Blood Road Prabhat Prakashan

A gripping novel about how friendships survive the best and worst of times from the bestselling author of **SUMMER AT THE LAKE**. Dan and Sally Oliver and their friend Chloe Hennessey are lucky to be alive. Three years on, after surviving one of the world's biggest natural disasters - the Boxing Day tsunami - their lives have changed dramatically. Dan and Sally are now parents. Dan is enjoying being a stay-at-home father taking care of their young son, and Sally is the breadwinner and loves her job as a partner in a Manchester law firm. The arrangement has so far worked well, but when Dan starts to question whether Sally has got her priorities right, the cracks in their marriage begin to appear. Dan and Sally have everything Chloe wishes for in life - a happy marriage and a beautiful

child. Dumped by her long-term boyfriend just weeks after the tsunami, she's been on a mission ever since to find the perfect father for the child she craves. When she meets Seth Hawthorne, she thinks she may have hit the jackpot. But is Seth the man she thinks he is? **IT'S THE LITTLE THINGS** is a moving, compelling story of how a life can change in a heartbeat.

It's The Little Things Jeamel Publishing Limited

Sally, the caterpillar, climbs up the wheel of an Express Train called The Silver Bullet, and goes to sleep in the hub. When the train sets off from Boston to Miami, Sally is stuck aboard. When the train's whistle breaks, Sally finds an ingenious way to fix it, and she and the Express train become good friends.

SALLY'S MAGICAL HORSE

AuthorHouse

Even when Sally tries to leave magick behind, she gets sucked back in. Sally is in her first year of college and studying abroad in Dublin. But the presence of the Rune Witch on Irish soil awakens the dark and dangerous Badbh, keeper of the Black Pool, whose

ambitions soon have a treaty between rival mythological factions—and the peace inside Odin's Lodge—balanced on a razor's edge. Caught between the reckless antics of her witch-wannabe roommate and Badbh's plan to resurrect an ancient faerie throne, Sally finds herself once again at the epicenter of supernatural doom. In the midst of rampaging faeries, a shape-shifting pooka, and shutterbug tourists, Sally and her powerful friends must each make a fateful choice to prevent Paranormal World War. *Black Pool Magic* is the third book in the *Rune Witch* urban fantasy series. If you like modern-day magick, action-packed mayhem, and ancient legends come to life, you'll love the *Rune Witch* books. Start reading today! (*Black Pool Magic* was previously published as *The Black Pool*, the third book in the renamed *Valhalla* series.)

When the semester's work at Amherst College (of Indiana, that is) teaching English to the dimly under motivated comes to a close, Pack Schmidt marks high and is out the door to his favorite place on earth: Las Vegas.

The Wrong Man AuthorHouse
Poetry. In Sally Thomas's *MOTHERLAND*, the poet keenly observes the ephemeral and the everlasting in the lens of time--the daily into seasonal transformations, the gifts and wonders of nature and people. *MOTHERLAND* by

turns hails and interrogates in matters of flesh, of faith and spirituality--especially so in the "Richeldis of Walsingham" poem sequence. This finalist in the Able Muse Book Award is a collection abounding in insight, hope, grace, surprises, and yes, love. "A core of spiritual knowledge resides in the poems of Sally Thomas's *MOTHERLAND*--knowledge that might seem strange to the poet herself, in fact, though it definitely resides in her, and radiates throughout this collection. *MOTHERLAND* is the perfect title, since the poet, herself a mother, regards all her human occupations as native and yet mysterious, occurring in a place which is both foreign and familiar. The final sequence, on Richeldis of Walsingham, includes lines that describe the expression of that knowledge, as 'the eloquence / Of the small river moving always forward to the unseen / Sea.' *MOTHERLAND* is a book of the presence--radiant, benevolent, challenging--for which there is often no word, except as we find in poetry, like the poetry of Sally Thomas."--Mark Jarman "The poems of Sally Thomas are poems in which the act of looking at the world in all its depth and complexity is just about as close as

