FIREARMS GUIDE 4th EDITION Five products on one DVD every shooter must have: Firearms Guide is the world's most extensive firearms, ammo and air guns reference guide and gun schematics library. It is a must have for anyone with an interest in firearms, air guns, ammunition, hunting and shooting, both for professionals and hobbyists. It is the ultimate tool to search, find, identify and research modern and historic guns. Our database of 57,000 guns and ammo from 630 manufacturers worldwide and over 4,300 gun schematics with parts lists from 360 manufacturers is so extensive, we couldn't fit it in a book, so we put it on a double-layer DVD for your computer! Even though it is on DVD, Firearms Guide does not require any installation on the user's computer, it starts automatically when inserted, so it's really not software but a gun reference guide readable on PC. Using the Firearms Guide saves a lot of time and money for gun enthusiasts. Instead of buying several publications and surfing for hours on the internet from one manufacturer's website to another, by searching the Firearms Guide's database of 57,000 models from 630 manufacturers from around the world with 14 search criteria, the user gets a search result literally in a second. The user can check out guns, compare them and their prices, check the ammo that they use, and start another search. Plus, guns are presented with exclusive

high-resolution color pictures unavailable anywhere else.-
EXAMPLE 1: If you search Firearms Multimedia Guide by using this search criteria: Pistol, 45 ACP, Made in USA, Polymer frame, Stainless slide finish, With accessory rail, in price range \$500 - \$1,000 your search result will be 7 pistols. Try to do that in Google.- EXAMPLE 2: If you type in the Google search bar: Shotgun, Pump action, Thumbhole stock your search result will be 26,400 web sites. If you use the same search criteria in the Firearms Guide your search result will be 18 shotguns.- EXAMPLE 3: If you type in the Google search bar: Pistol, 9mm Luger, Made in USA your search result will be 53,500 web sites. If you use the same search criteria in the Firearms Guide your search result will be 72 pistols 1. Reference guide that presents over 57,000 models of Firearms, Airguns and Ammo from 630 manufacturers worldwide (45 countries)! • Now with Historic & Military Firearms - machine and submachine guns, assault rifles and other guns from Civil War, WWI, WWII, Vietnam War, etc • Computer searchable with 14 different search criteria! Find any gun in a second! • Presents models with Tech Specs – Hi-Resolution Color Pictures – Features - Ballistics – Prices! • Over 39,000 high-resolution color pictures in resolution up to 6636 x 1492! • Up to 12 pictures per model! Zoom in to see the smallest details! • Guns are presented in different finishes, stock types and stock materials! • Exclusive U.S. and EU custom guns with price tags up to \$1,000,000! • Interlinked ammo and gun database. Check the stopping power of each gun with one click. 2. Schematics Library with over 4,300 high resolution gun schematics with parts lists from 360 manufacturers! • Search for a specific gun schematic by manufacturer, then choose the model and zoom in to see the smallest gun parts and print out any schematic. • Schematics are for old and new guns 3. FFL Locator – Database of over 62,000 gun dealers in the USA with phone numbers and

addresses. When you need a gun dealer find them by type of license, by state and by ZIP code. 4. 500 Printable Targets – Print as many as you like! Shoot as many as you like! Choose from a great selection: game animals, silhouettes, crosshairs, sight-ins, fun-to-shoot objects, etc. Both black & white and color targets! 5. US-EU Ammo Caliber Chart - No more hassle trying to figure out which EU ammo caliber is which US ammo caliber. We've figured it out for you, from US to EU and EU to US - works both ways!

The Double Macmillan

When Charles Reynolds, award winning reporter, tries to help out an old girlfriend, he unwittingly stumbles into a plot to attack the U.S. Southern Command (SOCOM) and a political scheme to allow the mob access to gambling casinos. Now both the mob and the terrorists are hot on the trail to eliminate Reynolds and anyone else that stands in their way.

Small Town Secrets Sonya Lee

Freelance reporter Jack Hatfield stumbles upon a conspiracy to destroy Mecca and enlists the help of his friends operating just outside the reach of the law. By the best-selling author of Abuse of Power.

Place by the Sea

 Simon and Schuster

Due to so much misinformation throughout America regarding firearms, I got tired of seeing innocent people die each and every day at the hands of criminals. I've come to take this poor information and loss of innocent lives in this great country very personally, and I decided to put together a book that very thoroughly explains the way firearms and ammunition work and why they do what they do. With extensive information, I hope to further your knowledge and teach you many things to help save your life one day. This book is intended for those with absolutely no experience in firearms and also for those professionals who carry a gun every day for a living. It covers certain

specific information to help every household in America to become familiar with firearms, including the most commonly owned firearms, so that nobody will be left owning a gun they cannot or should not use, and prevent as many injuries as possible. Also, it assures that you will learn considerable information and be much more prepared to maintain your life in addition to maintaining FREE America.

