It's not easy being Claire. (Really.) Claire's life is a joke . . . but she's not laughing. While her friends seem to be leaping forward, she's dancing in the same place. The mean girls at school are living up to their mean name, and there's a boy, Ryder, who's just as bad, if not worse. And at home, nobody's really listening to her -- if anything, they seem to be more

in on the joke than she is. Then into all of this (not-very-funny-to-Claire) comedy comes something intense and tragic -- while her dad is talking to her at the kitchen table, he falls over with a medical emergency. Suddenly the joke has become very serious -- and the only way Claire, her family, and her friends are going to get through it is if they can find a way to make it funny again.

Recognizing students' widespread frustration with the SAT history passage (also known as "Global Conversation"), IES Test Prep hoped to provide a resource that matches the quality of material tested by the College Board. The SAT Reading: History Passages book contains 50 SAT reading comprehension passages that focus on the struggle for civil and human rights as seen from various points of view and within different political contexts. With these 50 passages, students (and tutors) will also find 500 SAT Reading questions along with 2000 detailed answer explanations! This book has been consulted by 8 teachers and tested on over 1,000 students, a process which has allowed IES

to ensure consistency with the official
SAT.
