In this novel, beloved bestselling author Elizabeth Berg weaves a beautifully written and richly resonant story of a mother and daughter in emotional transit. Helen Ames – recently widowed, coping with loss and grief, unable to do the work that has always sustained her – is beginning to depend far too much on her twenty-seven-year-old daughter, Tessa, and is meddling in her life, offering unsolicited and unwelcome advice. Helen ’ s problems are compounded by her shocking discovery that her mild-mannered and loyal husband was apparently leading a double life. The Ameses had painstakingly saved for a happy retirement, but that money disappeared in several large withdrawals made by Helen ’ s husband before he died. In order to support herself and garner a measure of much needed independence, Helen takes an unusual job that ends up offering far more than she had anticipated. And then a phone call from a stranger sets Helen on a surprising path of discovery that causes both mother and daughter to reassess what they thought they knew about each other, themselves, and what really makes a home and a family.

Even if you haven't been hurt by domestic violence, someone you know has and wishes they could tell you

about it. Perhaps you are a therapist, teacher, academic, or social worker who wants to help those who are suffering. Or maybe you are in an abusive relationship and need to know that you are not alone. The poems, memoirs, and creative nonfiction pieces collected here tell of real incidents of abuse, as well as of those who left destructive and unsalvageable relationships. The beauty and truth of the language, as well as the honesty and courage, set this anthology apart from self-help manuals and academic treatises on domestic violence. This book offers a path forward to healing, health and fulfillment, using the power of art to give voice where voice has been stifled, forgotten, overlooked or denied.

The date is October 15, 1954. Thirteen-year-old Elizabeth, who lives in the Toronto suburb of Weston, is a typical grade 8 girl. She has a secret crush on a boy in her class and she thinks Elvis Presley is "dreamy." Elizabeth also has a part-time job babysitting an adorable little grade 2 girl named Suzie, and Suzie's not-so-adorable grade 6 brother, David. Elizabeth's job is to walk Suzie and David home after school and then stay at their house with them until their mother gets home from work. David resents Elizabeth because he thinks he is too old for a babysitter, and he goes out of his way to make life miserable for her. On this particular evening, however, Elizabeth has more than a badly behaved boy to contend with. It is on this October night that Hurricane Hazel roars down on Toronto, bringing torrential rains that cause extensive flooding. David and Suzie's house is on Raymore Drive, a street that will be practically wiped out by the floodwaters. David and Suzie's parents are unable to reach the house, which means the children's safety on this most deadly of nights is Elizabeth's responsibility. She finds herself increasingly isolated. They are surrounded by rising water. The electricity goes out. The phone goes dead. Still, Elizabeth is sure they will be safe as long as they remain in the house. But are Elizabeth and the children really as "safe as houses"? Before this terrifying night is over, Elizabeth and David will have to learn to communicate and cooperate if they are to save their own lives and Suzie's. Their survival in the midst of one of Canada's worst disasters will depend upon their resourcefulness, maturity and courage.

In Paris’s exclusive Saint-Germain neighborhood is a mansion. In that mansion lives a family. Deep in that mansion. The Bolts are that family, and they have secrets. The Safe House tells their story. When the Nazis came, Étienne Boltanski divorced his wife and walked out the front door, never to be seen again during the war. So far as the outside world knew, the Jewish doctor had fled. The truth was that he had sneaked back to hide in a secret crawl space at the heart of the house. There he lived for the duration of the war. With the Liberation, Étienne finally emerged, but he and his family were changed forever—anxious, reclusive, yet proudly eccentric. Their lives were spent, amid Bohemian disarray and lingering wartime fears, in the mansion’s recesses or packed comically into the protective cocoon of a Fiat. That house (and its vehicular appendage) are at the heart of Christophe Boltanski’s ingeniously structured, lightly fictionalized account of his grandparents and their extended family. The novel unfolds room by room—each chapter opening with a floorplan—introducing us to the characters who occupy each room, including the narrator’s grandmother--a woman of “savage appetites”--and his uncle Christian, whose haunted artworks would one day make him famous. “The house was a palace,” Boltanski writes, “and they lived like hobos.” Rejecting convention as they’d rejected the outside world, the family never celebrated birthdays, or even marked the passage of time, living instead in permanent stasis, ever more closely bonded to the house itself. The Safe House was a literary sensation when published in France in 2015 and won the Prix de Prix, France’s most prestigious book prize. With hints of Oulipian playfulness and an atmosphere of dark humor, The Safe House is an unforgettable portrait of a self-imprisoned family.

Rachel Waring is deliriously happy. Out of nowhere, a great-aunt leaves her a Georgian mansion in another city—and she sheds her old life without delay. Gone is her dull administrative job, her mousy wardrobe, her downer of a roommate. She will live as a woman of leisure, devoted to beauty, creativity, expression, and love. Once installed in her new quarters, Rachel plants a garden, takes up writing, and impresses everyone she meets with her extraordinary optimism. But as Rachel sings and jokes the days away, her new neighbors begin to wonder if she might be taking her transformation just a bit too far. In *Wish Her Safe at Home*, Stephen Benatar finds humor and horror in the shifting region between elation and mania. His heroine could be the next-door neighbor of the Beales of Grey Gardens or a sister to Jane Gardam’s oddball protagonists, but she has an ebullient charm all her own.