"Outstanding plot, unique twists and turns, and the writing style is superb...Highly recommend for crime and mystery fans."

—Goodreads Reviewer
She could feel her life draining from her body, but there was nothing she could do except wait until it was all over...and for the darkness to descend upon her. The brutal murder of Claire Reeves, a successful entrepreneur, darkens Christmas Eve for Detective Madison

Knight, who is assigned the case. Claire was found stabbed in her home, and her intimate attire would suggest her killer was someone close to her, but Madison knows things aren't always as they appear. As Madison investigates, the lies and secrets pile up and reveal a long list of people who aren't shedding any tears that Claire's dead. Friends, lovers, and former business partners—they're all suspects. After all, Claire's love was money, and she thought nothing of betraying even those closest to her. No one can be trusted, but if there's going to be justice, Madison will need to determine who had the most motive to pull off the crime. But just when Madison thinks she's getting closer to finding the truth, there's a deadly twist she never saw coming. An absolutely gripping mystery thriller. Perfect for fans of Lisa Regan, Rachel Caine, and Robert Dugoni. The Detective Madison Knight Series is currently optioned and under development by Muse Entertainment and Pop Fiction. Readers love Justified: "Awesome book from a fantastic series." "This case was so complicated it kept me reading until the early hours." "Loved the previous one and now I'm officially addicted." "Totally draws you in and captures your attention." "A really good mystery with great characters." "My highest praise, this is some great story telling!" "Arnold kept [me] guessing right to the end." "I honestly consider this series like a favorite show...friendly, dependable characters and an intriguing case."

Dead Eyes "Book III of the Guardian Saga" Simon
and Schuster

As people disappear from his streets, and a handful of battered and broken bodies are discovered on his patch, Lapslie has no idea that

he's up against a man who feels sound like he can taste it. He hunts people down. Men, women, anyone with a voice. He makes them hurt, he makes them bleed, he makes them scream. If the sound is ugly, he dispatches them without thought, but if it makes him feel good inside, he keeps them in his basement. Torturing them slowly, listening for that awful, wonderful sound. And sooner or later he'll have enough to make them sing his favorite things.

Multiple Priorities Lulu.com

A father's murder and a son's ruthless betrayal are at the heart of the new novel by "master of suspense" (Publishers Weekly) James W. Hall Earl Hammond, the wealthy patriarch of a family of ranchers, lies dead, shot just as he was to donate his Coquina Ranch to the state to preserve it from developers. Spearheading the plan to save this environmental treasure was Thorn, a reluctant heir to a secret family fortune, who now finds himself in terrible danger as well. A pair of deviant brothers, both contract killers, kidnap him and drags him to a game preserve, surrounded by herds of exotic and very dangerous animals. He is entrapped in a sinkhole—a geological dungeon from which there is no escape. But Frisco Hammond, the dark sheep of the family, is drawn into the investigation of his father's murder and Thorn's disappearance. He suspects the crimes are related. Helping him is his brother's beautiful, troubled wife, Clare. They uncover a trail that leads back to the 1930's, to a cabal of powerful and rich men with a sinister plan. Silencer pits brother against brother and wife against husband in a thriller that proves once again that James Hall is "the king of the Florida-gothic noir" (Dennis Lehane).

From authoritative reports on the newest

rifles, shotguns and handguns to the full catalog of commercial and semi-custom arms, muzzle loaders and air guns, this book contains the meat of what the shooting buff wants to know. This is also the only published annual source for the NRA's latest compilation of firearms and concealed carry regulations by state.

WheatShaft Gold Eagle

In light of the 2nd Amendment debates, shooting may become the national passtime. To act responsibly within the 2nd Amendment, means knowing how to properly "bear arms". Knowing involves understanding firearm types, firearm operation, ammunition, internal ballistics, and shooting. These require training, especially shooting. Whether you own or plan to own a handgun for recreation, competition, or self-defense, training is of the utmost importance. When you fire a projectile (bullet) from a firearm, you are responsible for where it goes. You need to understand how fast it travels, how far it can travel, and how accurate your firearm is in delivering the projectile to your intended target. Yes, bearing arms is a right, but not one to be taken lightly. Firing a handgun is a grave responsibility and must be done correctly and with a full understanding of all the components that make up "shooting".

