Schuster  
The one-stop-shop for prospective handgun buyers. The market for new handguns is expanding rapidly, and that’s good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun, whether you’re a recreational shooter, a concealed carry permit holder, a hunter or a serious competitive shooter. Today’s handguns offer superb machining and utilize some of the most technologically-advanced alloys, polymers and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stem from new interest in handguns, primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow-fire matches at local gun clubs to modern IPSC, IDPA and 3-gun competitions. Handgun Buyer's Guide will help both the bewildered new shooter find their feet and purchase a handgun, find the best accessories, and locate a place to practice on hone their skills. You'll find all you need for owning a handgun in the Handgun Owner's Guide! Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

*Assault on Weapons* Krause Publications  
A showcase for basic firearm skills and the most current shooting equipment and methods in use today from the bestselling team at Outdoor Life. Whatever you’re shooting, whether it’s a tricked-out MSR, a tight 1911, or a custom skeet gun, the experts at Outdoor Life have the know-how you need to take your skills to the next level. Covers handguns, rifles, shotguns, and ARs. RANGE SKILLS & HUNTING: This book is filled with tips and tricks that build solid shooting fundamentals, letting you shoot faster and more accurately. Detailed drills for advanced gun handling and manipulation complete an expert course in range accuracy. PERSONAL PROTECTION: Fortune favors the prepared, whether you’re protecting your family while out on the streets or guarding your home. The sensible, real-world tips on concealed carry and personal protection in this book could save your life. COMPETITION: Insider tips from top competitors guide you through hands-on pistol, revolver, precision rifle, AR, and action shotgun drills and techniques you can apply anywhere you shoot.  
*Gung-ho* DIANE Publishing  
25% of this book's proceeds will be donated to two military charities: the Special Operation Warrior Foundation and the Sua Sponte Foundation. This book is the complete beginner's guide to long range shooting written in simple every-day language so that it's easy to follow. Included are personal tips and best advice from my years of special operations sniper schooling and experience, and as a sniper instructor. If you are an experienced shooter, this guide will be a resource covering the principles and theory of long range shooting. This is the preliminary book to help you understand fundamental concepts such as MOA vs Mils and external ballistics, that can be like a trusted resource at the range. Learning to shoot long range isn't that difficult. Once you understand the basics, you can start to master your technique and you'll be hitting targets in no time. The author has a series of online instructional videos known for their ability to take seemingly complex areas of long range shooting and breaking them down so that they're easy to understand. This book was motivated by the feedback from those videos. The handbook is broken down into three main categories: What it is/How it works, Fundamentals, and How to use it. "What it is/How it works" covers equipment, terminology, and basic principles. "Fundamentals" covers the theory of long range shooting. "How to use it" gives you practical advice on how to implement what you've learned so far to make you a long range shooter.  
*Cold Wind* Williams & Wilkins  
Insidious. The decades-old campaign to erode our fundamental right to keep and bear arms has been one of misrepresentation and outright deceit.Perpetuated by self-appointed progressive social engineers and Utopian idealists, the incremental disarmament of American citizens, through legislation, litigation and cultural bigotry has become a serious threat to liberty and personal safety.Assault on Weapons reveals the history of the gun prohibition movement, a politically-motivated elitist effort built on myths, distortions and lies. Following their successful collaborations on America Fights Back: Armed Self-Defense in a Violent Age and These Dogs Don't Hunt: The Democrats' War on Guns, authors Alan Gottlieb and Dave Workman are back again with a hard-hitting expose that dismantles the campaign to destroy the Second Amendment.  
*American Guardian* Man At Arms Bookshelf  
Joe Pickett investigates a murder that hits close to home in this thriller in the #1 New York Times bestselling series. “I would say that C. J. Box is at the top of his form, but the top just keeps moving ever upward...A nonstop thrill ride not to be missed!”—Bookpage  
When Earl Alden is found dead, dangling from a wind turbine, his wife, Missy, is arrested. Unfortunately for Joe Pickett, Missy is his much-disliked mother-in-law, and he's not sure what to

---

do—especially since it looks like Missy is guilty as sin. But then things happen to make Joe wonder: Is Earl's death what it appears to be? Is Missy being set up? He has the county DA and sheriff on one side, his wife on the other, his estranged friend Nate on a lethal mission of his own, and some powerful interests breathing down his neck. Whichever way this goes, it's not going to be good...

*The Pennsylvania Sportsman* Skyhorse Publishing Inc.

A resource with two hundred color photographs includes complete up-to-date information on new products, specifications, and prices for thousands of firearms and related equipment, and offers feature articles written by experts and comprehensive ballistictables.
