In 1982, at the age of 26, 'ordinary wife and mother' Laura Kamm recovered from a painful and terrifying near-death experience with an amazing new ability - she could tell just from looking at someone if they were suffering from a medical or spiritual malaise. The arrival of this incredible gift changed her life, and she went on to study with shamans and healers from around the world. In her amazing book, she clearly explains the philosophies that guide her work, and reveals how identifying the emotional 'messages' trapped in our bodies can liberate us from conditions such as depression and overweight. She offers practical exercises that help readers learn about their own unique energy systems, develop confidence in their intuition, and resolve their emotional and physical pain. Filled with inspiring stories and written with the down-to-earth warmth of a trusted friend, Kamm's profound insight teaches us how we can heal ourselves of ailments both physical and emotional through working with our innate 'forgotten' power.

Archetypes are ancient, universal patterns of behavior that are embedded in what Carl Jung called the "collective unconscious." Caroline Myss has created a unique set of 80 Archetype Cards, each individually designed to provide the basic Light and Shadow Attributes of a different Archetype. The deck also contains six blank cards on which you can create your own Archetypes. The deck comes with an instruction booklet explaining how to use the cards to help determine which Archetypes are most active in your psyche, and how they can lead you to achieve greater insights into your life. The deck is suitable to be used by itself, in conjunction with Caroline's book [Sacred Contracts](#), or with any of her workshops and seminars.

New York Times best-selling author Caroline Myss draws from her years as a medical intuitive to show that healing is not only physical; it is also a mystical phenomenon that transcends reason. Inspired by ordinary people who overcame a wide array of physical and psychological ailments - from rheumatoid arthritis to cancer - Caroline dove into the works of the great mystics to gain a deeper understanding of healing's spiritual underpinnings. Based on these studies, she demonstrates how conventional and holistic medicine often fall short in times of need. Both systems rely upon a logical approach to curing illness when there is nothing reasonable about the emotional, psychological, or spiritual influences behind any ailment. Integral to this mystical healing approach is the engagement of the soul, which we experience through exploring our seven shadow passions, building an empowered inner self around our seven inherent graces, and learning how to work with the mystical laws that govern it. This knowledge holds the key to understanding what it means to defy gravity and break through the boundaries of ordinary thought. You can heal any illness. You can channel grace. And you can learn to live fearlessly. [Intimate Conversations with the Divine](#) Simon and Schuster

In this penetrating book, renowned intuitive, speaker, and teacher Robert Ohotto guides us on an investigation of the Heroic Journey of the Soul. Exploring three modern-day manifestations of Fate, he shows how psychic energy from family patterns, cultural influences, generational legacy, and global evolution inform our self-concept every day, and how they often block our highest potential and "Fate" us to challenging circumstances and relationships. But, he reveals, these Fated encounters are actually the keys to our un-lived life. Each chapter maps our psyche and unravels the mysterious connections of Fate, Free Will, and Destiny, transforming our Fate into Destiny and our limitations into gifts. Through this seminal work based on years of experience, discover how we've made two fundamental agreements with the Universe as part of our Heroic Journey—one with Fate and the other with Destiny. As we learn to dance with these two forces, they become two voices challenging and beckoning us to discover our ultimate purpose—the primary task of the modern-day Hero and Heroine; and in the process, serve to unleash the power of our Soul in delivering grace to the world.

A world-renowned psychic takes readers on a mind-blowing tour of the world beyond death, helping readers interpret life in the afterlife. Reprint. [Archetype Cards](#) Harper Collins

What is the philosophy of religion? How can we distinguish it from theology on the one hand and the psychology/sociology of religious belief on the other? What does it mean to describe God as eternal? And should religious people want there to be good arguments for the existence of God, or is religious belief only authentic in the absence of these good arguments? In this Very Short Introduction Tim Bayne introduces the field of philosophy of religion, and engages with some of the most burning questions that philosophers discuss. Considering how religion should be defined, and whether we even need to be able to define it in order to engage in the philosophy of religion, he goes on to discuss whether the existence of God matters. Exploring the problem of evil, Bayne also debates the connection between faith and reason, and the related question of what role reason should play in religious contexts. Shedding light on the relationship between science and religion, Bayne finishes by considering the topics of reincarnation and the afterlife. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

