Jody Blake demonstrates in this book that although the impact of African-American music and dance in France was constant from 1900 to 1930, it was not unchanging. This was due in part to the stylistic development and diversity of African-American music and dance, from the prewar cakewalk and ragtime to the postwar Charleston and jazz. Successive groups of modernists, beginning with the Matisse and Picasso circle in the 1900s and concluding with the Surrealists and Purists in the 1920s, constructed different versions of la musique and la danse negre. Manifested in creative and critical works, these responses to African-American music and dance reflected the modernists' varying artistic agendas and historical climates.

Victorine Seven Stories Press

The original Sex God has re-landed, Masimo the Italian Stallion wants to be her boyfriend, and Dave the Laugh is still a regular snoggee. How will Georgia cope juggling all three boys? Have her days on the rack of love really gone for good? Surely not!

Olla Podrida Harper Collins

INSTANT NEW YORK TIMES BESTSELLER! The absurdly outrageous, sarcastically satiric, and always entertaining New York Times bestselling author Christopher Moore returns in finest madcap form with this zany noir set on the mean streets of post-World War II San Francisco, and featuring a diverse cast of characters, including a hapless bartender; his Chinese sidekick; a doll with sharp angles and dangerous curves; a tight-lipped Air Force general; a wisecracking waif; Petey, a black mamba; and many more. San Francisco. Summer, 1947. A dame walks into a saloon . . . It's not every afternoon that an enigmatic, comely blonde named Stilton (like the cheese) walks into the scruffy gin joint where Sammy "Two Toes" Tiffin tends bar. It's love at first sight, but before Sammy can make his move, an Air Force general named Remy arrives with some urgent business. 'Cause when you need something done, Sammy is the guy to go to; he's got the connections on the street. Meanwhile, a suspicious flying object has been spotted up the Pacific coast in Washington State near Mount Rainier, followed by a mysterious plane crash in a distant patch of desert in New Mexico that goes by the name Roswell. But the real weirdness is happening on the streets of the City by the Bay. When one of Sammy's schemes goes south and the Cheese mysteriously vanishes, Sammy is forced to contend with his own dark secrets—and more than a few strange goings on—if he wants to find his girl. Think Raymond Chandler meets Damon Runyon with more than a dash of Bugs Bunny and the Looney Tunes All Stars. It's all very, very Noir. It's all very, very Christopher Moore.

Is Paris Burning? Open Road + Grove/Atlantic

In less than a year, Neil Peart lost both his 19-year-old daughter, Selena, and his wife, Jackie. Faced with overwhelming sadness and isolated from the world in his home on the lake, Peart was left without direction. That lack of direction led him on a 5

Dictionary of Foreign Quotations Harvard University Press

"Christopher Moore is a very sick man, in the very best sense of that word." —Carl Hiassen A magnificent "Comedy d'Art" from the author of *Lamb*, *Fool*, and *Bite Me*, Moore's *Sacré Bleu* is part mystery, part history (sort of), part love story, and wholly hilarious as it follows a young baker-painter as he joins the dapper Henri Toulouse-Lautrec on a quest to unravel the mystery behind the supposed "suicide" of Vincent van Gogh. It is the color of the Virgin Mary's cloak, a dazzling pigment desired by artists, an exquisite hue infused with danger, adventure, and perhaps even the supernatural. It is . . . *Sacré Bleu* In July 1890, Vincent van Gogh went into a cornfield and shot himself. Or did he? Why would an artist at the height of his creative powers attempt to take his own life . . . and then walk a

mile to a doctor's house for help? Who was the crooked little "color man" Vincent had claimed was stalking him across France? And why had the painter recently become deathly afraid of a certain shade of blue? These are just a few of the questions confronting Vincent's friends—baker-turned-painter Lucien Lessard and bon vivant Henri Toulouse-Lautrec—who vow to discover the truth about van Gogh's untimely death. Their quest will lead them on a surreal odyssey and brothel-crawl deep into the art world of late nineteenth-century Paris. Oh là là, quelle surprise, and zut alors! A delectable confection of intrigue, passion, and art history—with cancan girls, baguettes, and fine French cognac thrown in for good measure—*Sacré Bleu* is another masterpiece of wit and wonder from the one, the only, Christopher Moore.

