A National Book Award Finalist, Sarah Shun-lien Bynum's enchanting and inventive first novel is a groundbreaking, contemporary classic. When a girl falls into a mysterious, impenetrable sleep, the borders between her provincial French village and the peculiar, beguiling realm of her dreams begin to disappear: A fat woman sprouts delicate wings and takes flight; a failed photographer stumbles into the role of pornographer; a beautiful young wife grows to resemble her husband's viol. Madeleine, the dreamer, travels in their midst, trying to make sense of her own metamorphosis. She leaves home, joins a gypsy circus, and falls into an unexpected triangle of desire and love. Embracing the earthy and the ethereal, the comical and the poignant,

Madeleine Is Sleeping is part fairy tale, part coming-of-age story, and above all, an adventure in the discovery of art, sexuality, community, and the self.

A hurricane is building over the Gulf of Mexico, threatening the coastal town of Bois Sauvage, Mississippi, and Esch's father is growing concerned. He's a hard drinker, largely absent, and it isn't often he worries about the family. Esch and her three brothers are stocking up on food, but there isn't much to save. Lately, Esch can't keep down what food she gets; at fifteen, she has just realized that she's pregnant. Her brother Skeetah is sneaking scraps for his prized pit bull's new litter, dying one by one. Meanwhile, brothers Randall and Junior try to stake their claim in a family long on child's play and short on parenting. As the twelve days that make up the novel's framework yield to a dramatic conclusion, this unforgettable family - motherless children sacrificing for one another as they can, protecting and nurturing where love is scarce - pulls itself up to face another day.

Salvage the Bones Simon and Schuster

In this stunning debut novel, two very different characters—a black boy who loses his home in Hurricane Katrina and a white boy in Vermont who loses his best friend in a tragic accident—come together to find healing. A hurricane, a tragic death, two boys, one marble. How they intertwine is at the heart of this beautiful, poignant book. When ten-year-old Zavion loses his home in Hurricane Katrina, he and his father are forced to flee to Baton Rouge. And when Henry, a ten-year-old boy in northern Vermont, tragically loses his best friend, Wayne, he flees to ravaged New Orleans to help with hurricane relief efforts—and to search for a marble that was in the pocket of a pair of jeans donated to the Red Cross. Rich with imagery and crackling with hope, this is the unforgettable story of how lives connect in unexpected, even magical, ways. “In Smith’s poetic hands,

this poignant story barrels across the pages and into the reader’s heart, reminding us that magic can arise from the deepest tragedy.” —Kathi Appelt, Newbery Honor Award winner and two-time National Book Award Finalist

Ava, a teenage girl living aboard the male-dominated deep space merchant ship Parastrata, faces betrayal, banishment, and death. Taking her fate into her own hands, she flees to the Gyre, a floating continent of garbage and scrap in the Pacific Ocean, in this thrilling, surprising, and thought-provoking debut novel that will appeal to fans of Across the Universe, by Beth Revis, and The Handmaid's Tale, by Margaret Atwood. Internationally bestselling author Stephanie Perkins called it "brilliant, feminist science fiction." Ava is the captain's daughter. This allows her limited freedom and a certain status in the Parastrata's rigid society—but it doesn't mean she can read or write or even withstand the forces of gravity. When Ava learns she is to be traded in marriage to another merchant ship, she hopes for the best. After all, she is the captain's daughter. But instead, betrayal, banishment, and a brush with love and death are her

destiny, and Ava stows away on a mail sloop bound for Earth in order to escape both her past and her future. The gravity almost kills her. Gradually recuperating in a stranger's floating cabin on the Gyre, a huge mass of scrap and garbage in the Pacific Ocean, Ava begins to learn the true meaning of family and home and trust—and she begins to nourish her own strength and soul. This sweeping and harrowing novel explores themes of choice, agency, rebellion, and family, and after a tidal wave destroys the Gyre and all those who live there, ultimately sends its main character on a thrilling journey to Mumbai, the beating heart of Alexandra Duncan's post-climate change Earth. An Andre Norton Award nominee.

The Gospel of Winter Schwartz & Wade
“In a lyrical and hard-hitting exploration of betrayal and healing, the son of a Connecticut socialite comes to terms with his abuse at the hands of a beloved priest” (Kirkus Reviews, starred review). As sixteen-year-old Aidan Donovan's fractured family disintegrates around him, he searches for solace in a few bumps of Adderall, his father's wet bar, and the attentions of his local priest, Father Greg—the only adult who actually listens to him. When Christmas hits, Aidan's world collapses in a crisis of trust when he recognizes the darkness of Father Greg's affections. He turns to a crew of new friends to help make sense of his life: Josie, the girl he

just might love; Sophie, who's a little wild; and Mark, the charismatic swim team captain whose own secret agonies converge with Aidan's. The Gospel of Winter maps the ways love can be used as a weapon against the innocent—but can also, in the right hands, restore hope and even faith. Brendan Kiely's unflinching and courageous debut novel exposes the damage from the secrets we keep and proves that in truth, there is power. And real love.

