The Billionaire's
Retreat by Rachel
Hanna is a wonderful
love story. The

characters were realistic and well written. I wish the book was just a bit longer because Rachel brings each character to life and you don't want the book to end. The book was very well written and heartwarming. I read this book in one night I didn't want to put it down.

Start by marking "Ruined (Ruined, #1)" as Want to Read: ... This is the first book I have read by Rachel Hanna. This book was filled with so much loss, heartache, hope, forgiveness and love. The storyline was amazing you couldn't help but get caught up in the book. I

don't want to give anything away all I can say is this is a must read.
