This eBook edition of "The Waves & To the Lighthouse" has been formatted to the highest digital standards and adjusted for readability on all devices. "To the Lighthouse" - The Ramsey family arrives to their summer house in the Hebrides, on the Isle of Sky in Scotland. They plan to visit the island's lighthouse one day, but the weather doesn't allow them and that creates some tension between family members. As the Ramsays have

been joined at the house by a number of friends and colleagues, the trip to the lighthouse doesn't happen. Passing of the time brings death and grief to the Ramsey family, but the tension is still there. "The Waves" consists of soliloquies spoken by six characters: Bernard, Susan, Rhoda, Neville, Jinny, and Louis. Also important is Percival, the seventh character, though we never hear him speak in his own voice. The soliloquies that span the characters' lives are broken up by nine brief third-person interludes detailing a coastal scene at varying stages in a day from sunrise to sunset. As the six characters or "voices" speak Woolf explores concepts of individuality, self and community. Each character is distinct, yet together they

compose a gestalt about a silent central consciousness. [SSC JE EE Previous Year Paper 2021: Solve all 200 questions now!](#) Oways

To the Lighthouse is a 1927 novel by Virginia Woolf. The novel centres on the Ramsay family and their visits to the Isle of Skye in Scotland between 1910 and 1920. Following and extending the tradition of modernist novelists like Marcel Proust and James Joyce, the plot of To the Lighthouse is secondary to its philosophical introspection. Cited as a key example of the literary technique of multiple focalization, the novel includes little dialogue and almost no direct action; most of it is written as thoughts and observations. The novel recalls childhood emotions and highlights adult relationships. Among the book's many tropes and themes are those of loss, subjectivity, the nature of art and the problem of perception. In 1998, the Modern Library named To the Lighthouse No. 15 on its list of the 100 best English-language novels of the 20th century. In 2005, the novel was chosen by TIME magazine as one of the one hundred best English-language novels since 1923.
