Ashleigh Butler has spent a decade living and travelling in campervans across Australia and the US with her partner, Jared. Although she left behind the ideals and conveniences of suburban life, Ash wasn't prepared to abandon wholesome and conscious cooking, even in their unconventional kitchens. In her first collection of more than 65 recipes for campervans, caravans and tiny homes, Ash shows it's simple to cook delicious, seasonal and nourishing food when all you've got is a two-burner stove, a small fridge and an incredible, everchanging view. This is food for adventurers with a mind for sustainability and anyone who wants to eat fresh, wholesome meals as varied as the seasons, locations and friends they meet along their journey. For every copy sold, one tree is planted.

Searching for even more wild places and new experiences, Dan became determined to explore 'off the map' in Africa. From the mighty Sahara Desert in the north to the dense equatorial jungles of the Congo and the open grasslands of Southern Africa, Dan turned his biggest dream into reality. Over the course of three years Dan's second major expedition spanned fifty-four thousand miles through thirty-five unique African countries. THE ADVENTURE WAS A THOUSAND TIMES BIGGER THAN HE DREAMED POSSIBLE. After exploring the Pan-American Highway from Alaska to Argentina Dan became hooked on the freedom of global overland travel, and he only wanted more. New languages, exotic foods, stunning landscapes and local people with an entirely different outlook became Dan's everyday life. As the months turned into years, through highlights and despair Dan gained a new appreciation for what it truly means to be alive. Viewing our modern world through African eyes gave Dan a new perspective, and he was pulled in by the endless joy, laughter and kindness at every turn. While the landscapes and wildlife are undeniably breathtaking, it is the natural warmth of the African people that is truly unforgettable. All across the continent Dan was welcomed with love and generosity, and now he will never be the same.