Twelve Years a Slave Createspace Independent Pub

With the publication of this stunningly illustrated account of the Hungarian avant-garde movement, an important missing link in early modern art can now be fully recognized. To such well-known names in the west as LAizlsA³ Moholy-Nagy and Andor Weininger can now be added the contributions of Lajos KassAik, SAindor Bortnyik, BALa Uitz, and a host of other painters whose significance has long been obscured. The nearly 200 illustrations, many in full color, together with essays by leading American and Hungarian scholars and a comprehensive bibliography and comparative chronology, make this a definitive sourcebook that opens a new chapter in twentieth-century art. During the early twentieth century, central and eastern Europe provided fertile ground for major artistic developments. Hungarian painters, in particular, responded imaginatively and vigorously to the political and social changes leading up to and following World War I by "standing in the tempest" of political activism and attempting to redefine the role of art in society. Only in the past few years has it been possible once again to examine original works of art and to assess properly these painters' vital contribution. Steven A. Mansbach is Dean and Director of the American Academy for the Humanities at the Central European Institute in Berlin. The Essays: The Avant-Garde: Marching in the Van of Progress, Richard V. West. Introduction, S. A. Mansbach. Hungary: A Brief Political and Cultural History, IstvAin DeAik Revolutionary Engagements: The Hungarian Avant-Garde, S. A. Mansbach. Color, Light, Form, and Structure: New Experiments in Hungarian Painting, 1890-1930, JAlia SzabA³, Hungarian Activism and the Russian Avant-Garde, John E. Bowl. The Avant Garde in Hungary and Eastern Europe, Krisztina Passuth. Chronology, and bibliography, Oliver A. I. Botar.

The Superhero Brain ReadHowYouWant.com

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Instigations ABRAMS

Traces the life and career of the French novelist, describing his participation in the Spanish Civil War, command of a World War II resistance brigade, and his position as a government minister.

General Catalogue of Printed Books to 1955 Farrar, Straus and Giroux

The bestselling final novel by a writer of incomparable range, power, and achievement, a three-time winner of the National Book Award. Peter Matthiessen was a literary legend, the author of more than thirty acclaimed books. In this, his final novel, he confronts the legacy of evil, and our unquenchable desire to wrest good from it. One week in late autumn of 1996, a group gathers at the site of a former death camp. They offer prayer at the crematoria and meditate in all weathers on the selection platform. They eat and sleep in the sparse quarters of the Nazi officers who, half a century before, sent more than a million Jews in this camp to their deaths. Clements Olin has joined them, in order to complete his research on the strange suicide of a survivor. As the days pass, tensions both political and personal surface among the participants, stripping away any easy pretense to resolution or healing. Caught in the grip of emotions and impulses of bewildering intensity, Olin is forced to abandon his

observer's role and to bear witness, not only to his family's ambiguous history but to his own. Profoundly thought-provoking, *In Paradise* is a fitting coda to the luminous career of a writer who was "for all readers. He was for the world" (National Geographic).

THE BAB BALLADS HarperCollins UK

In 1863, civil war is raging in the United States. Victorine Meurent is posing nude, in Paris, for paintings that will be heralded as the beginning of modern art: Manet's *Olympia* and *Picnic on the Grass*. However, Victorine's persistent desire is not to be a model but to be a painter herself. In order to live authentically, she finds the strength to flout the expectations of her parents, bourgeois society, and the dominant male artists (whom she knows personally) while never losing her capacity for affection, kindness, and loyalty. Possessing both the incisive mind of a critic and the intuitive and unconventional impulses of an artist, Victorine and her survival instincts are tested in 1870, when the Prussian army lays siege to Paris and rat becomes a culinary delicacy. Dr?ma Drudge's powerful first novel Victorine not only gives this determined and gifted artist back to us but also recreates an era of important transition into the modern world.

The Russian Ballet DigiCat

In this thoroughly innovative work, Hans Ulrich Gumbrecht evokes the year 1926 through explorations of such things as bars, boxing, movie palaces, hunger artists, airplanes, hair gel, bullfighting, film stardom and dance crazes. From the vantage points of Berlin, Buenos Aires, and New York, the reader is allowed multiple itineraries, ultimately becoming immersed in the activities, entertainments, and thought patterns of the citizens of 1926.

