"The rhythmic, onomatopoeic text dances across exuberant watercolors with lots of movement. This celebration of a child's

agency in choosing a means of artistic expression strikes just the right note." --Kirkus "A delightful offering for reading aloud, especially during music-themed storytimes." --School Library Journal From New York Times bestselling author Chris Barton and new illustrator Louis Thomas comes a fun, rhythmic picture book about finding the music that is perfect for you! A boy who loves to make noise gets to pick only one instrument (at his parents urging) in a music store, but there is too much to choose from! There's triangles and sousaphones! There's guitars and harpsichords! Bagpipes and cellos and trombones! How can he find the one that is just right for him out of all those options?

The Operative

An ex-CIA agent hunts down a terrorist conspiracy in a thriller by the New York Times bestselling author who “may well give Tom Clancy a run for the money” (St. Louis Post-Dispatch). After more

than a decade on the front lines of the war on terror, Ryan Kealey is finally putting danger behind him. But his calm is shattered by a merciless attack during a charity gala in downtown Baltimore. Among the dozens of casualties is the wife of CIA Deputy Director John Harper. With normal channels of investigation obstructed, Harper turns to Kealey, the one man with the resources, expertise—and freedom from government interference—to pursue the awful truth. Following a string of secrets and violence, Kealey blazes a trail from the innermost chambers of government to the dimmest reaches of the human psyche, forced to match wits with a new nemesis aided by new allies, each with

a unique agenda. Slowly, Kealey unspools an unimaginable conspiracy that suggests America may truly be its own worst enemy.

Kiplinger's Personal Finance

Saab has gone, but its cars and its loyal band of owners remain. In this photographic album, internationally known Saab author and commentator Lance Cole celebrates all things Saab. In a collection of over 200 photographic images accompanied by a detailed yet engaging commentary, the book delivers a record of Saab from its first car to its last. The engineering, design, and ethos of Saab's cars across the generations are captured in all their glory. The author of many Saab articles and several Saab books, this is Lance Cole's new view on Sweden's other

car maker – one that really did build cars to a different standard. Saab Celebration is designed to be a memorial companion for the Saab fan. If you like Saabs, then enjoy this tribute to all things Saab.
