Now available for Pre-Order! A common resolution set at the beginning of a new year is to "get my financial house in order." But how can you build a house, let alone pour any kind of foundation, without a blueprint? There are dozens of books and gurus trying to push their advice and tell you how to spend and invest your money. And then, there are three suburban dads just trying to make the world a little bit better. Meet Brad Barrett and Jonathan Mendonsa of the award-winning ChooseFI podcast and Chris Mamula of the popular blog "Can I Retire Yet?". They have walked the talk and now want to share their knowledge with you. Together, these three regular guys will show you how they did something extraordinary. They are all financially

independent and doing meaningful work that fulfills them. All three left their corporate 9 to 5 jobs and are reaping the benefits of extra time with their families. Mirroring the format of the popular ChooseFI podcast, this book pulls from the collective knowledge of those who have decided to build a lifestyle around their passions instead of allowing their finances to dictate their future. These stories demonstrate universal principles, giving you the opportunity to pick the elements that are the most applicable to your financial situation and "choose your own adventure." The book covers a wide range of topics that will help you build a strong financial foundation: Developing a growth mindset Defining your values and aligning them with your spending Cutting years from your estimated retirement date Questioning the status quo on "required expenses" Cutting travel expenses and putting family vacations within your reach Learning how to earn more and live with abundance Updating the commonly accepted wisdom on college education and the debt associated with it Cutting through the noise on investing to discover strategies that work Showing how to implement investment strategies that enable the lifestyle you desire while controlling downside risk FI or Financial Independence is the new debt-free and getting back to 0 is just the beginning of a wonderful journey. Whether you have mountains of debt now or are recently debt free and wondering what to do next, Choose FI: Your Blueprint to Financial Independence will give you the information to guide your next move.

### Get Rich With Options Financialmentor.com

In order to survive and thrive in today's financial markets, you must seriously consider the use of options in your investment endeavors. Options allow you to reap the same benefits as an outright stock or commodity trade, but with less risk and less money on the line. The truth is, you can achieve everything with options that you would with stocks or commodities?at less cost?while gaining a much higher percentage return on your invested dollars. After numerous years as a market maker in the trenches of the New York Mercantile Exchange, few analysts know how to make money trading options like author Lee Lowell. In this well-rounded resource, Lowell shows both stock and commodity option traders exactly what works and what doesn't. Filled with in-depth insight and expert advice, Get Rich with Options provides you with the knowledge and strategies needed to achieve optimal results within the options market. The book quickly covers the basics?how options are priced, strike price selection, the use of Delta, and using volatility to one's advantage?before moving on to the four options trading strategies that have helped Lowell profit in this arena time and again: buying deep-in-the-money call options, selling naked puts, selling option credit spreads, and selling covered calls. Using these strategies decisively, he says, is the fastest route to riches in the options trading game. Get Rich with Options is packed with real-life examples of actual trades and detailed discussions of how options can be used as a hedging, speculating, or income-producing tool. You'll learn how to set up a home business with

the best options trading software, tools, and Web sites. And you'll begin to see options in a whole new light and discover how to become part of a small group of investors who consistently win.

### The Millionaire Real Estate Investor

The author of the New York Times Bestseller THE \$100 STARTUP, shows how to launch a profitable side hustle in just 27 days. To some, the idea of quitting their day job to start a business is exhilarating. For others, it ' s terrifying. After all, a job

---

that produces a steady paycheck can be difficult to give up. But in a time when businesses have so little loyalty to employees that the very notion of “ job security ” has become a punchline, wouldn ’ t it be great to have an additional source of income to fall back on? And wouldn ’ t it be great to make that happen without leaving your day job? Enter the Side Hustle. Based on detailed information from hundreds of case studies, Chris Guillebeau provides a step-by-step guide that anyone can use to create and launch a profitable project in less than a month. Designed for the busy and impatient, this plan will have you generating income immediately, without the risk of throwing yourself head first into the world of entrepreneurship. Whether you just want to make some extra money, or start something that may end up replacing your day job entirely, the side hustle is the new job security. When you generate income from multiple sources, it gives you options, and in today ’ s world, options aren't just nice to have: they're essential. You don ’ t need entrepreneurial experience to launch a profitable side hustle. You don ’ t need a business degree, know how to code, or be an expert marketer. And you certainly don ’ t need employees or investors. With this book as your guide, anyone can learn to build a fast track to freedom.
