Vocabulary from Classical Roots William H Sadlier Kovac and Liska take on multiple twisted cases as #1 New York Times bestselling author Tami Hoag explores a murder from the past, a murder from the present, and a life that was never meant to be. As the bitter weather of late fall descends on Minneapolis, Detective Nikki Liska is restless, already bored with her new assignment to the cold case squad. She misses the rush of pulling an all-nighter and the sense of urgency of hunting a killer on the loose. Most of all she misses her old partner, Sam Kovac. Kovac is having an even harder time adjusting to Liska's absence but is distracted from his troubles by an especially brutal double homicide: a prominent university professor and his wife, bludgeoned and hacked to death in their home with a ceremonial Japanese samurai sword. Liska's case—the unsolved murder of a decorated sex crimes detective—is less of a distraction: Twenty-five years later, there is little hope for finding the killer who got away. Meanwhile, Minneapolis resident Evi Burke has a life she only dreamed of as a kid in and out of foster care: a beautiful home, a loving family, a fulfilling job. But a danger from her past is stalking her idyllic present, bent on destroying the perfect life she was never meant to have. As the trails of two crimes a quarter of a century apart twist and cross, Kovac and Liska race to find answers before a killer strikes again.

Recognizing students' widespread frustration with the SAT history passage (also known as "Global Conversation"), IES Test Prep hoped to provide a resource that matches the quality of material tested by the College Board. The SAT Reading: History Passages book contains 50 SAT reading comprehension passages that focus on the struggle for civil and human rights as seen from various points of view and within different political contexts. With these 50

passages, students (and tutors) will also find 500 SAT Reading questions along with 2000 detailed answer explanations! This book has been consulted by 8 teachers and tested on over 1,000 students, a process which has allowed IES to ensure consistency with the official SAT.