[The Higher Powers of Mind and Spirit](#) Oxford University Press Now in paperback, from the New York Times best-selling author of [Sacred Contracts](#) and [Anatomy of the Spirit](#), a timely guide with 100 prayers for entering into a personal relationship with the Divine. "I've loved so many of Caroline Myss's books, but maybe none so much as [Intimate Conversations with the Divine](#). Has there ever been a more urgent need for her unique and profound (and sometimes wonderfully cranky) take on our spiritual reality, healing, and the language of holiness?" -- Anne Lamott, author of [Traveling Mercies and Help, Thanks, Wow](#) In her most personal book to date--now available in paperback for the first time--beloved teacher and best-selling author Caroline Myss draws on her own practice to help us regain our fluency in the language of prayer and renew our connection to the sacred. [Intimate Conversations with the Divine](#) offers 100 of

Myss's personal prayers as a resource and inspiration to start a prayer practice of your own. Each prayer illustrates a different type of grace that feeds the human soul, from awakening, endurance, and healing, to silence, surrender, and trust. "We are one holy system of life and great cosmic truth, which is that all life--including all of us--breathes together," Myss writes. "I hope this book, these prayers, will bring you comfort and grace, and help you through the difficult times ahead. And I hope they will inspire you to believe that with God, all things are possible."

The Sophia Code Susann Shier - Soul Mastery

A bold account of the development of human consciousness and spirituality over the ages and an examination of the dynamic global transformation of attitudes about healing. For more than fifteen years, Caroline Myss has studied why some people heal, while others do not. In her previous book, *Anatomy of the Spirit*, Dr. Myss illuminated the hidden interactions of belief and body, soul and cell to show how, as she inimitably puts it, "your biography becomes your biology." In *Why People Don't Heal and How They Can*, she builds on her earlier teachings of the seven different energy centers of the body to provide a vital self-healing program for physical and spiritual disorders. With her characteristic no-nonsense style and high-voltage storytelling, she exposes and explodes the five myths about healing, explains the cultural and individual contexts in which people become physically and spiritually ill and invested in "woundology," and teaches new methods of working with the challenges that the seven energy centers embody. To help you get and stay on the path to wellness, Dr. Myss provides rituals and prayers for gaining a symbolic perspective on your life issues; for bolstering your personal power; and for connecting with a universal divine energy. Dr. Myss's breakthrough views on energy medicine and her active approach to healing life issues and physical illness will help you overcome the mental blocks that keep you from becoming well.

Oneness Augsburg Fortress Publishing

The Higher Powers of Mind and Spirit is a self help classic by Ralph Waldo Trine. We are all dwellers in two kingdoms, the inner kingdom, the kingdom of the mind and spirit, and the outer kingdom, that of the body and the physical universe about us. In the former, the kingdom of the unseen, lie the silent, subtle forces that are continually determining, and with exact precision, the conditions of the latter. To strike the right balance in life is one of the supreme essentials of all successful living.

With New York Times bestselling author, Dr. Hanson's four steps, you can counterbalance your brain's negativity bias and learn to hardwire happiness in only a few minutes each day. Why is it easier to ruminate over hurt feelings than it is to bask in the warmth of being appreciated? Because your brain evolved to learn quickly from bad experiences and slowly from good ones, but you can change this. Life isn't easy, and having a brain wired to take in the bad and ignore the good makes us worried, irritated, and stressed, instead of confident, secure, and happy. But each day is filled with opportunities to build inner strengths and Dr. Rick Hanson, an acclaimed clinical psychologist, shows what you can do to override the brain's default pessimism. *Hardwiring Happiness* lays out a simple method that uses the hidden power of everyday experiences to build new neural structures full of happiness, love, confidence, and peace. You'll learn to see through the lies your brain tells you. Dr. Hanson's four steps build strengths into your brain to make contentment and a powerful sense of resilience the new normal. In just minutes a day, you can transform your brain into a refuge and power center of calm and happiness.
