Sammy Keyes and the Night of Skulls Yearling Books

"The most winning junior detective ever in teen lit. (Take that, Nancy Drew!)" —Midwest Children's Book Review The bad news: Sammy's made a deadly mistake. The good news: No one knows she did it. The delicious dilemma: Everyone thinks her archenemy Heather is to blame. Now Heather is in a major jam, and in some ways it's only fair—Heather has pinned more than a few crimes on Sammy. Besides, there are distractions galore to keep Sammy from confessing. Like the end of the school year. And the Farewell Dance. Especially the dance, since she's going with Heather's (dreamy) brother Casey. But Sammy knows the truth has an uncanny way of resurfacing, and when it does, the stench can be more vile than the junior high cafeteria. The Sammy Keyes mysteries are fast-paced, funny, thoroughly modern, and true whodunits. Each mystery is exciting and dramatic, but it's the drama in Sammy's personal life that keeps readers coming back to see what happens next with her love interest Casey, her soap-star mother, and her mysterious father.

Don't miss the eighth book in the series that's been described as "a combination of Carl Hiaasen's Flush and Janet Evanovich's Stephanie Plum books" (School Library Journal) and hailed as "nonstop whodunits" (Kirkus Reviews)! The artsy crowd thinks Sammy Keyes has a lot of nerve showing up at a fancy reception in high-tops. Sammy may have stopped one criminal, but the real crime at this show has yet to be discovered. The real crime is more subtle, more artful, than anything Sammy's ever seen. The matchless Munro makes art out of everyday lives in this dazzling new collection. At its centre are three stories connected into one marvellously rich narrative about Juliet - who escapes from teaching at a girls' school and throws herself into a wild and passionate love match. Here are men and women of wildly different times and circumstances, their lives made vividly palpable by the nuance and empathy of Munro's writing. *Runaway* is about the power and betrayals of love, about lost children, lost chances. There is pain and desolation beneath the surface, like a needle in the heart, which makes these stories more powerful and compelling than anything she has written.

WINNER OF THE NOBEL PRIZE® IN LITERATURE 2013 This acclaimed, bestselling collection also contains the celebrated stories that inspired the Pedro Almodóvar film *Julieta*. *Runaway* is a book of extraordinary stories about love and its infinite betrayals and surprises, from the title story about a young woman who, though she thinks she wants to, is incapable of leaving her husband, to three stories about a woman named Juliet and the emotions that complicate the luster of her intimate relationships. It is her miraculous gift to make these stories as real and unforgettable as our own.
