The black dress that served as a trusty prop went up in smoke with the original car, but her wardrobe has remained as casual and ready for action as ever. The angst and introspection of Kinsey's own past in recent books is behind her. **S IS FOR SILENCE** is a departure from the formula that had become the signature of the Alphabet mysteries.

However, **S is for Silence**, is a departure from the norm, and my thoughts are ambivalent. The plot surrounds a long-ago disappearance, and Kinsey is called in to investigate. At the onset of the novel, flash backs to the early '50s are employed, and for the most part, Grafton does this easily using grace and accuracy.

["S" Is for Silence - Wikipedia](#)

"**S**" **Is for Silence** is the 19th novel in Sue Grafton's "Alphabet" series of mystery novels and features Kinsey Millhone, a private eye based in Santa Teresa, California. In a departure from the series format, this novel is set in alternating chapters both in the "past" of 1953 and the "present" of 1987.

**Books similar to S is for Silence (Kinsey Millhone, #19)**

**S Is for Silence.** **S Is for Silence** is the 19th book in the Kinsey Milhone series by Sue Grafton. I am an avid Sue Grafton fan, having read all of the series A through the present **S**. I have even "named" some of the present and future books, although Sue has not always agreed with my choice of titles.

*System - OverDrive*

California private investigator Kinsey Millhone is hired to solve a decades-old cold case in this "undeniably entertaining" (Los Angeles Times) #1 New York Times bestseller from Sue Grafton. Cases don't get much colder than that of Violet Sullivan, who disappeared from her rural California town in 1953,...

**S is for Silence: A Kinsey Millhone Novel - Kindle edition ...**

S is for Silence was a real page turner and a far better read than R is for Ricochet. The only thing I don't like is the jumping back and forth with the present and the flashbacks to fill in the story background.

S is for Silence by Sue Grafton:

9780399575204 ...

Kinsey Millhone ( R Is for Ricochet, 2004, etc.) is pulled into the ancient case of the bad-girl wife and mother who ran off without her man and without a trace. On the evening of July 4, 1953, Violet Sullivan celebrated her independence by blowing a kiss to her daughter Daisy, 7, and her babysitter, Liza Mellincamp,...

S Is For Silence Kinsey

S is for Silence was a real page turner and a far better read than R is for Ricochet. Nice to know Sue Grafton hasn't lost her touch. Unfortunately, the ending left me thinking, 'huh?'. The guilty party made absolutely no sense at all --no compelling motive and certainly no motive for the ultimate brutality to Violet.

*S is for Silence: A Kinsey Millhone Novel by Sue Grafton ...*

S is for Stereotype and sophomoric. I really enjoyed the earlier Kinsey Milhone books, especially in audio form. Judy Kaye is a good reader. But the characters in this episode were shallow and artificial. Violet is so typical as a sexually-irresistable vamp, and all the men fall like dominoes at her feet.