On a freezing winter's night, a few hours before dawn on May 12, 1969, South African security police stormed the Soweto home of Winnie Madikizela-Mandela, activist and wife of the imprisoned Nelson Mandela, and arrested her in the presence of her two young daughters, then aged nine and ten. Rounded up in a group of other antiapartheid activists under Section 6 of the Terrorism Act, designed for the security police to hold and interrogate people for as long as they wanted, she was taken away. She had no idea where they were taking her or what would happen to her children. For Winnie Mandela, this was the start of 491 days of detention and two trials. Forty-one years after Winnie Mandela's release on September 14, 1970, Greta Soggot, the widow of one of the defense attorneys from the 1969–70 trials, handed her a stack of papers that included a journal and notes she had written while in detention, most of the time in solitary confinement. Their reappearance brought back to Winnie vivid and horrifying memories and uncovered for the rest of us a unique and personal slice of South Africa's history. 491 Days: Prisoner number 1323/69 shares with the world Winnie

Mandela's moving and compelling journal along with some of the letters written between several affected parties at the time, including Winnie and Nelson Mandela, himself then a prisoner on Robben Island for nearly seven years. Readers will gain insight into the brutality she experienced and her depths of despair, as well as her resilience and defiance under extreme pressure. This young wife and mother emerged after 491 days in detention unbowed and determined to continue the struggle for freedom.

"Nikky Finney has been a fine poet much too long to say that this latest treasure is her promise coming into being. She exploded with so much talent with *On Wings Made of Gauze* and beautifully matured with *Rice*, yet *Head Off & Split* takes the promise of youth with the control of adulthood to bring her greatest exploration. Honest,

searing, searching. We all, especially now, need this book of poems; we all, especially now, need this poet."---Nikki Giovanni, author of *Bicycles* "Beginning with the sweepingly inclusive and powerful 'Red Velvet,' a Middle Passage poem for our times, Nikky Finney takes the reader to a wonderfully alive world where the musical possibilities of language overflow with surprise and innovation. Finney has an ear to go along with the wildness of her imagination, which sweeps through history like a pair of wings. Her carefully modulated free verse is always purposeful in its desire to move the reader in a way that allows us intimate access to necessary observations about ourselves. These poems, in other words, have the power to save us."---Bruce Weigl, author of *What Saves Us* "In Nikky Finney's *Head Off & Split* the beauty of language soars and saves us even as we skirt the raw edge of terror. And something rare and precious is restored, a light, a circling movement of the spirit. This is poetry to give thanks for."---Meena Alexander, author of *Quickly Changing River* "No one opens a vein on the page with a sharper and more nuanced gathered set of senses than Nikky Finney. In *Head Off & Split*, she takes aim at the heart of American wrong-headedness with a sense of purpose and integrity not only respectful of, but fueled by, her own brand of multiple kinships and remembrance, a grand struggle-swagger of powerful literary inheritance."---Thomas Sayers Ellis, author of *Skin, Inc.* "With *Head Off & Split*, Nikky Finney establishes herself as one of the most eloquent, urgent,

fearless and necessary poets writing in America today. What makes this book as important as anything published in the last decade is the irresistible music, the formal dexterity and the imaginative leaps she makes with metaphor and language in these simply stunning poems. This is a very, very important achievement."---Kwame Dawes, author of Hope's Hospice

Corporeal Legacies in the US South Simon and Schuster

The first novel from National Book Award winner and author of *Sing, Unburied, Sing* Jesmyn Ward, a timeless Southern fable of brotherly love and familial conflict—"a lyrical yet clear-eyed portrait of a rural South and an African American reality that are rarely depicted" (*The Boston Globe*). Where the Line Bleeds is Jesmyn Ward's gorgeous first novel and the first of three novels set in Bois Sauvage—followed by *Salvage the Bones* and *Sing, Unburied, Sing*—comprising a loose trilogy about small town southern family life. Described as "starkly beautiful" (*Publishers Weekly*, starred review), "fearless" (*Essence*), and "emotionally honest" (*The Dallas Morning News*), it was a finalist for the Hurston/Wright Legacy Award and the Virginia Commonwealth University Cabell First Novelist Award. Joshua and Christophe are twins, raised by a blind grandmother and a large extended family in rural Bois Sauvage, on Mississippi's Gulf Coast. They've just finished high school and need to find jobs, but after Katrina, it's not easy. Joshua gets work on the docks, but Christophe's not so lucky and starts to sell drugs. Christophe's downward spiral is accelerated first by crack, then by the reappearance of the twins' parents: Cille, who

left for a better job, and Sandman, a dangerous addict. Sandman taunts Christophe, eventually provoking a shocking confrontation that will ultimately damn or save both twins. Where the Line Bleeds takes place over the course of a single, life-changing summer. It is a delicate and closely observed portrait of fraternal love and strife, of the relentless grind of poverty, of the toll of addiction on a family, and of the bonds that can sustain or torment us. Bois Sauvage, based on Ward's own hometown, is a character in its own right, as stiflingly hot and as rich with history as it is bereft of opportunity. Ward's "lushly descriptive prose...and her prodigious talent and fearless portrayal of a world too often overlooked" (*Essence*) make this novel an essential addition to her incredible body of work.
