A fusion of the full-length and briefer versions that preceded it, Weiten's PSYCHOLOGY: THEMES AND VARIATIONS, 11th Edition combines a superb thematic organization with practical applications and examples that help readers see beyond research to big-picture concepts. Often described as challenging yet easy to learn from, the book surveys psychology's broad range of content while illuminating the process of research and its relationship to application, showing both the unity and diversity of psychology's subject matter and helping learners master the basic concepts and principles of psychology with as little

struggle as possible. Weiten's themes provide unifying threads across chapters that help readers to see the connections among different research areas in psychology. A dynamic illustration program further enhances these themes. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

New Perspectives on Computer Concepts 2016, Introductory Cengage Learning GET WRITING: SENTENCES AND PARAGRAPHS is a flexible textbook that meets the needs of a variety of developmental writers including those in career and community as well as four-year

schools, and those for whom English is a second language. GET WRITING gives students the opportunity to acquire skills and develop confidence in their own writing, by providing clear steps and strategies as well as practice opportunities. A colorful and engaging format helps students stay motivated and quickly grasp chapter content. Students can choose writing topics that relate to their own lives or chosen careers, with sample student, professional, and workplace models. GET WRITING promotes critical thinking skills by asking students to reflect on their choices throughout the writing

process, and stresses the importance of evaluating, revising, and editing their writing. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