Last Shot at Justice Simon and Schuster
Taking a hard, penetrating look at the despondent heart of darkness of the 1990s, *The Death Proclamation of Generation X* is a probing chronicle of America's thirteenth generation caught between the idealistic Baby Boomers and the well-financed Generation Y. Generation X was scapegoated and dismissed without the chance to prove themselves. Blending tenets of psychology, sociology, and cultural anthropology, author Maxim Furek offers a unique perspective to the post-modernist discourse by exploring the impact that personalities such as Andrew Wood, Kurt Cobain, Layne Staley, River Phoenix, Marilyn Manson, and Anna Nicole Smith left on that generation. Evaluating the psychological and sociological variables of goth, grunge, and heroin, Furek weaves a dark tapestry of this unique demographic

group born between 1965 and 1978. *The Death Proclamation of Generation X* pieces together the complexities of Generation X to acknowledge their individuality, honor their existence, and to celebrate their future. They are a group with their own identity of music, attitude, and culture. The resilience of Generation X is but another example of the power of this special collection of people—a group of highly skilled and adaptive individuals.

Firearms Multimedia Guide Kensington Publishing Corp.

Carter Talbot has served Her Majesty's Government for all his adult life. He needs a rest. Nearly forty years in the Army and the FCO have taken him around the World's trouble spots, and into loads of trouble. His character and training have seen him through the worst of times. Now, it's time to share his stories. He takes a pen name and hides away in the Outer Hebrides to write his memoirs. His well-deserved retirement is shattered when an unexpected element of the past catches up with him, leading into a whirlpool of long dormant emotions. A personal history of war, lost love and regret, looms large as he tries to come to terms with the different demands aimed in his direction, and in defending his place by the sea. In Simon Clayton's second novel, he weaves together themes including genocide, heartbreak, family conflict, soldiering and revenge, through the looking glass of Talbot's experience and the people in his life. This book will shock you,

make you laugh, and make you cry. *Shooter's Bible, 106th Edition* iUniverse With over seven million copies sold, this is the must-have reference book for gun collectors and firearm enthusiasts of all ages. Countdown to Mecca Simon and Schuster
When You Send Your Children To School In The Morning, Do You Worry That You May Never See

Them Again? In this insightful look at the danger that threatens students and families today, investigative journalist and longtime educator Joseph A. Lieberman takes us inside the minds and hearts of everyone affected by school shootings--and the kids who commit the shocking crimes. Lieberman became intimately acquainted with this terrifying epidemic during an unforgettable, heartbreaking encounter with a traumatized survivor of a notorious school shooting. The issue became even more personal when his daughter's schoolgrounds were invaded by an angry fifteen-year-old dropout with two loaded stolen handguns and extra ammunition. After years of intensive research, Lieberman shares his findings, shedding dramatic new light on school shootings--from Columbine to Virginia Tech and more--and offers practical strategies for how we can respond to and even prevent them. School Shootings offers new understanding on:

- How many of the shooters were depressed or suicidal, or had psychotic symptoms
- Why it is almost always boys, rarely girls, who commit these killings
- Why so many school shootings have taken place in our current cultural climate
- How American incidents are similar to--and differ from--what's happening in other countries

Whether you're an educator, a parent, a counselor, or in law enforcement, School Shootings is timely, compelling, and indispensable. "This book has been a real hit on campus. The students are drawn in immediately, and can hardly put the book down. It's a great book for a College Reading course, and for getting students interested in reading again! I've used it two semesters, and look forward to using the updated version this Fall." -- Vicki M. Pettus, Adjunct Professor, Dept. of Language, Literature, and Philosophy, Kentucky State University "Heartbreaking and eye-opening." --Nancy Stap, radio host, Air America "Riveting!" --Madalyn Tower, Oregon School Counselors Association "This is the

book that finally connects the dots and could help prevent the next school shooting." --Nancy Willard, author of Cyberbullying, Cyberthreats "Thoughtful and refreshingly frank, this book will no doubt save lives." --Jodee Blanco, author of Please Stop Laughing at Me With 16 pages of dramatic photos Firearms Guide 3rd Edition Impressum Media Inc On April 16, 2007, a Virginia Tech student killed 32 of his classmates and professors and then turned the gun on himself. The media focused their power and our attention on the campus, the students and faculty of Virginia Tech, and the gunman and his victims. But we have yet to understand fully what happened in Blacksburg. There is a Gunman on Campus brings our thoughts back to the shocking campus shootings and the public reactions to the event, shining needed light on what occurred at the university, how American society reacted, and how it all fits into contemporary culture.