possible to being fully realized in the corresponding 'world' of poetic language and form. And the verses are compelling because in every line something is at stake: our very understanding of creation, the human condition, and the mystery of thought and its language that link us, however imperfectly, to what may be called the given world. As Thomas says in "Frost," 'Tricky winter light and my own eye / Bend the world, if not to beauty, then / To strangeness.'"--David Middleton, from the foreword "In her most recent collection of poems, MOTHERLAND, Sally Thomas gives us a world we live in but, alas, too often don't seem to see. So much is lost, these poems tell us, even as they manage to reinstate and re-imagine these losses for us. All poetry is elegiac, even as it can, in the hands of a serious poet, celebrate the very world which for all of us keeps slipping away in the great wheel of time. Then too there is her mastery of poetic form--among these the sonnet, the villanelle, the couplet, and her unparalleled command of rhyme and slant rhyme. What a delight to discover a poet who has found a way to allow the sacred and the sacramental inform her poems in a surprising range of contemporary idioms."--Paul Mariani

Do You Believe In Magic? Sally And the Wheel of the Year

One day, Richard LeMieux had a happy marriage, a palatial home, and took \$40,000 Greek vacations. The next, he was living out of a van with only his dog, Willow, for company. This astonishingly frank memoir tells the story of one man's resilience in the face of economic disaster. Penniless, a failed suicide, estranged from his family, and living "the vehicular lifestyle" in

Washington state, LeMieux chronicles his journey from the Salvation Army kitchens to his days with "C"—a philosopher in a homeless man's clothing—to his run-ins with Pastor Bob and other characters he meets on the streets. Along the way, he finds time to haunt public libraries and discover his desire to write. LeMieux's quiet determination and his almost pious willingness to live with his situation are only a part of this politically and socially charged memoir. The real story of an all-too-common American condition, this is a heartfelt and stirring read.

And the Wheel of the Year

Jennifer Willis

The definitive biography of Sally Ride, America's first woman in space, with exclusive insights from Ride's family and partner, by the ABC reporter who covered NASA during its transformation from a test-pilot boys' club to a more inclusive elite. Sally Ride made history as the first American woman in space. A member of the first astronaut class to include women, she broke through a quarter-century of white male fighter jocks when NASA chose her for the seventh shuttle mission, cracking the celestial ceiling and inspiring several generations of women. After a second flight, Ride served on the panels investigating the Challenger explosion and the Columbia disintegration that

killed all aboard. In both instances she faulted NASA's rush to meet mission deadlines and its organizational failures. She cofounded a company promoting science and education for children, especially girls. Sherr also writes about Ride's scrupulously guarded personal life—she kept her sexual orientation private—with exclusive access to Ride's partner, her former husband, her family, and countless friends and colleagues. Sherr draws from Ride's diaries, files, and letters. This is a rich biography of a fascinating woman whose life intersected with revolutionary social and scientific changes in America. Sherr's revealing portrait is warm and admiring but unsparing. It makes this extraordinarily talented and bold woman, an inspiration to millions, come alive.

Axis Sally Open Road Media
Big rig! Motorcycle! Fire truck! The creators of the Construction Crew series take to the road for an irresistible guessing game about things that go. Rumbly wheels, grumbly wheels, Hauling-up-the-hill wheels. Wheels go fast, wheels go slow. Shout what's coming, if you know! A motorcycle has just zoomed by, and now a woman in front of the hotel is waving at something. What could it be? Men are clankity-clanking up the street

pulling bins -- what must be rumbling up behind? And what could those schoolkids be watching for at the end of the day? If the vehicle is on wheels, it's likely to show up in this lively picture book inviting children to join in at every page turn.

DI Sally Parker thrillers Box Set Books 1-3 Candlewick Press (MA)

A gritty, emotional thriller about a guy on the run with his two sons. When Nick Geneva does over Vince Cracknel's place with his best mate Warren, he realises instantly they've pissed off the wrong guy. And accidentally killing his dog was not a good move. But the money they steal is Nick's ticket to a new life. With Warren in custody, and Vince, the police and his ex-wife on his heels, Nick hits the road north, taking his difficult, confused, but fiercely loyal boys with him.

to do jobs more easily. But don't take our word for it. Put wheels and axles to the test with the fun experiments you'll find in this book. As part of the Searchlight Books™ collection, this series sheds light on a key science question? How Do Simple Machines Work? Hands-on experiments, interesting photos, and useful diagrams will help you find the answer!

