In the book *In Search of Paradise: Gintong Luha*, five gold coins save the lives of Eric “Wake” Palmer and his fiancée, Dr. Kathleen Mercado. This is a story of a couple who fall in love and then, through circumstance, are betrayed by a trusted acquaintance

that results in their abduction by pirate-terrorists while on a sailing excursion. What ensues next is a struggle for survival and finding a means of escape from cruel and lethal captors who would not think twice about cutting their heads off and placing them on a bamboo pole if their ransoms are not paid. The story is engrossing and will have readers turning pages to learn of the couple's fate and what events will prompt the story to continue into book 2 of the In Search of Paradise series.

2018 PLANNER & ORGANIZER | 8.5 x 11 Inches "Think of a ship with the

complete voyage mapped out and planned. The captain and crew know exactly where the ship is going and how long it will take - it has a definite goal. And 9,999 times out of 10,000, it will get there. Now let's take another ship and just like the first and only let's not put a crew on it, or a captain at the helm. Let's give it no aiming point, no goal, and no destination. We just start the engines and let it go. I think you'll agree that if it gets out of the harbor at all, it will either sink or wind up on some deserted beach and a derelict. It can't go anyplace because it has no destination and no guidance. It's the same with a human being." ~ Earl Nightingale If you want better time management and organization you're sailing in the right direction. This nonsense organizer is perfect for helping you navigate to your goals. This means you'll be organized and prepared for all of the tasks of the day and more successful in your efforts.

This new third edition of Bradt's Angola remains the only dedicated English-language guide to this increasingly popular southern African nation. Thoroughly updated, it includes full practical and background information, everything you need to know about the capital city, Luanda, plus coverage of the rest of the country in 16 chapters. Also featured are 38 maps, including detailed city maps for all 18 provincial capitals, plus a

specific section devoted to the sometimes-tricky process of applying for a visa. Bradt's Angola is written by expert author Oscar Scafidi who lived and worked in Angola for five years, has travelled to all the country's provinces, and who has successfully completed a record-breaking kayak trip along the length of Angola's Kwanza River. Thanks to his knowledge, Bradt's Angola is ideal for everyone from independent surfers and bird-watchers on organised tours to fishing enthusiasts, conservationists, surfers, NGO workers and overlanders, not to mention adventurous travellers simply wanting to discover this intriguing country. Angola continues to change at a rapid pace and offers everything from colonial Portuguese ruins to \$100-a-plate sushi bars, landscaped waterfronts to grand public buildings, Portuguese and Brazilian heritage to frontier diamond towns, tropical rainforests to desert, and relaxed coastal resorts on 1,000km of unspoiled beaches. It's also the site of the UNESCO World Heritage listed Mbanza Kongo, once the centre of power for the Kilukeni

dynasty, who founded the city almost 100 years before the arrival of the Portuguese. Whether wildlife watcher or surfer, business traveller or pioneering adventurer, Bradt's Angola provides all the information you will need to get the most out of this vast country.

"This calendar is No. 2 of the Calendars of the Washington Manuscripts. It covers Washington's correspondence with the military and naval officers of every rank of Continental and State troops, the French auxiliaries, foreign ministers and agents, and officers in the British service. It should be used in connection with Calendar No. 1 (The Correspondence of George Washington with the Continental Congress. Washington: 1906), entries from which are occasionally duplicated for convenience of reference"--Prefatory note Sailing Boats 7 X 7 Mini Wall Calendar 2019: 16 Month Calendar Createspace

Independent Publishing Platform John Kretschmer is sailing's practical philosopher — as much a doer as a thinker. And that is the overarching theme of this chronicle of a sailing life. Often amusing, sometimes poignant, occasionally terrifying but always inspiring, his deeply personal account is a welcome reminder of the good life waiting at sea. With hundreds of thousands of nautical miles under his keel, John's adventures have taken him several times around the world, with challenging crossings of the Atlantic and the Pacific, a narrow escape from a coup in Yemen, an unlikely deliverance from a coral reef off Belize as well as more serene, introspective passages where trade winds are blowing and stories are flowing. His crew has included CEOs, actors, writers, teachers, kids — in essence, everyone. John's narrative is interwoven with practical tips and advice in seamanship, but also, and just as importantly, his hard-won insights about making the most of our lives. He truly believes we find out who we really are, and what we are capable of, far from

the shackles of land, when we find a year in advance.

place where time changes shape – days may merge into one another, but minutes are memorable. To live adventurously is to live more fully, and that is the life John Kretschmer continues to live. In this book he shares his simple profundities that will inspire those who live to sail, and those seeking something more rewarding from life.