Dictée Questar

A fictional novel that focuses upon the turbulent life and times of one of the founders of the Impressionist movement: Berthe Morisot. This novel was awarded a first prize in historical fiction from the Chanticleer Reviews writing contest.

Sacre Bleu Sacre Bleu

"[An] epic account of life and loves among artists and writers in Paris from belle époque to world slump" (William Feaver, *The Spectator*). A legendary capital of the arts, Paris hosted some of the most legendary developments in world culture—particularly at the beginning of the twentieth century, with the flowering of fauvism, cubism, dadaism, and surrealism. In *Bohemian Paris*, Dan Franck leads us on a vivid and magical tour of the Paris of 1900–1930, a hotbed of artistic creation where we encounter Apollinaire, Modigliani, Cocteau, Matisse, Picasso, Hemingway, and Fitzgerald, working, loving, and struggling to stay afloat. Sixteen pages of black-and-white illustrations are featured. "Franck spins lavish historical, biographical, artistic, and even scandalous details into a narrative that will captivate both serious and casual readers . . . Marvelous and informative." —Carol J. Binkowski, *Library Journal*, starred review

Routledge

Marcel Proust (1871-1922) was a French novelist, and considered one of the finest writers of the 20th century. Swann's Way is one of his most celebrated works.

Luuurve is a many trousered thing... U of Minnesota Press

In this landmark book, Seven Stories Press presents a powerful collection of literary, philosophical, and political writings of the masked Zapatista spokesperson, Subcomandante Insurgente Marcos. Introduced by Nobel Prize winner José Saramago, and illustrated with beautiful black and white photographs, *Our Word Is Our Weapon* crystallizes "the passion of a rebel, the poetry of a movement, and the literary genius of indigenous Mexico." Marcos first captured world attention on January 1, 1994, when he and an indigenous guerrilla group calling themselves "Zapatistas" revolted against the Mexican government and seized key towns in Mexico's southernmost state of Chiapas. In the six years that have passed since their uprising, Marcos has altered the course of Mexican politics and emerged an international symbol of grassroots movement-building, rebellion, and democracy. The prolific stream of poetic political writings, tales, and traditional myths that Marcos has penned since January 1, 1994 fill more than four volumes. *Our Word Is Our Weapon* presents the best of these writings, many of which have never been published before in English.

Throughout this remarkable book we hear the uncompromising voice of indigenous communities living in resistance, expressing through manifestos and myths the universal human urge for dignity, democracy, and liberation. It is the voice of a people refusing to be forgotten the voice of Mexico in transition, the voice of a people struggling for democracy by using their word as their only weapon.

In 1926 Good Press

The time when the intellectual affairs of America could be conducted on a monolingual basis is over. It has been irksome

for long. The intellectual life of London is dependent on people who understand the French language about as well as their own. America's part in contemporary culture is based chiefly upon two men familiar with Paris: Whistler and Henry James. It is something in the nature of a national disgrace that a New Zealand paper, "The Triad," should be more alert to, and have better regular criticism of, contemporary French publications than any American periodical has yet had. I had wished to give but a brief anthology of French poems, interposing no comment of my own between author and reader; confining my criticism to selection. But that plan was not feasible. I was indebted to MM. Davray and Valette for cordial semi-permissions to quote the "Mercure" publications.

A Century of Artists Books Wyatt North Publishing, LLC
Published to accompany the 1994 exhibition at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years. Work by artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and Pablo Picasso.

Our Word is Our Weapon London : Constable & Company
This story speaks to children who have autism, and explains to them what it means in a way that leaves them feeling empowered and able to make their dreams come true. The story refers to sensory issues as "special powers" and explains how living with autism can be awesome and at the same time also feel tricky sometimes. The Superhero Brain is written by a mother to her autistic son. The story was initially only intended to be for her son, to help him better understand himself, but has since turned in to a book available for everyone to share with their children. To help your child relate to the message in this story, the book is available with a number of different characters. The book is part of a series, and if your family is living with autism, you may also want to take a look at Christel Land's other title "The Superhero Heart", which explains living with autism to brothers and sisters in the same empowering, magical way.