The Adventures of Sally (EasyRead Comfort Edition)

Simon and Schuster

Evan Hunter always planned to marry and raise a family on his Montana ranch, that is, until his father was diagnosed with epilepsy. He knows he might develop the same condition, and that he could pass it on to his children, and he won't risk that, so he gives up his dreams of a wife and family. Sally Mason has always wanted a home of her own and a houseful of children. But after leaving the orphanage where she and her best friend, Josie, grew up, she finds herself in the worst situation she could have ever imagined—a brothel near the Chicago waterfront where every day, her life is in the hands of both the brothel owner and his customers. When Sally receives a letter from Josie explaining Evan's

situation and asking her to come to Coldwater Creek as a mail-order bride to marry him, she escapes the brothel, realizing this is her only chance for a better life. As Evan and Sally get to know each other, their feelings grow, and Evan begins to wonder if giving Sally the children she wants to badly is worth the risk. But when her past catches up to her, it threatens to destroy any chance of a future together.

One Homeless Man's Inspirational Journey Able Muse Press

Sally is a special child with a wonderful optimistic spirit and sense of humor even though she is "medically fragile." She meets a special "friend" at a farm fair and convinces her parents to bring her home. With the help of her parents, her brother Jack and her physical therapist., Tanya, Sally is "transported" beyond the confines of her wheel chair and the restraints of her medical needs.

Sally Little, Brown Books for Young Readers

A "fascinating, well-researched account" of Mildred Gillars, the failed actress who turned on her country and became a Nazi propagandist during WWII (Publishers Weekly). One of the most notorious Americans of the twentieth century was a failed Broadway actress turned radio announcer named Mildred Gillars (1900-1988), better known to American GIs as "Axis Sally." Despite the richness of her life story, there has never been a full-length biography of the ambitious, star-struck Ohio girl who evolved into a reviled disseminator of Nazi propaganda. At the outbreak of war in September 1939, Gillars had been living in Germany for five years. Hoping to marry, she chose to remain in the Nazi-run state even as the last Americans departed for home. In 1940, she was hired by the German overseas radio, where she evolved from a simple disc jockey and announcer to a master propagandist. Under the tutelage of her married lover, Max Otto Koischwitz, Gillars became the personification of Nazi propaganda to the American GI. Spicing her broadcasts with music, Gillars's used her soothing voice to taunt Allied troops about the supposed infidelities of their wives and girlfriends back home, as well as the horrible deaths they were likely to meet on the battlefield. Supported by German military intelligence, she was able to convey personal greetings to individual US units, creating an eerie foreboding among troops who realized the Germans knew who

and where they were. After broadcasting for Berlin up to the very end of the war, Gillars tried but failed to pose as a refugee, and was captured by US authorities. Her 1949 trial for treason captured the attention and raw emotion of a nation fresh from the horrors of the Second World War. Gillars's twelve-year imprisonment and life on parole, including a stay in a convent, is a remarkable story of a woman who attempts to rebuild her life in the country she betrayed.

everything in their experience to save themselves.

Danced by the Light of the Moon ReadHowYouWant.com

Danced By The Light of the Moon is the story of a charter sailboat vacation in the Virgin Islands gone terribly wrong. Ramsey Flynn, retired from the State Department, organizes bareboat charter vacations several times a year among friends and acquaintances. For his efforts, and the accompanying quality and cost savings enjoyed by his fellow travelers, he and a companion travel at no cost. For this cruise in the Virgin Islands he has organized two boats of an odd but paid in full mix of experienced and inexperienced sailors. They quickly discover that all is not right with the shady charter company Flynn has hooked them up with at a considerable discount, with their boats and with the weather which turns deadly. Join them as they try
