Dreams and Dead Ends provides a compelling history of the twentieth-century American gangster film. Beginning with Little Caesar (1930) and ending with Things To Do In Denver When You're Dead (1995), Jack Shadoian adroitly analyzes twenty notable examples of the crime film genre. Moving chronologically through nearly seven decades, this volume offers illuminating readings of a select group of the classic films--including The Public Enemy, D.O.A., Bonnie and Clyde, and The Godfather--that best define and represent each period in the development of the American crime film. Richly illustrated with more than seventy film stills, Dreams and Dead Ends details the evolution of the genre through insightful and

precise considerations of cinematography, characterization, and narrative style. This updated edition includes new readings of three additional movies--Once Upon a Time in America, Things To Do In Denver When You're Dead, and Criss Cross--and brings this clear and lively discussion of the history of the gangster film to the end of the twentieth century.

Nominated as one of America's best-loved novels by PBS's The Great American Read "It is universally read, from the cabinet council to the nursery," remarked Alexander Pope when Gulliver's Travels was published in 1726. One of the unique books of world literature, Swift's masterful satire describes the astonishing voyages of one Lemuel Gulliver, a ship's surgeon, to surreal kingdoms inhabited by miniature people and giants, quack philosophers and scientists, horses endowed with reason and men who behave like beasts. Written with great wit and invention, Gulliver's Travels is a savage parody on man and his institutions that has captivated readers for nearly three centuries. As bestselling author and critic Allan Bloom observed: "Gulliver's Travels is an amazing rhetorical achievement. Swift had not only the judgment with which to arrive at a reasoned view of the world but the fancy by means of which he could re-create that world in a form which teaches where argument fails and which satisfies all while misleading none." This representative collection of Swift's major writings includes the complete Gulliver's Travels as well as A Tale of a Tub, "The Battle of the Books," "A Modest Proposal," "An Argument Against Abolishing Christianity," "The Bickerstaff Papers," and many more of his brilliantly satirical works. Here too are selections from Swift's poetry and portions of his Journal to Stella. Swift's savage ridicule, corrosive wit, and sparkling humor are fully displayed in this comprehensive collection.
