"The Bestselling Hardcover
Novel of the
Year."--Publishers Weekly
From the number-one
bestselling author of *The
Nightingale* and *The Great
Alone* comes a powerful
American epic about love
and heroism and hope, set
during the Great Depression,
a time when the country was

in crisis and at war with itself,
when millions were out of
work and even the land
seemed to have turned
against them. " My land tells
its story if you listen. The
story of our family. " Texas,
1921. A time of abundance.
The Great War is over, the
bounty of the land is
plentiful, and America is on
the brink of a new and
optimistic era. But for Elsa
Wolcott, deemed too old to
marry in a time when
marriage is a woman ' s only
option, the future seems
bleak. Until the night she

meets Rafe Martinelli and
decides to change the
direction of her life. With her
reputation in ruin, there is
only one respectable choice:
marriage to a man she barely
knows. By 1934, the world
has changed; millions are out
of work and drought has
devastated the Great Plains.
Farmers are fighting to keep
their land and their
livelihoods as crops fail and
water dries up and the earth
cracks open. Dust storms roll
relentlessly across the plains.
Everything on the Martinelli
farm is dying, including

Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that

divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, The Four Winds is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

matsutake helps forests to grow in daunting places. It is also an edible delicacy in Japan, where it sometimes commands astronomical prices. In all its contradictions, matsutake offers insights into areas far beyond just mushrooms and addresses a crucial question: what manages to live in the ruins we have made? A tale of diversity within our	damaged landscapes, The Mushroom at the End of the World follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish	nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction. as danger escalates all
around them, she is
forced to make one

impossible choice after
another to keep her
family alive. Vianne's
sister, Isabelle, is a
rebellious eighteen-
year-old girl,
searching for purpose
with all the reckless
passion of youth. While
thousands of Parisians
march into the unknown
terrors of war, she
meets G etan, a
partisan who believes
the French can fight
the Nazis from within
France, and she falls
in love as only the
young can...completely.
But when he betrays
her, Isabelle joins the

Resistance and never looks back, risking her life time and again to save others. With courage, grace and powerful insight, bestselling author Kristin Hannah captures the epic panorama of WWII and illuminates an intimate part of history seldom seen: the women's war. The Nightingale tells the stories of two sisters, separated by years and experience, by ideals, passion and circumstance, each embarking on her own dangerous path toward	survival, love, and freedom in German- occupied, war-torn France--a heartbreakingly beautiful novel that celebrates the resilience of the human spirit and the durability of women.
