The spiritual influence of Jelaluddin Rumi (1207-1273) is increasing among people of diverse beliefs throughout the western world. Rumi is now recognized here in the West, as he has been for seven centuries in the Middle East and Western Asia, as one of the greatest literary and spiritual figures of all time. Rumi is a spokesman for the religion of love in the language of the heart. Recent translations of Rumi's work have brought forth a variety of different qualities, exploring the subtlety, grace, and electricity of his verse. This book presents his spiritual teachings concisely and

comprehensively, in a translation that touches heart and mind. The Mathnawi, from which these selections have been taken, is one of the greatest spiritual masterpieces ever written. Its content includes the full spectrum of life on earth, as well as the vertical dimension to the highest levels of metaphysics and cosmic awareness.

The Book of Rumi Everyman's Library Rowdy, ecstatic, and sometimes stern, these teaching stories and fables reveal new and very human properties in Rumi's vision. Included here are the notorious "Latin parts" that Reynold Nicholson felt were too unseemly to appear in English in his 1920s translation. For Rumi, anything that human beings do#8212however compulsive#8212affords a glimpse into the inner life. Here are more than 40 fables or teaching stories that deal with love, laughter, death, betrayal, and the soul. The stories are exuberant, earthy, and bursting with vitality#8212much like a painting by Hieronymus Bosch or Chaucer's Canterbury Tales. The characters are guilty, lecherous, tricky, ribald, and finally possessors of opened souls. Barks writes: "These teaching stories are a kind of scrimshaw#8212intricately carved, busy figures, confused and threatening, and weirdly funny. This is an entertaining collection from

one of the greatest spiritual poets of all time, rendered by his most popular translator. "The minute I heard my first love story, I started looking for you, not knowing how blind that was. Lovers don't finally meet somewhere. They're in each other all along."

A Year with Rumi Shambhala Publications

2007 is the "Year of Rumi," and who better than Coleman Barks, Rumi's unlikely, supremely passionate ambassador, to mark the milestone of this great poet's 800th birthday? Barks, who was recently awarded an honorary doctorate in Persian language and literature by the University of Tehran for his thirty years of translating Rumi, has collected and translated ninety new poems, most of them never published before in any form. The result is this beautiful edition titled *Rumi: Bridge to the Soul*. The "bridge" in the title is a reference to the Khajou Bridge in Isphahan, Iran, which Barks visited with Robert Bly in May of 2006—a trip that in many ways prompted this book. The "soul bridge" also suggests Rumi himself, who crosses cultures and religions and brings us all together to listen to his words, regardless of origin or creed. Open this book and let Rumi's poetry carry you into the interior silence and joy of the spirit, the place that unites conscious knowing with a deeper, more soulful understanding.

Rumi's Secret Shambhala Publications
Considered one of the masterpieces of world literature, *The Big Red Book* is perhaps the greatest work of Rumi, the medieval Sufi mystic who also happens to

be the bestselling poet in America. Rumi was born in 1207 to a long line of Islamic theologians and lawyers on the eastern edge of the Persian Empire in what is now Afghanistan. In order to escape the invading Mongol armies of Genghis Khan, his family moved west to a town now found in Turkey, where he eventually became the leader of a school of whirling dervishes. It was a fateful day in 1244 when he met Shams Tabriz, a wild mystic with rare gifts and insight. The renowned scholar Rumi had found a soul mate and friend who would become his spiritual mentor and literary muse. "What I had thought of before as God," Rumi said, "I met today in a human being." Out of their friendship, Rumi wrote thousands of lyric poems and short quatrains in honor of his friend Shams Tabriz. They are poems of divine epiphany, spiritual awakening, friendship, and love. For centuries, Rumi's collection of these verses has traditionally been bound in a red cover, hence the title of this inspired classic of spiritual literature.

The Masnavi of Rumi, Book Two

Penguin Classics

This book (previously published as I Am Wind, You Are Fire) celebrates the extraordinary career of Persia's great mystical poet, Rumi (1207 – 1273), through the story of his life, along with an enlightening examination of his ecstatic verse.

Rumi lived the quiet life of a religious teacher in Anatolia until the age of thirty-seven, when he came under the influence of a whirling dervish, Shams Tabriz, and was moved to a state of mystical ecstasy. One of the results of this ecstasy was a prodigious output of poems about the search for the lost Divine Beloved, whom Rumi identified with Shams. To symbolize this search, Rumi also invented the famous whirling dance of the Melevi dervishes, which are performed accompanied by the chanting of Rumi's poems. Professor Schimmel illuminates the symbolism and significance of Rumi's vast output and offers her own translations of some of his most famous poems.
