From the author of *Slow Heat*, *The Trouble with Paradise*, and the *Lucky Harbor* novels... Pace Martin is the ace pitcher for the Pacific Heat. He's got the arm, the experience and the wins. He's also got the pain, the pressure, and the possible end of his career looming over him. The last thing he needs now is a distraction, even if it comes in the form of a tough, beautiful, tell-it-like-it-is writer who sees past his defenses. Holly Hutchins knows a good story when she sees one, and the tall, dark and slightly attitude-ridden Pace Martin fits the bill. But when she realizes there's more at stake than just the win, she starts to notice the handsome

broad-shouldered jock in a different light. Pace and Holly begin a seductive game in which neither wants to drop the ball, but in the face of an unexpected betrayal and challenge, they'll have to find the courage to swing for the fences...

FIRST IN THE ANIMAL MAGNETISM SERIES!

Sunshine, Idaho, is a small and sunny town—the perfect home for man and beast. Well, maybe not for man, as pilot-for-hire Brady Miller discovers when his truck is rear-ended by what appears to be Noah's Ark. As the co-owner of the town's

only kennel, Lilah Young has good reason to be distracted behind the wheel—there are puppies, a piglet, and a duck in her Jeep. But, she doesn't find it hard to focus on the sexy, gorgeous stranger she's collided with. Lilah has lived in Sunshine all her life, and though Brady is just passing through, he has her abandoning her instincts and giving in to a primal desire. It's Brady's nature to resist being tied down, but there's something about Lilah and her menagerie—both animal and human—that keeps him coming back for more...

Canada Medical and Surgical Journal Penguin Weaving culinary delights with an honest, appraising look at how we deal with the world when it becomes too much, Closer to Okay is the comfort food we all need in these, well, crazy times. Kyle Davies is doing fine. She has her routine, after all, ingrained in her from years of working as a baker: wake up, make breakfast, prep the dough, make lunch, work the dough, make dinner, bake dessert, go to bed. Wash, rinse, repeat.

It's a good routine. Comforting. Almost enough to help her forget the scars on her wrist, still healing from when she slit it a few weeks ago; that she lost her job at the bakery when she checked herself in as an inpatient at Hope House; then signed away all decisions about her life, medical care, and wellbeing to Dr. Booth (who may or may not be a hack). So, yeah, Kyle's doing just fine. Except that a new item's been added to her daily to-do list recently: stare out her window at the coffee shop (named, well...The Coffee Shop) across the street, and its hot owner, Jackson. It's healthy to have eye candy when you're

locked in the psych ward, right? feeling of being truly taken care of is bliss, like floating on a wave. But at a time when Kyle is barely managing her own problems, she finds herself suddenly thrown into the deep end of someone else's. Dr. Booth may have been right after all: falling in love may be the thing that sends Kyle into a backslide she might never be able to crawl out of. Is Jackson too much for her to handle? Does love come at the cost of sanity?

Something low risk to keep yourself distracted. So when Dr. Booth allows Kyle to leave the facility--two hours a day to go wherever she wants--she decides to up the stakes a little more. Why not visit? Why not see what Jackson's like in person? Turns out that Jackson's a jerk with a heart of gold, a deadly combination that Kyle finds herself drawn to more than she should be. (Aren't we all?) At a time when Dr. Booth delivers near-constant warnings about the dangers of romantic entanglements, Kyle is pulled further and further into Jackson's orbit. At first, the

Animal Magnetism Penguin Love is a dare in this Animal Magnetism romance by the award-winning, New York

Times bestselling author of the Lucky Harbor series... Darcy Stone is game for anything—except sexy Navy vet and physical therapist AJ Colten, the guy who'd rejected her when she'd needed him most. Now the shoe is on the other foot and he needs her to play nice and help him secure grants for his patients.

Unfortunately Darcy can't refuse. She needs the money to fund her passion project: rescuing S&R dogs and placing them with emotionally wounded soldiers. AJ admits it—Darcy is irresistible. But he's already been battle-scarred by a strong-willed, vivacious, adventurous woman like

Darcy, and he's not making the same mistake twice—until he and Darcy are forced to fake a relationship. Growing closer than they'd ever imagined possible, Darcy and AJ have to ask themselves: how much between them is pretend? What's the real thing? And where does it go from here? *Closer to Okay* Penguin This edition consists of official reports sent by British envoys in Germany to the Foreign Office in London. The diversity and number of missions within the German Confederation offers the reader an opportunity for a pluralistic perception of German affairs by several British diplomats.

The selection presents their main attitudes to the political, economic, cultural, military, and social situation in the German states. All despatches relevant to this first volume which covers the period 1816-1829 have been transcribed from the original for the first time.

From "one of the most significant figures of the last generation of fantasy", comes Francesco Dimitri's debut

novel in English, an enthralling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is

farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, that promises to

reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.
